Take heed no man deceive you (Mt 24:4)! Who tricked most church people to hate Christ's Biblical words (Mt 10:22, Jn 10:26-30, 14:6, Acts 3:23) to sin no more (Jn 5:14, 8:11) as other scripture (2 Pet 3:16, 1Jn 3:4-9)? Who tricked them that the serpent's words (Gen 3:5, Dan 7:25) are liberty given by The Holy Messiah? Who gave them unbiblical days to worship and proven by history are worship days of pagans? Who tricked them to believe they are worthy to judge themselves (Mt 23:12, Lk 14: 11) to heaven (Ezek 13:22) and not Christ (Mt 25:33)? Who told them to believe only part of the Holy Bible (Rev 22:18-19) and to deny the rest (Deut 8:3, Mt 4:4)? 2Cor 11:13-15, Rev 19:20! So Be It!

*We've asked an angel in heaven
in a special Birthday prayer to protect
you as you're sleeping and tend you with great care.*

*For we felt such pain and heartache when you
left us far behind and throughout the celebrations
you'll be very much in mind.*

*And although our tears are falling, peace and solace will be
found when we find a pure white feather that has
drifted to the ground*

*Because then we'll know for certain by this
sign from up above, that an angel's wings
surround you with everlasting love.*

Happy Birthday In Heaven

"Thank you" so much to each of you that helped us during our time of sadness of Mom's death. It meant more than you'll ever know. Each one of us could list names of special people and things you said and did, but just know that each text, prayer, visit, food or whatever you did was so appreciated.

Thanks to Comfort Care and your help for both of our parents. Thanks to caregivers - Pam Wood, Felicia Cooke and Caitlin Elrod. Thanks to Betty Carnes for coming to do her hair after 46 years of fixing it up. Thanks to Cullman Heritage Funeral Home and all you

did for us. We appreciated the wonderful sermons from Charles Dixon, Jeff Rowan and Freddy Waldrop and the great singing. Thanks for the beautiful flowers.

Since dad's death March 3rd, she has continually looked for him and talked to him, so how could we want her back. But life will never be the same without Mama.

WELCOME ALL RITE-AID PHARMACY CUSTOMERS!

For over 50 years, Hospital Discount Pharmacy has been serving the needs of our local community.

When you shop locally, you support neighbors and keep jobs at home. Studies show that on average, 48% of each dollar spent on a purchase at a local independent business is recirculated locally, compared to less than 14% of purchases at chain stores.

We would like to become your hometown independent pharmacy!
Please contact us for a no hassle transfer of your prescriptions.
We accept all major insurance plans.

Approximately 10 percent of the general population take a proton pump inhibitor (PPI) drug to block stomach acid secretions and relieve symptoms of frequent heartburn, acid reflux and gastroesophageal reflux disease. That percentage can be as much as seven times higher for people with chronic liver disease. However, stomach (gastric) acid suppression alters specific gut bacteria in a way that promotes liver injury and progression of three types of chronic liver disease, according to a new study published in Nature Communications. PPI's which include brand names such as Prilosec, Nexium and Prevacid, are among the most commonly prescribed medications in the world. One study estimates Americans spend \$11 billion on PPIs each year.

Widely available ibuprofen is a better choice for pain relief in children who have undergone minor orthopedic outpatient surgery, as it has fewer adverse effects compared with oral morphine, according to results from a clinical trial published in CMAJ (Canadian Medical Association Journal). The study included 154 children aged 5 to 17 years who underwent minor orthopedic surgery, such as keyhole surgery on joints, ligament and tendon repair, suture or hardware removal at London Health Sciences Centre in London, Ontario. In the first 24 hours, more than 80% of the children in the study needed pain relief at home. Pain scores for children in both the oral morphine and ibuprofen groups were similar, but the children receiving oral morphine reported more adverse effects, such as nausea, vomiting, drowsiness, dizziness and constipation.

The Day You Went Away

They say that time's a healer
 But as the time goes on,
 I seem to find it just a hard
 To face the fact you're gone.

And today it's the anniversary
 Of the day that you went away,
 And I'm standing here at your graveside
 And believe me when I say

"You'll never be forgotten
 And every year I'll shed a tear,
 But it's only because I love you, son,
 And wish you were still here."

Love, Mom

IS WHAT WE ARE ALL ABOUT

SHOP TODAY'S LOW PRICE TAGS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
