BENNETTTOYOTAOFLEBANON.COM

Hello! Thank you for opening our Bennett Toyota of Lebanon newspaper, we are the newest member to Bennett Automotive Group.

We would like to express our gratitude to all of our customers. Our success over the past 67 years is due to you and the trust you put in us.

We are excited to announce our Unbe-Leaf-Able Deals Sales Event! Celebrate the arrival of fall with our amazing deals. We have 2018 Tacomas for as low as \$132 per month. See page 4. 2018 Tundras for only \$299 per month. See page 15. And new 2019 Corollas for as low as \$151 per month. See page 6.

Incredible deals are being offered on our pre-owned inventory. See pages 8 through 10. On the back cover, we've included money saving service coupons.

We invite all of you who are considering purchasing or leasing a new vehicle to visit us today. Hurry, these great deals won't last long! Experience A WORLD OF DIFFERENCE at Bennett Toyota of Lebanon.

Sincerely,
Chris Zerfass
General Manager

THE 2019 MODELS ARE HERE!

66 AVAILABLE!

More arriving daily!

TOYOTA
Let's Go Places

We're More Than Great Cars and Trucks!

10 plants. 1500 dealerships. 137,000 dedicated U.S. employees. 25 million vehicles built in the U.S. and counting.

Se Habla Español

LET'S GO GREENER!

HERE ARE SOME OF THE SUSTAINABLE SOLUTIONS TOYOTA HAS ACHIEVED:

CARBON: 15 hybrid models available in North America, including our plug-in, Prius Prime, and fuel cell, Toyota Mirai.

WATER: 43.2 million gallons saved in 2017, or the amount used by 394 average American families in one year.

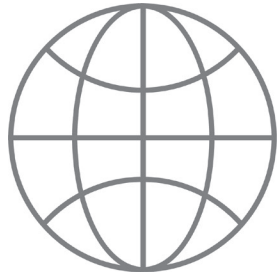

MATERIALS: 99 percent of waste from our North American operations was diverted from landfills.

BIODIVERSITY: 12 North American facilities earned Conservation Certifications from the Wildlife Habitat Council.

PROUDLY SERVING OUR COMMUNITY

BENNETT

TOYOTA OF LEBANON

Welcome to Bennett Toyota Of Lebanon

Since 1951, Bennett Automotive Group has built a family tradition of honesty, trust and integrity, while serving the Greater Lehigh Valley, Wyoming Valley and surrounding communities.

We are proud to announce our newest member to the Automotive Group, Bennett Toyota of Lebanon, who will proudly serve the Lebanon Valley and surrounding communities, including Lebanon, Hershey, Harrisburg, York, Lancaster, Manheim, Reading, Sinking Spring, Mechanicsburg and Hamburg and providing world class service that over 100,000 customers have experienced at a Bennett dealership over the past 67 years. Bennett

Automotive Group is family-owned and operated and our staff of dedicated team members at our six locations is eager to share their knowledge and enthusiasm.

Experience A WORLD OF DIFFERENCE today at Bennett Toyota of Lebanon.

2018 TOYOTA TACOMA SR 4X4

Rake in the savings!

LEASE FOR ONLY

\$132

PER MONTH FOR 36 MONTHS

OR

SALE PRICE

\$25,620!

AVAILABLE FEATURES: 3.5-liter V6 direct-injection engine: High tech meets high performance. Tacoma's available Atkinson-cycle 3.5-liter V6 with direct injection is the perfect blend of efficiency and power, giving you more of everything you want. **Multi-terrain Select:** Tacoma TRD Off-Road features Multi-terrain Select. With five modes to choose from, this system helps regulate wheelspin by automatically adjusting the engine throttle and traction control. When combined with standard Goodyear Wrangler tires with tough Kevlar construction, Multi-terrain Select helps improve traction dramatically, meaning you can get back to the fun more quickly.

