SENIOR CITIZEN DISCOUNTS AT AREA COLLEGES

Did you know that several of our City University schools such as Queens College, Lehman College, Hunter College and private institutions such as St. John's University are some of the many area schools that offer discounted tuition fees to adults over 60-years-old? At my alma mater, CUNY Hunter College, a senior citizen that is over 60-years-old and is a resident of New York State can take college courses while only having to pay \$65 for the general fee at time of registration. If you or someone has interest, please feel free to contact me at my office at (718) 892-1161. I know exactly how difficult it might be to decide which courses you want to take and how to register. Please take advantage of this wonderful opportunity to take classes at some of New York City's best higher education institutions!

CITY CHARTER COMMISSION REVISION BRONX PUBLIC HEARING

As you know, the City of New York's governing document is the City Charter. At present time, there are two Charter Revision Commissions. The New York City Council empaneled the newest City Charter Revision Commission through legislation and it is set to have its Bronx Public Hearing on Wednesday, September 12 at 6 P.M. at Lehman College. Bronx Borough President Ruben Diaz, Jr. appointed former City Council Member James Vacca as our borough's representative. This is all of our opportunity to reform city government by recommending changes to the City Charter. You may also submit your ideas by visiting its website at www.charter2019.nyc. Please be sure to attend the public hearing on September 12. I will see you there!

HAPPY LABOR DAY!

Upon publication of this column, we will be a few days shy of Labor Day and the official start of the school year for our students. I kindly ask that parents speak with their children's principals and teachers about capital needs in their schools. For example, Bronx Community Board #10 publishes a District Needs Statement annually to the Mayor of the City of New York. In this document, Bronx Community Board #10 can list which public schools need updated technology and/or an auditorium renovation. It is crucial that we improve the physical state of our schools as it only makes learning easier for students. Please feel free to contact my office with any information you have. You may also refer your children's teachers or principals to contact me directly. Happy Labor Day to all! Our office wishes students the best of luck for this upcoming school year.
