*CONDITIONS FOR THE RED TAG CLEARANCE SALE PROGRAM (the "Program"): Program only available from a participating Clayton Homes Family of Brands retailer ("Seller") for the purchase of a select in stock new home with a sales agreement that is signed September 1, 2018 through December 31, 2018. See your local participating Seller for a list of eligible homes. Eligible homes will vary by Seller. Buyer may select one or more buyer incentives in the following maximum amounts: \$2,000 with the purchase of a single-section home, \$4,000 with the purchase of a double-section home, and \$8,000 with the purchase of a triple-section home (each the "Incentive"). Home must be purchased at the posted home only retail sales price to be eligible for the maximum available incentive. Actual value of buyer incentive will vary based on the number of sections comprising the home purchased, actual total value of buyer incentive not to exceed \$8,000. Buyer incentive will be applied by the Seller, at buyer's choice, to one, or any combination of two or three, of the following three forms: (i) a prepaid VISA® debit card (debit card option limited to a maximum of \$2,000); (ii) Seller paid closing costs (excluding Seller paid discount points that are not required by a lender); or (iii) a reduction in the total sales price of the home package, consisting of the home purchased plus all other items included in the sale (collectively the "Incentive Options"). If the posted home only retail sales price of the home is reduced by the Seller either through negotiation with the buyer or as a result of the underwriting requirements of the lender selected by the buyer, or if the Seller is required by the lender selected by the buyer to pay discount points or any other fees and charges, the Incentive will be applied first to the amount of the negotiated or lender required reduction of the home sales price (Incentive Option (ii)) and then to the lender required Seller paid discount points, fees and charges. Any remaining Incentive will be applied at buyer's choice to one or more of the Incentive Options. Under no circumstances will any portion of the buyer incentive be applied toward buyer's down payment if buyer obtains financing for the home purchase from any lender of buyer's choice. Buyer is solely responsible for paying the entire amount of any down payment. If buyer selects the VISA debit card, buyer will be subject to all terms and conditions set forth on the card, including the expiration date, and also to all terms and conditions set forth in the issuer's cardholder agreement. The VISA debit card will be issued in the name of the primary buyer by MetaBank® pursuant to a license from VISA U.S.A. Seller will deliver the VISA debit card to buyer either in person or by mail within 4-6 weeks after the home purchase has been completed and all conditions of the sale have been satisfied. Buyer may not combine the Program with any other offer or promotion offered by Seller. The Program may not be available with USDA/HAVA financing, and may be subject to certain lender requirements that restrict the terms of buyer incentives that Seller can provide. The Program is void where prohibited, but only to the extent prohibited.
