As many as three out of four surgery patients could be receiving anti-clotting medications that they do not need, according to a study published in Annals of Surgery that challenges standard-of-care guidelines specifying that all general surgery patients receive anti coagulants. The treatment is meant to prevent formation of blood clots in the veins. In the worst cases, clots could break free and block blood flow to vital organs such as the lungs, causing sudden death. However the new findings suggest that the preventive measure may be unnecessary for most patients, and could even be harmful to a small proportion.

A new study published in PLOS ONE has found that people who take proton pump inhibitors (PPIs) had a 70 per cent increase in the risk of being admitted to hospital with infectious gastroenteritis.

Physicians should prescribe metformin to patients with type 2 diabetes when medication is needed to improve high blood sugar, the American College of Physicians (ACP) recommends in an evidence-based clinical practice guideline published in Annals of Internal Medicine. If a second oral medication is needed to improve high blood sugar, ACP recommends that physicians consider adding either a sulfonylurea, thiazolidinedione, SGLT-2 inhibitor, or DPP-4 inhibitor to metformin. The American Academy of Family Physicians has endorsed the guideline. Diabetes is a leading cause of death in the U.S. The disease can affect other areas of the body and can cause retinopathy, nephropathy, neuropathy, and coronary artery, cerebrovascular, and peripheral vascular disease complications. Type 2 diabetes is the most common form of the disease, affecting about 29.1 million people in the U.S. (90 to 95 percent of persons with diabetes).

Just 3 of many church doctrines that are not Biblical: once saved always saved, you cannot out sin God's love and Christ is not talking to them. The Holy Bible does give: Jesus Christ said sin no more (Jn 5:14, 8:11), Christ was manifested to destroy the devil's work (1Jn 3:8:9), they do worship Christ in vain teaching for doctrines the commandments of men (Mt15:9). So, if what is taught for Christian salvation is not by The Holy Bible, it would only be vain worship. So Be It!

SHOP TODAY'S LOW PRICE TAGS:

We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:

Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.

POLARIS ATV
2016 RZR-170, bought new, late March 2016, used it very little. Used it every other weekend in April, May, June, July and August 2016. Late August 2016 it was put in storage. This ATV has all the extras, fuel injection, disc brakes, full top, roll cage, front windshield, rear windshield, window net. Bucket seats, lift kit, big wheels, knobby mud tires. This ATV has never been in rocks or the woods. Tires still have casting tabs on them, ridden on dirt road that goes around the farm. The color is white with a little black and red trim. Seats and wheels are black. I paid \$6,200 dollars for it, make me an offer. For more info call me, 256-352-4644. Oct 24
