HOW TO UPDATE A SMALLER BATHROOM
Maximize storage space. This solution adds value that many small bathrooms don't have.
If you have high ceilings, add shelves over the toilet or on a blank wall to take advantage of unused space.
Reflect with mirrors. Place them strategically to give the illusion of space.

Add a mirror over the sink and hang another decorative mirror on the opposite wall.
Add new lighting. Dim light bulbs and single light fixtures will make it feel smaller. Choose LED lighting and place them overhead and not on walls. This will help with your smaller bathrooms.
