Divers recover boy's body from mine pit lake near Crosby

Responders search for Murdoch Edward Crust, 13, of Minneapolis, in Armour No. 2 mine pit lake near True North Base Camp in Crosby on Saturday, July 21.

to search for Crust with boat and water units, the dive team with assistance from the Crosby Police Department and the Minnesota State Patrol Helicopter. The Search was called off at approx. 10:15 p.m. on Friday due to uneven and hazardous terrain beneath the water's surface. The search for Crust's body resumed at 7 a.m. on July 21. Using side scan sonar, the

boy's body was discovered and recovered from water 92 feet deep near where he was likely swept away by the strong current, according to the sheriff's office.

The boy's body was transported to the Ramsey County Medical Examiner's Office for autopsy.

The victim was visiting the area with his family and was staying in a cabin at True North Base Camp.

The Crow Wing County Dive Team recovered the body of a 13-year-old Minneapolis boy Saturday, July 21, from the bottom of Armour No. 2 mine pit lake, located in the City of Crosby in Crow Wing County.

On Friday, July 20, at 7:33 p.m. the Crow Wing County

Sheriff's Office received a report of a possible drowning that had occurred in the mine pit lake. Murdoch Edward Crust had been swept away in the current of the inlet from Serpent Creek, while trying to retrieve a Frisbee.

In addition, brief but heavy rain on Friday evening ac-

celerated and strengthened water current of the creek. That coupled with the fact that the lake bottom in the area drops off quickly from one foot down to 92 feet and then down to 92 feet, contributed to the accident.

The Crow Wing County Sheriff's Office responded

It is all in the arbitration report

If a police officer is not honest and truthful in his dealings, the integrity and honesty of the officer will forever be called into question. The untruthfulness of a police officer is so egregious that it is destructive to a continuing employment relationship: Brady/Giglio.

This means the police leadership of the city of Crosby are considered Brady/Giglio officers.

This information is contained in the arbitration report BMS Case No. 17-PA-0260. An independent third-party arbitrator found two officers lied in the conduct of an investigation. The arbitrator found they purposely distorted and lied to the council and mayor about exactly what the investigation found — solely to insure the council would support their recommendations for the termination and making it virtually impossible for the council to pass fair judgement. In other words, they threw them under the bus.

More tragically, they applied interview tactics used for criminals against their own officers to get them to lie. This was done in what is called a Garrity interview. The officers outsmarted them and didn't lie. Their actions violate the public trust, destroyed their credibility, the confidence of the community, cost taxpayers thousands of dollars, and their contin-

ued employment is destructive. My friends and neighbors—the council, mayor, and your community were set up to fail by these two individuals. They do not possess the moral fortitude to resign. Contact your council

today for immediate termination. Vote in November for people who won't tolerate being thrown under the bus and who will protect your trust.
