Thank You from the Tuscarora Church

We would like to thank everyone who donated, baked, and bought items at our "Ye OL Country Auction." The proceeds from this auction will be used to pay the expenses of painting the interior of our church.

Gift certificates and donations from local businesses were greatly appreciated. The Tusky church has a great quilting group, as their quilts amazed the crowd. Thank you, ladies, for being so generous with your time and talents.

Gene Moffat did a fine job auctioneering as did all the other folks that helped. The crowd was enthusiastic and it was a fun day.

We also would like to thank Nunda Lumber & Hardware and Sam Faulds for donating time and supplies to replace the floor in our vestibule.

The Tusky church is blessed to have such great friends and neighbors and we appreciate all your support.

Happy 70th Anniversary!

Please join us for a celebration of Gordon (Butch) & Ruth Beardsley's 70th Wedding Anniversary.

Be Aware of Giant Hogweed

Giant hogweed is a hazardous and invasive plant that has been found in areas of Livingston County. This plant usually grows in open sites with abundant light and moist soil but it can also grow in partially shaded areas.

It can be identified by the dark red or purple spots and bristles on the green stem, the white flower heads that produce thousands of seeds, and the green leaves located at the base that grow two to five feet in diameter. It can grow up to 14 feet tall. The spray of white flowers looks similar to Queen Anne's Lace.

Giant hogweed is considered a hazard to the public because of its potential to harm people. The sap from the plant can cause a severe skin reaction that can happen up to 48 hours after contact. Severe skin blisters will develop when exposed to the sunlight. If there is contact with the eyes, it can lead to possible blindness.

The Livingston County Department of Health would like residents to be aware of this plant. Do not touch this plant.

If you happen to come in contact with this plant, immediately wash your hands with soap & water, flush your eyes thoroughly with water, stay out of the sunlight, and call your healthcare provider.

Please be sure to report any sightings of giant hogweed to the New York State Department of Environmental Conservation (DEC) at **1-845-256-3111**.

For more information regarding this dangerous plant, please visit the DEC website at **www.dec.ny.gov/animals/39809.html**.

Hebrews 13:8 says, "Jesus Christ is the same yesterday, today, and forever."

Some people wonder if Jesus still heals today, just like He did in Bible times when He lived and walked on the earth.

At Healing Rooms (HR) on the Genesee, many people have come for prayer for their physical body. Jesus met Robert at the HR and healed his knees that had been damaged and in pain for over 15 years. Jesus also came and touched Jason's lungs and healed them of emphysema, and healed one of his heart valves.

Jesus is the same. He still heals today.

Until we find a new home for the HR in Mount Morris, we will come to you.

Give us a call at 585-319-6471 and we'll set something up.
