The family of
Robert "Bob" Forrester
 extends our heartfelt appreciation for every act of kindness shown us during his tragic accident and death. Special thanks to the gentleman who called 911, to Post Office employees for their kindness, to the Ambulance Service, Fire Department, Police, Lincoln Medical Center emergency room help, Med Flight, and the Trauma Unit at Huntsville Hospital. Special thanks, also, to our dear pastor and wife, Bro. Tony Billions and Becky, for their comforting words and prayers at the Trauma Center. And, we were so blessed to have so many friends and family attend visitation night and funeral. So many kind words and offers of help were spoken. Thank you for the food brought to the funeral home (sorry! I don't know who bought it), for the beautiful plants, flowers and memorial gifts, plus Gideon Bibles donated in his memory and monetary gifts to his church in his memory. A special thanks to Oak Hill Baptist Church for the food brought to our home, feeding family and friends after the funeral, and for all the prayers for Bob and his family. And, to Jennifer of Home Health for her visits and kind words to Bob. And, lastly, thank you Higgins Funeral Home for your help, kindness and beautiful service. All of the above will be treasured memories and will always hold a special place in our hearts. Bob loved the Lord, his family and friends and lived a Christian life. What greater legacy could a man leave his family?

Sadly and greatly missed,
 Dot, Gary, Mike, Terry and Families

ZERO TOLERANCE

In the name of "safety," it is reported that some public schools have a zero tolerance for guns, including small children making drawings of guns or even pointing their fingers like guns. Some might see this as a cover for indoctrinating a generation against guns so that they would be supportive and compliant of government confiscation of privately owned weapons. In the name of "separation of church and state," some public schools seek to expel even the mention of God much less allow prayer or a Bible. Does this intolerance intend to indoctrinate them against religion?

But zero tolerance for Christianity is not new. It first appeared among Jewish leaders against Jesus Christ and continued against His followers when the church began, and was then taken up by the Romans. Through the ages such intolerance has again and again appeared in various forms. Despite the fact that the first amendment of the U.S. Constitution was designed to protect against government interference in the free practice of religion, Satan has his loyal followers continuing to promote zero tolerance for Christianity, and doing it more openly than ever before in this country.

Christians should not be surprised by this. Scripture plainly teaches that such will happen. As Christ was crucified, so will His body, His church, suffer. The apostle Peter wrote, "Beloved, do not be surprised at the fiery trial when it comes upon you to test you, as though something strange were happening to you. But rejoice insofar as you share Christ's sufferings, that you may also rejoice and be glad when his glory is revealed." (1 Peter 4:12-13). Upholding what is right and proclaiming life now and in eternity through the death, burial, and resurrection of Jesus Christ will never be tolerated by some because it clearly implies submission to God's will and obedience to His commands which in turn interferes with "doing as I please." Pleasing God is the goal and joy of a true Christian.

Tolerance for abortion, homosexual behavior and other sins is pushed by some while at the same time intolerance for Christianity grows. May every child of God love and be true to the Lord, and, as He did, love those caught in the terrible trap of sin no matter what intolerance and persecution may be faced for loving and serving Him, for He alone provides true life and hope.
