### NO-COST BREAST CANCER SCREENING PROGRAM

The American-Italian Cancer Foundation's (AICF) Mobile Care Clinic travels throughout the five boroughs. AICF offers no-cost mammograms and clinical breast examinations. The Mobile Care Clinic will be in the Bronx on Saturday, July 14 from 2 P.M. to 5 P.M. at 985 Morris Avenue, Bronx, NY 10456. Appointments can be scheduled at (877) 628-9090. To be eligible, you must be a woman over 40-years-old, have a valid New York City mailing address and have not had a mammogram in the past twelve months. Please encourage your loved ones to take advantage of this wonderful opportunity.

### DISTRICT NEEDS

Each year the City of New York requires each Community Board to submit a list of capital and expense requests in its respective district for review. For example, Bronx Community Board #10 can suggest to the city to renovate an existing park, create a new park or increase funding to the City Department of Transportation for road repair. If there is a particular city program that is successful and wish for it to have its funding increased, please let me know. An example of this is the Parks Department's tree and sidewalks program where high priority sidewalks damaged by a city tree are repaired. Please be advised that this process is now open and you should submit your requests as soon as possible. If you are a Bronx Community Board #10 resident that wishes to suggest an item to be placed on our Fiscal Year 19 District Needs Statement please contact me directly at (718) 892-1161 or via e-mail at [bx10@cb.nyc.gov](mailto:bx10@cb.nyc.gov). Requests are prioritized. If your request does not make it to our final list in October, my office will still have it on record for future District Needs Statements. To be clear, our list to the City of New York is merely a recommendation to the City for what we feel the community needs in terms of municipal services.

### BRONX BOROUGH PRESIDENT PUBLIC HEARING NOTICE

**HELP KEEP PELHAM BAY PARK CLEAN AND GREEN!** Pelham Bay Park is an exciting place. At 2,772 acres, it's the largest park in New York City – more than three times the size of Central Park. Pelham's amenities include a 13-mile coastline, salt marshes, shady forests and sunny meadows, a 19th century historic house, the Hunter Island Marine Zoology and Geology Sanctuary, bridle trails, golf courses, bike paths and Orchard Beach, the only public beach in the Bronx. Our goal is to help conserve this remarkable green space and preserve its natural beauty for everyone to enjoy. I am currently planning our project schedules for the fall calendar and looking for groups to join us. Perhaps your team would like to join us and help beautify and care for the park. Pelham Bay Park is truly a Bronx treasure and we could use your help in keeping it clean, green, and accessible. We work with several environmental partner groups, and specifically with our Friends group and many environmental student clubs, corporate groups and organizations. Our volunteers plant trees, remove invasive plants, maintain the park's nature trails, and host special events and programs. We are available to discuss a custom project for your organization. Dates are available for Sept., Oct. and Nov. 2018. Let's talk! [Lynne.Corry@parks.nyc.gov](mailto:Lynne.Corry@parks.nyc.gov)

To participate in the Dear Future New York City challenge, young New Yorkers ages 18 to 24 can go to [www.coke.com/dearfuturecommunity](http://www.coke.com/dearfuturecommunity) to submit their ideas on how to connect other young people in their community to businesses that can help them. There will also be opportunities to submit ideas in person at events later in the summer. After the program closes in mid-October, all submissions will be evaluated and an award of \$30,000 will be made to one change-making idea. The change maker behind the winning idea will be paired with local partners – including Liberty Coca-Cola Beverages, Coca-Cola Scholars, and community partners – who will mentor them and help turn their vision into reality.
