Ohio Celtic Festival

Returns to the Lake County Fairgrounds

August 10, 11, 12

Celebrating 20 Years of Celtic Festival Fun

On August 10, 11, and 12, The Ohio Celtic Festival will transform the Lake County Fairgrounds into a Celtic island of music and fun for the whole family. This year is the 20th year for the festival and features an impressive line-up of more than 150 musicians, singers, bagpipe bands, dancers and other entertainers from across the US, Ireland and around the

world performing on five stages throughout the fairgrounds.

This year's festival features one of the most exciting musical line-ups to date. The park will pulse all weekend long with Celtic rock music by Off Kilter, The Fenians and The American Rogues. Returning due to popular demand will be The Gothard Sisters, Next Generation Leahy, Ciaran Sheehan and

Emmet O'Hanlon. Along with national and international acts, the Northeast Ohio Irish music scene will be well-represented with New Barleycorn, Brigid Cross, Mary's Lane, LochErie, No Strangers Here, Crawley and Hopper and more.

What Celtic festival would be complete without an array of Bag Pipe Bands and Irish dancers? This festival is no excep-

tion. The Black Sheep, the East Side Irish American Club, the Red Hackles and West Side Irish American Club will all be represented. Performing throughout the weekend will be Ohio's World Champion Murphy's School of Irish Dance, Leneghan Irish Dancers, Brady Campbell School of Dance and O'Malley Irish Dance Academy.

5 STAGES OF GREAT MUSIC & ENTERTAINMENT

OFF KILTER

Off Kilter is a high-energy Celtic rock band founded by Jamie Holton, bagpiper, in 1996. The band is a unique blend of traditional Celtic tunes and songs with a rock twist, popular covers arranged with a Celtic rock feel, and original songs. Instruments consist of bagpipes, Irish whistles, electric guitar, bass, fiddle, drums and vocals. The band recently ended an 18 year run as one of the most popular bands at Walt Disney World in Florida, and currently tours the country performing at many different venues.

GOTHARD SISTERS

The Gothard Sisters are a dynamic musical group of three sisters who play contemporary Celtic music. Through 10 years performing, touring and writing music together, their optimistic style continue to resonate with their fans, building a loyal international following.

THE FENIANS

For over twenty five years, The Fenians have delivered their potent mix of traditional Irish folk and good old rock n roll all across the USA and Ireland. With an ever expanding set of original creations, as well as contemporary and traditional tunes plucked from the panoply of the genre, these five lads put on a live show that is second to none. Their foundation is decidedly Celtic, but there is no mistaking the complimentary influences of Rock, Folk, Bluegrass, Jazz, and World music.
