Wisdom Teeth

Wisdom teeth are always the last teeth to typically erupt in the mouth. Although your teen's mouth may seem big enough to accommodate them, most often it is not. As soon as it is clear that the wisdom teeth, technically known as third molars, will not grow in normally, they should be removed. Early removal of the wisdom teeth lessens the risk that your teen will experience impacted or partial eruption, and the complications that often result.

Francis Bellamy
His word became a nation's pledge!

CONGRATULATIONS ANN HUNT!

Congratulations to MMCS School Board member Ann Hunt for being honored with the prestigious Al Hawk Award! The Al Hawk Award is presented by the Genesee Valley School Board Association for Distinguished School Board Service and is presented annually to a current or former school board member who, in the judgment of the Distinguished Service Award Committee, should be recognized for outstanding contributions to public education and children in his or her own community. Ann has served on the MMCS Board of Education since 2010, including as vice president, and was recently re-elected to a three-year term. She has been chair of the audit committee and with her guidance, the district has moved from being in fiscal distress to being in an extremely strong financial position. Congratulations Ann! We are thankful for your commitment to our school and community.

DOG LICENSES

New York State Agriculture and Markets Law requires ALL dogs, 4 months or older, to be licensed in the Town or City in which they are harbored. Dogs should be licensed at the Town Clerk's office and requires proof of a current rabies vaccination. The annual fee is \$10 for dogs that are spayed or neutered (proof required), and \$15 for unaltered dogs. Please contact the Town Clerk if you have any questions regarding this process. The Town Board is considering a "dog census" and by state law, any unlicensed dogs found via this process would require the owner to pay an additional \$5 fee.

Serving Always, Town Supervisor Chuck DiPasquale,
Town Clerk Christie Murphy, Town Councilmen
Dave DiSalvo, Don Huff, and Nate Guzzardi

Cornell Cooperative Extension
Livingston County

Centennial Picnic Celebration

Cornell Cooperative Extension of Livingston County and the Livingston County Farm Bureau celebrated their Centennial with a picnic on July 27th at the Hemlock Fairgrounds.

More than 100 people shared in the occasion – including New York State Senator Cathy Young. The event featured a delicious BBQ, children's activities, and a chance to chat with old friends!

The organizations started out as one before mutually separating in 1956.

Today, Extension focuses on the educational needs of families and communities by offering the Livingston County 4-H Program, traffic safety education, parenting workshops, agriculture and gardening assistance, nutritional information, and more.

In contrast, Farm Bureau is a strong organization that speaks out on controversial public issues impacting the industry. Members of Livingston County Farm Bureau also coordinate Farm Fest – held in September. The annual event is an opportunity to educate the non-farming public about the county's leading industry.

Livingston County Cornell Cooperative Extension is located at 3 Murray Hill Drive – on the County Campus in Mount Morris.

Anyone looking to purchase a Centennial t-shirt or cookbook should stop by the CCE Livingston County office during business hours. The t-shirts are available in youth and adult sizes for \$10 each. Commemorative cookbooks, featuring 150 recipes, are also available for \$10 each.

Building Strong and Vibrant New York Communities

Cornell Cooperative Extension of Livingston County is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities and provides equal employment and program opportunities.

AUGUST 26 NATIONAL DOG DAY

National Dog Day has two goals: to honor dogs, and to rescue dogs from homelessness and abuse. It's an opportunity for us to recognize and appreciate the value and importance of dogs in our lives.

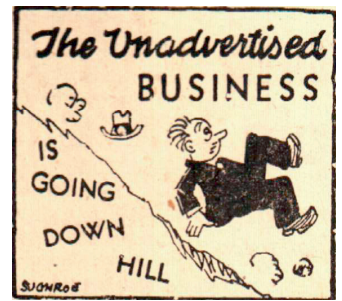

This day is intended to honor dogs for all that they do for us. In addition to giving love and companionship, dogs help us out in countless ways. They are watchdogs for our safety. They lead the blind. Dogs aid in search and rescue, and they seek out bombs and drug

The second goal is to rescue dogs in need. On occasion, dogs need us to save them from homelessness and abuse. The goal of the National Dog Day foundation is to rescue 10,000 dogs a year. Lend a hand to help a dog in need today, or any day.