2018 Toyota Tacoma SR 4x4, model 7514. MSRP: \$28,013. Lease offer: \$132/mo. 36 months. \$4,132 due at signing (\$4,000 down + first month payment), tax, PA state license and title, \$141 dealer doc fee, and \$650 acquisition fee. No security deposit. 10k miles per year. Buy for offer: includes \$500 Bonus Cash and \$1,000 Cash Back from Toyota. Offers cannot be combined. All offers with approved credit from Toyota Financial Services. Subject to availability. Photos for illustration purposes only. See dealer for all details. Expires 10/31/18.

THE FUTURE OF SAFETY IS HERE

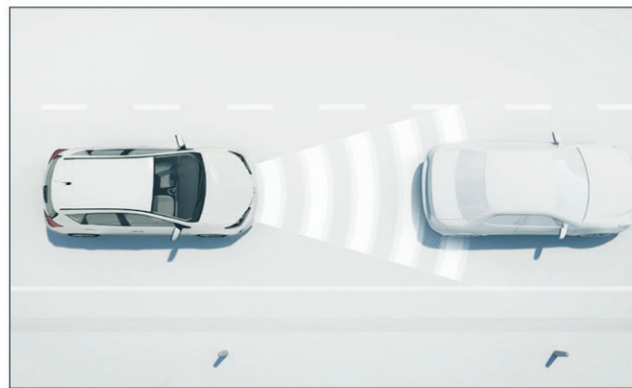

TOYOTA'S ADVANCED ACTIVE SAFETY PACKAGES: TSS-C AND TSS-P

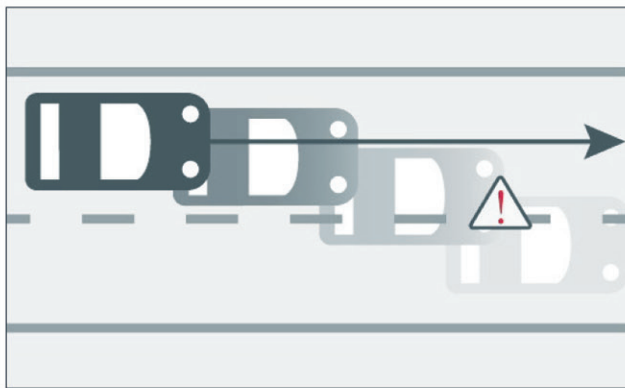

Crash protection starts with crash prevention. Collisions that result in injury may be caused by the delay in a driver's recognition of the situation and their ability to react accordingly. According to NHTSA¹, there were almost 5.7 million reported crashes in 2014—many of which were avoidable.

Toyota Safety Sense™ (TSS)² is designed to help protect drivers, passengers, people in other vehicles on the road and pedestrians (TSS-P² and AHB⁷) from harm. TSS² is comprised of advanced active safety packages anchored by automated pre-collision warning³ and braking. TSS² represents the latest milestone in our long history of creating advancements and innovations in safety that have helped prevent crashes and protect people.

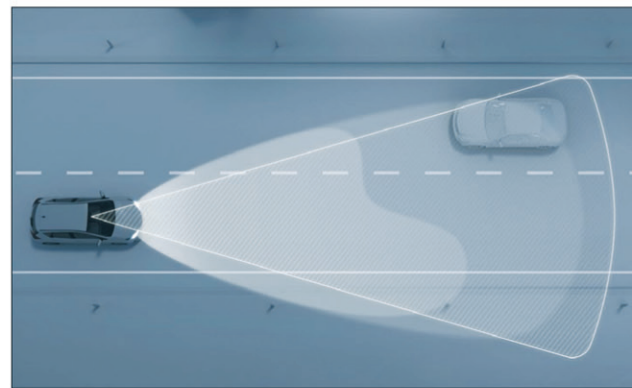

TSS ADDRESSES THE THREE MOST COMMON ACCIDENT TYPES

Frontal Collisions

Unintended Lane Departures

Nighttime Accidents

TSS² is designed to support driver awareness, decision making and vehicle operation over a wide range of speeds under certain conditions. Packaged together in an integrated system, TSS² features help address three key areas of accident protection: preventing or mitigating **frontal collisions**³, keeping drivers **within their lane**⁶, and enhancing road safety during **nighttime driving**⁷. Always drive safely, obey traffic speed limits and laws and focus on the road while driving.

