#### DELINQUENT DOG LICENSES

Delinquent Dog License Notices have been mailed out for any licenses not renewed in 2017 or 2018. For licenses that expired in 2017, owners should be aware that to make a license current, they will need to renew for two years. *New York State Agriculture and Markets Law requires ALL dogs, 4 months or older, to be licensed in the Town or City in which they are harbored. Dogs should be licensed at the Town Clerk's office and requires proof of a current rabies vaccination. The annual fee is \$10 for dogs that are spayed or neutered (proof required), and \$15 for unaltered dogs. Please contact the Town Clerk if you have any questions regarding this process. The Town Board is considering a "dog census" and by state law, any unlicensed dogs found via this process would require the owner to pay an additional \$5 fee.*

# HARMFUL ALGAL BLOOMS HEALTH ADVISORY

Harmful algal blooms (Blue Green Algae) have recently been found in areas throughout Conesus Lake. Blooms occur when algae multiply very rapidly over a short period of time, usually in calm, warm water. There are thousands of different algae species, however, a few of these may produce toxins. The toxins are a concern when there is a high level present in the water.

The Livingston County Department of Health is monitoring for algae blooms and may collect samples of the water if the bloom is concentrated and persistent. Harmful algal blooms may persist in varying degrees and at various locations throughout the summer and fall seasons. The public water supply is safe for drinking.

At this time, visual monitoring has detected the presence of harmful algae in the affected areas. Contact with the algae may result in some health effects such as itching, rashes, fever, headache, upper respiratory symptoms, vomiting and diarrhea. These symptoms are not just caused by harmful algae contact. If you experience any of these symptoms and they persist, you should seek medical advice. You are advised not to drink or use the lake water for cooking and do not swim, wade, play, or come into direct contact with water that is discolored or has scums on the surface. Pets should not be allowed to drink or to come into contact with discolored water. If contact occurs, wash with soap and clean water to remove algal material. Always rinse after coming into contact with any surface water whether or not a blue-green algae bloom is present. Avoid contact with surface water when open cuts or wounds are present on the body.

Questions may be directed to the Livingston County Department of Health at **243-7280**, Monday thru Friday from 8:00am-4:00pm or by email: [dept-of-health@co.livingston.ny.us](mailto:dept-of-health@co.livingston.ny.us).

## Civil Legal Services Firm Opens Lakeville Office, Bringing New Services to Livingston County

Legal Assistance of Western New York, Inc.® (LawNY) announces the opening of a new Lakeville office to bring Nutrition Outreach and Education Program services to Livingston County.

LawNY invites the community to join us at our **GRAND OPENING** on **Friday, September 14**, 11AM-1PM (remarks at 11:30) at 3011 Rochester Road, Lakeville.

For the first time in many years, Livingston County now has its own Nutrition Outreach & Education Program (NOEP) coordinator, Kevin Lozo. Mr. Lozo provides free information and assistance on Supplemental Nutrition Assistance Program (SNAP) benefits.

LawNY's Nutrition Outreach and Education Program provides confidential screening and application assistance to persons seeking to obtain or maintain SNAP benefits in Monroe, Ontario, Seneca, Wayne, and now Livingston County. SNAP (formerly known as food stamps) helps income eligible individuals with grocery bills. For example, a two-person elderly or disabled household with a gross monthly income of \$2,707 or less may qualify for up to \$352 per month in SNAP benefits.

LawNY currently provides services in Livingston County from its Rochester and Geneva offices. Services provided by our Geneva office include Elder Law, Landlord/Tenant, Foreclosure, Family Law (for Domestic Violence victims), Education Law, SSD/SSI, Unemployment Insurance Benefits, and Veteran's Housing and Benefits issues. Our Rochester office provides Fair Housing, Consumer, and Health Law services in Livingston County. In addition to offices in Geneva and Rochester, LawNY provides free legal aid to people with civil legal issues in Bath, Ithaca, Elmira, Olean, and Jamestown.
