# Stewart NEBEL For County SUPERVISOR

I am asking for your vote on Tuesday November 6, 2018. I was raised in rural Davis County on a farm north of Drakesville. I am a Davis County High School graduate as well as an Indian Hills Community College graduate. I now live on my own farm along with my wife, Kylie and two daughters. We own and operate Neebz Graphix in Bloomfield.

As a county supervisor, my primary goal would be to increase communication with the citizens of Davis County by listening to their ideas and concerns and working to bring positive results. Another goal would be to establish a 5-year and 10-year plan that would address degenerated secondary road issues. One of the key factors to establish these plans would be to survey all types of traffic that travel the roadways. I will strive to meet these goals and others if I am elected.

I believe I would be a great asset in this position, and I will work hard for our county.
