Every Mailbox, Every Wednesday

PICTURED: Tabitha Uhey with sons Ryder, 3, and baby Isaac.

## Here to help new mothers feel right at home.

Tabitha Uhey had just recently moved to nearby Manchester when it came time to deliver her baby. Arriving at the Tennova Women's Center, she was admittedly nervous about giving birth in a place she was not familiar with, but her anxiety did not last long.

"The doctors and nurses in the Women's Center are wonderful and down-to-earth," she said. "They take their time and care for their patients, and they even made my family and friends at home when they visited. I want to thank Dr. Barton and the entire staff for the wonderful work they do. My experience here was by far the best."

Tennova Women's Center - Harton delivers comprehensive, compassionate care to women of all ages, from adolescence through menopause. Our comprehensive childbirth services include labor and delivery services in a comfortable, homelike setting, as well as free prenatal classes, breastfeeding support from certified lactation counselors, a Safe Sleep program and much more.

**For more information, please call 931-393-3000 or 1-855-TENNOVA (836-6682).**

Dr. Barton is a member of the medical staff of Tennova Healthcare - Harton.

Ginny Barton, MD, FACOG

## 21 YEARS IS LONG ENOUGH

### It's Time For Change

- Our streets need fixing and fixed right, no pavement on top of pavement
- Both Mayors now need to meet with all factories once or twice a year to make sure we are keeping your job.
- The city needs to be cleaner and safer
- I would like to get tour buses stopping on the square (people get off and spend money)
- We need to put a freeze on spending
- I have a plan to save millions on trash
- We need more businesses (bring in more taxes)
- I will try to get an amusement park here, which will employ hundreds of people
- We need to make sure we keep the businesses we have
- I would like to be able to lower our property taxes
- We need better benefits & pay for city employees
- I don't serve or belong to a lot of committees or boards so I have more time to be your next mayor
- We need to work closer with the county government
- I also have a wonderful family and friends that will help me in anything I do
- We need to have a census taker (bring in more money)
- We need more tourism coming here (more tax dollars)
- We need to make sure we're all in better shape 4 years from now
- I will make sure real estate developers are helped and not hindered
