# Question & Answer

**Q: WHY ARE FUNERALS SO EXPENSIVE?**

**A:** When compared to other major life cycle events, like births and weddings, funerals are not expensive. The average wedding costs at least three times as much; but because it is a happy event, wedding costs are rarely criticized. A funeral home is a 24-hour, labor-intensive business, with extensive facilities (visitation room, chapel, hearse, etc.) these expenses must be factored into the cost of the funeral. Moreover, the cost of a funeral includes not only merchandise, like caskets, but services of a funeral director in making arrangements; filing appropriate forms; dealing with doctors, ministers, florists, newspapers and others; and seeing all the necessary details. Contrary to popular belief, funeral homes are largely family-owned with a modest profit margin.
