FREE GATE - FREE PARKING - daviscountyfair.org

Enjoy A Great Time At The Davis County Fair BUT KEEP YOUR ANIMALS SAFE!

The most important way to reduce the risk of heat stress is to avoid transporting, handling, and showing during afternoon and early evening hours. Heat stress can impair weight gain and cause reproductive failure, especially in males. It can also suppress the immune system resulting in outbreaks such as pneumonia during hot weather. Make sure you water your animals often with cool, clean water.
