COMMUNITY MEETING W/ NYPD: We wanted to inform and invite you to your Sector "B"s 3rd Build the Block Meeting of 2018! The meeting will take place on Wednesday, October 24th 2018. Meeting will begin at 7pm but doors will open at 6:30pm for refreshments. The location of the meeting will be at The CenterLight Healthcare Building (PACE Wallerstein Location), 2401 White Plains Rd, Bronx, NY 10467 (Corner of White Plains Rd & Waring Ave). The NYPD officers serving your community invite you to a discussion of the public safety challenges in our neighborhood. With Neighborhood policing, the Neighborhood Coordination Officers (NCO's) and the Steady Sector Officers who work with them, have been given more time and opportunity to collaborate with residents in identifying and solving local quality of life conditions and crime concerns. The same officers are assigned to our community each day so these officers learn the neighborhood, its challenges, its potential, and the people who call it home. This is a new way of doing business for the NYPD, and we need your help to make it work. We want to hear from a broad range of voices about what it will take to make all the residents of our neighborhood feel safe and secure. Please join us for what we hope will be a productive discussion.

ACTIVE SHOOTER TOWN HALL

Please join us for an Active Shooter Town Hall in our community which was sponsored by Bronx Community Board #10, Throggs Neck Community Action Partnership (TNCAP), Phipps Neighborhoods, and the NYPD 45th Precinct. It will take place on Monday, November 5 at I.S. 192 which is located at 650 Hollywood Avenue. According to NYPD Shield, active shooter situations are unpredictable, evolve quickly and vary from one attack to another. A situation can occur anywhere you have a gathering of people. There is no pattern or method to their selection of victims. In most cases, the attacks spill beyond the intended victims. Please come to be informed. This program will explore recommendations to mitigate risks from an attack, and to provide guidance to individuals so that they can prepare to respond to an active shooter situation. More commonplace occurrences happen every day in neighborhood streets throughout our community, our city, our state and our country. This event is for adults only. Hope to see you there!

CIVIL SERVICE EXAMS OPEN TO THE PUBLIC

I urge all to be mindful of the NYC Department of Citywide Administrative Services website with regard to municipal employment opportunities. As you know, some jobs require an examination that is often open to the public. Employment opportunities such as being a police officer, school safety agent, traffic enforcement agent or a child protective specialist require an examination. I understand that most employment opportunities, if not all, are mostly applied for through the Internet. This is why I am making my office available to help any person interested in learning more about the application process in hopes of having the applicant land stable employment with the City of New York. If you wish to view upcoming examinations, please visit http://www.nyc.gov/html/dcas/html/work/exam_monthly.shtml

WATER AND SEWER SERVICE LINE PROTECTION PROGRAM

Costly water and sewer repairs are an additional tax for our homeowners. Many homeowners are not aware that they are responsible for all costs stemming from repairing damaged water and sewer lines on their own property as well as to the service lines in the street. The NYC Department of Environmental Protection encourages homeowners to sign up for water and sewer line protection through American Water Resources (AWR). Once you are enrolled in the program, AWR is able to pay for damages to your water and sewer lines through the monthly fee added to your NYC DEP water bill. Monthly rates for water and sewer line protection are \$4.49 and \$8.47 respectively. If you would like more information on your eligibility, you can contact AWR at (800) 300-3570. You can also contact NYC DEP's customer service line at (718) 595-7000.
