**HEMP HAS SIGNIFICANT HEALTH BENEFITS FOR PETS**

(NAPS)—NaturVet's veterinarian-formulated pet supplements have progressed over the last 25 years to keep up with the ever-changing needs of pet parents. NaturVet's newest Hemp for Health product line includes four top products—Allergy, Calming, Immune and Joint—that are now available enhanced with Hemp Seed Oil and Hemp Seed Powder, sharing the same great original base formulas that pet parents have relied on for years.

Although marijuana and hemp come from the same cannabis family, the plants are completely different in function, cultivation and application. Hemp is grown specifically for agricultural purposes and has been used for hundreds of years in textiles, body care products, paper products, industrial products and building materials. Most importantly, hemp is nonpsychoactive and cannot get your pet high.

Hemp has significant health benefits for pets. Hemp is high in fiber; a great source of plant-based protein; is rich in omega-3 and omega-6 fatty acids; and contains phytonutrients, antioxidants, vitamins, minerals and 20 amino acids. Hemp Seed Oil and Hemp Seed Powder work synergistically with other active ingredients to help provide support for allergies, stress and anxiety, joints, aches and discomfort, the immune system, and overall health and wellness. For more information on NaturVet products, please visit www.NaturVet.com or call (888) 628-8783.

The Kempton Hotel has been open since March 7th. We will have our 6 month anniversary September 7th with a new menu rollout.

TJ Bebb, a Pennsylvania native, will be joining us to do an acoustic set from 9 pm - 12 am. After easily making a huge fan base and a name for himself he moved to Nashville to further pursue his career. TJ has opened for numerous acts including George Jones, Loretta Lynn, and Craig Morgan.

Don't miss out on TJ Bebb back in Pennsylvania on September 7 at the Kempton Hotel!
