Thank You

I would like to thank my family and friends for all the cards, visits, phone calls and treats while I was in rehab for my broken hip. Thank you to the Mount Morris Ambulance, Officer J. Hilt, and the entire staff at Livingston County Rehab.

A special thank you to my sister, Madelyn, for caring for me at home and visits to rehab. A special thanks to cousins Don and Donna for staying at the hospital during surgery.

Dianne Cicero

PRAYER TO THE HOLY SPIRIT: Holy Spirit, You who makes me see everything and who shows me the way to reach my ideal; You who gives me the divine gift to forgive and forget the wrong that is done to me; and You who are in all instances of my life with me; I, in this short dialogue, want to thank You for everything and confirm once more that I never want to be separated from You no matter how great material desires may be. I want to be with You and my loved ones in perpetual glory. Amen. Thank You for Your love towards me and my loved ones. A person must pray this prayer 3 consecutive days without asking your wish. After the third day, your wish will be granted no matter how difficult it may be. Then promise to publish this dialogue as soon as your favor has been granted. G. S.

The Livingston County Board of Supervisors has designated the month of September as the thirty-day annual period for submission of petitions by landowners to join an existing Agricultural District.

Effective September 17, 2004, the New York State Agricultural and Markets Law was amended with Section 303-b, which allows for parcels to be added into Agricultural Districts on an annual basis. In the past, landowners had to wait until an Agricultural District "opened up" for review – typically once every eight years – to request inclusion into an agricultural district. With the revision to the Ag and Markets Law, every county that contains a certified agricultural district is required to establish an annual thirty-day period for landowners to submit requests for inclusion of "viable agricultural land" -- land that is highly suitable for a commercial farm operation -- into an Agricultural District.

Landowners must submit their requests along with the tax map identification number and a description of the farming activities on the land within the thirty-day period in order to be considered for inclusion into an Agricultural District. Landowners may not request to be taken out of an Agricultural District. Requests for removal may only be granted when an Agricultural District is undergoing its eight-year review.

After September, the Livingston County Agriculture and Farmland Protection Board (AFPB) has thirty days to review requests and report to the Livingston County Board of Supervisors its recommendation as to whether the land to be included in the Agricultural District consists predominantly of "viable agricultural land" and whether the inclusion of such land would serve the public interest by assisting in maintaining a viable agricultural industry within the district.

The recommendation of the AFPB is forwarded to the Board of Supervisors to hold a public hearing for acceptance. After the public hearing, the Board of Supervisors sends the resolution to include new parcels into existing Agricultural Districts to the NYS Department of Agriculture and Markets, where the request will be reviewed and certified.

Questions about the thirty-day Agricultural District inclusion period can be directed to the Livingston County Planning Department at (585) 243-7550. Petitions for inclusion should be submitted to: Livingston County Planning Department, 6 Court Street – Room 305, Geneseo, NY, 14454 by September 28, 2018.

Have the doctors done all they know to do?
 Have you exhausted all efforts to get well?
 And still you are not any better?

Give us a call at 585-319-6471. We will come to you and pray for you. In Mark 16:17,18, Jesus told His followers to go out and lay hands on the sick, and when they did they would see the sick recover. Since starting the Healing Rooms in September of last year we have seen Father God touch many. He is not just able to heal, He is willing and wants to heal. Give us a call.

Until we find a new home for the HR in Mount Morris, we will come to you. Call us at 585-319-6471 and we'll set something up.
