Hope Sartain
Sales Representative

"Eight years ago I started a life changing career that allows me the freedom to create my own schedule, provides professional and personal growth and is now furthering my education in marketing. My job gives me the opportunity to work with small business owners to create an effective and affordable advertising campaign customized for each business. Exchange Media Group encourages community involvement and supports my roles in the Highland Rim Kiwanis Club and the Tullahoma Area Chamber of Commerce, which are two groups I am very passionate to serve."

Mary Ann Marsh
Sales Representative

"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."

Job Description

Outside sales team members help local businesses connect their products and services with people in our community. You will be responsible for developing meaningful relationships with your customers. You will work with them to see if their needs align with our products. You will be in the office each Monday. Tuesday thru Friday will be spent in the field working with customers and prospects. We have two sales meetings each month with focus on training and continuing education. Your compensation will be based on your sales and ad count. You will be in total control of your bonus which is based on your performance.

Digital CSR

I enjoy meeting people, learning about their businesses and exploring what digital media can do for them.

This Could Be You!

Job Description

You will be working in a fast pace environment with a team atmosphere. You will help small businesses demystify digital technology and evaluate their needs to see if our website products can move their business forward. A background in websites is not important. The key elements you must possess to be successful are the ability to listen and solve problems.
