The U.S. Food and Drug Administration today approved Noctiva (desmopressin acetate) nasal spray for adults who awaken at least two times per night to urinate due to a condition known as nocturnal polyuria (overproduction of urine during the night). Noctiva is the first FDA-approved treatment for this condition. Nocturia (wakening at night to urinate) is a symptom that can be caused by a wide variety of conditions, such as congestive heart failure, poorly controlled diabetes mellitus, medications, or diseases of the bladder or prostate.

A clinical trial studying the use of Verapamil (a drug currently in use for cardiovascular disease and cluster headache) in alleviating chronic rhinosinusitis (CRS) with nasal polyps revealed significant improvement in the symptoms of this subset of patients. The first study was published in the Journal of Allergy and Clinical Immunology.

Nine years ago, researchers confirmed a new standard of care for patients with incurable gastrointestinal stromal tumors (GIST), who could survive by being treated with imatinib mesylate, the breakthrough drug marketed as Gleevec.

Now long-term findings from that study estimate that nearly one in four patients treated with Gleevec will survive 10 years. Results are published in JAMA Oncology. GISTs are different from more common types of gastrointestinal tumors because of the type of tissue in which they start. GISTs belong to a group of cancers called soft-tissue sarcomas. Soft-tissue sarcomas develop in the tissues that support and connect the body, including muscles, nerves, tendons, and joints. GIST is a rare cancer, with about 6,000 new cases diagnosed in the United States each year.

Reasons for Pre-planning

• Make Logical Decisions

Pre-planning prior to an illness is less emotional; therefore resulting in more practical decisions.

• Make Your Wishes Known

Pre-plan as many details as you so desire.

• Economical

Prices are locked in with no price increases. This could save hundreds, even thousands of dollars.

• Peace of Mind

Knowing you are not leaving your final arrangements to grieving loved ones.

Stop by and let's have the "Talk of a Lifetime".

Definition of anti: oppose to or against. So, what are the so-called Christian preachers who say they are called to preach, oppose Christ's Biblical Words (Mt 7:21-27), to sin no more (Jn 5:14.8:11), worship by changed times and laws (Dan 7:25), then preach of the antichrist? It is said some cannot see the forest for the trees. So Be It!

Saving You MONEY

MITCHELL GROCERY CORP.

Local North Alabama, Folks Serving North Alabama Folks! We Truly Appreciate Your Business

IS WHAT WE ARE ALL ABOUT

SHOP TODAY'S LOW PRICE TAGS: We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS: Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.

AD PRICES EFFECTIVE WEDNESDAY, OCTOBER 31, 2018 THRU TUESDAY, NOVEMBER 6, 2018