TSS² will be offered on certain vehicles in the form of two packages:

- **Toyota Safety Sense™ C² [TSS-C]** for compact vehicles
- **Toyota Safety Sense™ P² [TSS-P]** for mid-sized and large vehicles

Available On All New Toyotas!

1509 Quentin Rd • Lebanon

1. United States Department of Transportation, National Highway Traffic Safety Administration (NHTSA). (2014). TRAFFIC SAFETY FACTS 2013. 2. Drivers should always be responsible for their own safe driving. Please always pay attention to your surroundings and drive safely. Depending on the conditions of roads, vehicles, and weather, etc., the system(s) may not work as intended. See Owner's Manual for details. 3. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See Owner's Manual for details. 4. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance, as well as tire and road conditions. See Owner's Manual for details. 5. Results achieved during testing using a vehicle traveling at 19 mph and a stationary vehicle/pedestrian; system operation depends on driving environment (including road and weather) and vehicle circumstances. 6. Lane Departure Alert is designed to read lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. See Owner's Manual for details. 7. Automatic high beams operate at speeds above 25 mph. Factors such as dirty windshield, weather, lighting & terrain limit effectiveness requiring driver to manually operate the high beams. See Owner's Manual for details. 8. Lane Departure Alert with Steering Assist is designed to read lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. See Owner's Manual for details. 9. The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. See Owner's Manual for details. 10. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness depends on many factors, such as weather, traffic and road conditions. See your Owner's Manual for details. 11. Results achieved during testing using a vehicle traveling at 25 mph and a stationary vehicle. System operation depends on driving environment (including road and weather) and vehicle circumstances. 12. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for details.

ToyotaCare

TOYOTACARE

No Cost Maintenance plan with roadside assistance*.
Peace of mind with every new vehicle.

Toyota is devoted to safety and dependability, and proper vehicle maintenance is important to both. That's why we include a no cost maintenance plan with the purchase or lease of every new Toyota for 2 years or 25,000 miles, whichever comes first. 24-hour roadside assistance is also included for 2 years and unlimited miles.

MAINTENANCE

We'll make it easy to take care of your Toyota.

Toyota-trained technicians will help you fulfill maintenance obligations and help improve your Toyota's overall performance, while keeping a complete history of maintenance visits. Toyota will also deliver timely reminders before your scheduled maintenance.

TOYOTACARE SCHEDULED FACTORY MAINTENANCE COVERS:

- Inspect and adjust all fluid levels
- Replace engine oil and filter
- Rotate tires
- Multi-point vehicle inspection

24-HOUR ROADSIDE ASSISTANCE

We can help get you moving again.

ToyotaCare features 24-hour roadside assistance for those days when you need a tire changed or a door unlocked.

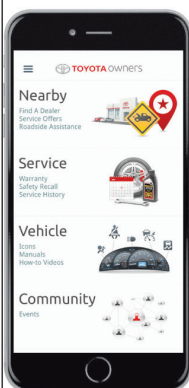

24-HOUR ROADSIDE ASSISTANCE COVERS:

- Battery jump starts
- Tire service
- Emergency fuel delivery
- Lockout protection
- Towing
- Winching

*Covers normal factory scheduled service. Plan is two years or 25K miles, whichever comes first. The new vehicle cannot be a part of a rental or commercial fleet, or a livery/taxi vehicle. See dealer for plan details. Does not include parts and fluids. Prius Plug-in Hybrid comes with an extra year of roadside assistance, for a total of three years from date of purchase.

Toyota Owners App

HELP IS JUST A CLICK AWAY!

With the Toyota Owner's App, Roadside Assistance is there to help you whenever and wherever you need it!

- Submit Roadside Assistance requests
- Locate dealer service offers
- View and keep track of service history records
- Store photos of your registration and insurance documents
- Explore indicators, manuals and videos associated with your vehicle
- Search Owner's Manuals, warranty information and scheduled maintenance guides

DOWNLOAD THE TOYOTA OWNERS APP WITH ROADSIDE ASSISTANCE
