I've had issues with back pain ever since I can remember. I've tried to ignore the pain in my back. I wanted natural treatment rather than be put on harsh medications. I tried other things, but it didn't correct the cause of the pain. Since seeing Dr. Kanan I've regained feeling in my hands, my legs don't go numb, I've returned to yoga and my strength and flexibility are improving!

-Shalene S.

When I came to Dr. Kanan, I could barely walk. The pain was so severe it made me sick to my stomach! Dr. Kanan and his staff are true professionals. Dr. Kanan told me what was wrong with my back and the preventative measures I needed to take to fix it. Dr. Kanan and his staff took me from hardly walking to running and exercising again. My quality of life is much better!

-Health L.

I had trouble moving comfortably and breathing normally for about a year! Ever since my adjustments I feel like new! I now have full movement without pain and more energy throughout the day. I finally feel relaxed and calm again! I definitely recommend Dr. Kanan he helped me tremendously!

-Justin R.