August is Immunization Awareness Month

By receiving recommended vaccines you can decrease the spread of disease at home, work and throughout the community.

Recommended immunization schedules are provided for infants, children and adults. The Livingston County Health Department holds immunization clinics the first Tuesday of each 3 month.

Please call the Livingston County Department of Health at 243-7299 to make an appointment. If you have any questions about immunizations please contact your health care provider or call the Department of Health.

On August 7, 2018, Livingston County unveiled plans for a new trail at Al Lorenz Park in Mount Morris, set to be completed by a mobile work crew and a team of summer employees in the Livingston County Central Services Office.

"The new trail is designed with the goal of encouraging physical exercise," said Livingston County Environmental Health Director Mark D. Grove.

"The creation of the new trail will link the already-existing Genesee Valley Greenway and Finger Lakes Trail, thus creating a comprehensive trail network in Al Lorenz Park."

A section of the trail is set to be completed by the fall, with the rest finished as funding becomes available.

Al Lorenz Park is an 80-acre county park in Mount Morris, located between the Genesee River and Letchworth State Park. Facilities located in the park include four open pavilions, two gazebos, a 1.5-acre mowed field, numerous ponds and biking and walking trails. The acreage was acquired by Livingston County and became the County's first park on July 14, 1974.

The park is open to the public from May 1 through September 30. For more detailed park hours please visit <http://www.co.livingston.ny.us/facilities>.

PRECISION MACHINING CLASS BATAVIA CAMPUS

Start Date: September 11, 2018

In today's economy, individuals seeking a career in advanced manufacturing require marketable skills.

The Genesee Valley Educational Partnership, in conjunction with the Livingston County Workforce Development Office, have created a precision machining program to prepare qualified people for entry level positions and a career path in precision machining. Program participants will receive approximately 208 hours of classroom instruction and on-site experience, which will enhance their skills and employability.

This training class will be held at the Batavia CTE Center. Participants will be responsible for their own transportation. The Batavia CTE Center is located at 8250 State Street Road, Batavia NY 14020.

Program participants will receive 208 hours of classroom instruction. The projected starting date is September 11, 2018. The classes will meet Tuesdays from 3:30pm-9:00pm and Thursdays from 5-9pm. Classroom instruction will consist of lecture and hands-on instruction covering the general use of the basic components of a mill and lathe. Common fixtures, cutting tools, and tool holders will be covered. Students will study blueprint reading and use precision measuring devices.

The cost of the program is \$3,500. Financial aid assistance is available for qualified candidates. This is a college-credit bearing course in partnership with Monroe Community College. Students will have the opportunity to earn 12 MCC college credits at an additional cost.

Key Areas of the Machining Trade Include:

- Introduction to Machines
- Shop Safety
- Understanding Drawings
- Measurements
- Hand Tools
- Drills and Drilling Machines
- Precision Grinding
- Offhand Grinding
- Sawing and Cut-off Machines
- The Lathe
- Milling Machines
- Prints
- Shop Math
- Fasteners
- Jigs and Fixtures
- Quality Control

Hebrews 13:8 says, "Jesus Christ is the same yesterday, today, and forever."

Some people wonder if Jesus still heals today, just like He did in Bible times when He lived and walked on the earth.

At Healing Rooms (HR) on the Genesee, many people have come for prayer for their physical body. Jesus met Robert at the HR and healed his knees that had been damaged and in pain for over 15 years. Jesus also came and touched Jason's lungs and healed them of emphysema, and healed one of his heart valves.

Jesus is the same. He still heals today.

Until we find a new
home for the HR
in Mount Morris,
we will come to you.

Give us a call at 585-319-6471
and we'll set something up.
