# SPEAK OUT

Dear "Speak Out,"

How amazing, couples can stay together almost 60 years - on Halloween! My dad and step mom almost did so. My dad had 2 grandchildren and 2 great grandchildren, from me and my son, that he didn't get to know. That is sad. And my step mom Sue had 3 step children. I was one. My brother Alfred, who passed away last January, and my younger brother Billy were her other step children.

In the interest of how "news" should always be reported correctly these days, I wanted to clear that up.

There is an old saying that was also a book title "You Can't Go Home Again." I have found that to be true.

Pamela A. Sciarrino,  
1st daughter of Joseph V. Sciarrino

Remembering My Wonderful Dad,  
**SANTO P. GERACI**

I didn't know that morning  
The pain the day would bring,  
When a golden heart stopped beating  
And I couldn't do a thing.  
No words can heal the heartache  
Or stop a silent tear,  
Or take away the memories  
Of the DAD I loved so dear.  
Your resting place I visit  
The flowers I place with care  
But nothing compares to the pain I feel  
When I turn and leave you there.

LOVING AND MISSING  
YOU EVERYDAY  
XXXOOO  
Your Daughter, JoAnne

### Home Energy Assistance Program (HEAP) 2018 – 2019

**Regular HEAP opens on November 13, 2018.**

**Emergency HEAP opens January 2, 2019.**

Apply for HEAP on-line at [myBenefits.ny.gov](http://myBenefits.ny.gov) beginning November 13, 2018.

Applying on-line is easy, applications are received by the agency right away, and allow the applicant to track the application and benefits.

Most individuals or families receiving either Temporary Assistance or SNAP benefits on September 19, 2018 will receive a one-time Regular HEAP benefit through that case and do not need to apply separately.

Livingston County residents that are unable to apply online, may request an application be mailed by calling (585) 243-7300. HEAP applications are mailed and accepted starting November 13th at the

**Livingston County Department of Social Services**

1 Murray Hill Drive  
Mount Morris, NY 14510

**It is very important to keep current on your utility bills.**

If you fall behind prior to HEAP opening contact the company and try to make some arrangement for payment.

- Non-heating electric shut offs cannot be paid with Regular HEAP Benefits.
- Interviews can be done over the phone as long as a HEAP application has been filed either through [myBenefits.ny.gov](http://myBenefits.ny.gov) or in paper form with the agency.
- Do not wait until you are out of fuel to apply for HEAP. Let us know when you are **low on fuel** (less than a quarter tank). Non-utility fuel companies may charge a delivery fee if they deliver "off route" because you are out of fuel. This charge is deducted from your HEAP grant, so you will receive less fuel from your HEAP grant.
- If you have a shut off notice on your natural gas or electric, contact us **prior to being shut off**. If service is shut off, the company does not have to accept the HEAP grant to turn it back on.

## Hello to my fellow Village Residents

My name is Edward Kenney and I will be running for a position on the village board in March. The reason I'm running is that I believe the village of Mount Morris has been getting the dirty end of the stick for far too long. Many of you know me from my days on the police department years ago. I was there when the big fight on Main Street happened. I'm not sure what the result might have been, had it not been for the members of the fire department coming to our aid. I also helped the PD navigate the rough waters after Chief DiPasquale retired. I am now a retired Lieutenant of the New York State University Police. If you add up all my part time service with MMPD and Geneseo Village Police I have over 40 years of law enforcement experience. Mount Morris is my home, but more importantly it is YOUR home.

I believe we need a full-time Police Chief and will advocate for hiring more full time officers (a priority for bilingual officers) to fill the schedule. Our property values are below market now and will plummet if there is no local PD. I don't buy the "let the sheriff do it" philosophy. I know the Sheriff, been to a few bar fights together back in the day. Nobody can serve two masters. The Sheriff has his own worries and will ALWAYS be there for needed assistance, but we need a local PD that is responsive to our needs, directly supervised by our own Chief. Remember up to 15,000 cars and tractor trailers full of god knows what, go through our village every day.

Regarding the PD, everyone is concerned about the traffic in the village. The traffic situation will only get worse without any local PD. We should coordinate with the NYSP scales and commercial enforcement to set up at least once a month. I've helped in a NYSP scales detail on Main by Connors Ave. in the past, truckswill sooner avoid the village than get the "full Monty" from the police. Speed traps work. Put a cop on foot with a laser gun and start writing. Easy enough to solve with local control of the PD.

The Fire Department looks to be on its last legs as far as the equipment and building are concerned. How long has this been a problem? Somehow it became a political football, and little has done about it. Do you know that your fire insurance will skyrocket without a FD? The heavier trucks are now parked off site because the floor of the current building is slowly collapsing into the basement. I've been told the trucks are all very old and constantly breaking down. I don't care if we must start a go fund me page for the FD or hold a bake sale but LET'S GET IT DONE!

How many apartments and rental houses/properties are in the village? 200? 700? That's the range of current estimates. Do you own an apartment building? I don't. There are probably 10-20 different entities that own most of the rentals in Mount Morris. I propose a rental property tax of only a dollar a day for each rental (house, apartment, room etc.) Then add to it a sliding scale of rental building tax (from \$0-100 a month). If you live in a house, you can exempt one apartment. If you own a business property and pay over \$1000 a year in sales tax all the apartments in the building are exempt. If we have anywhere close to the 700 rental properties that should be well over 250,000 a year. I'm tired of absentee landlords picking over the bones of the village while the salt of the earth that made this town great get shafted at every turn.

Another thing I will advocate for is a moratorium on any rooming house or hotel development until we can take a long serious look at our codes to avoid a conflict with what the law says and what is just good common sense. Any disputes as to the number of apartments etc., it will be decided in open village court, not by any appointed official. If you get caught with a bootleg apartment; heavy fines.

I am not a politician, I might get beat bad. I don't know the first thing about how to get any of this done. Anything I have put forward is a starting point and a talking point. Let's get it done together. I can promise you this, I'll keep you fully informed, and it will all be above board in the full light of day. One more thing: I'll do it for free.

## Hola amigos hispanos de Mount Morris

Me gustaría tomar un momento para presentarme a ustedes. Mi nombre es Edward Kenney y me gustaría su voto en marzo para ser miembro del consejo del pueblo de Mount Morris. Si mi nombre suena familiar, es porque yo trabaje en el departamento de policía de Mount Morris muchos años atrás. Desde entonces me he jubilado de la policía universitaria del estado de Nueva York en Alfred, Nueva York, donde era el comandante (teniente) de vigilancia nocturna.

Como muchos de ustedes estoy cansado de los arrendadores en el pueblo quitándonos el dinero, riéndose todo el camino hacia el banco, y rara vez haciendo los arreglos o mejoras en las viviendas. Yo estoy proponiendo que el pueblo imponga impuestos de departamentos para cada unidad y edificio en el pueblo. Yo voy a abogar para que contraten policías bilingüe tiempo completo y que contraten un jefe de policía. Todos los días camino por el pueblo con mi perro y veo el tráfico y entiendo lo peligroso que puede ser.

Yo propongo usar ingresos generados para pagar a la fuerza de policía y actualizar el departamento de bomberos. Yo voy a proponer que el inspector de los edificios, al igual que como se hace en otros pueblos, vuelva a inspeccionar todos los apartamentos para asegurar la salud y seguridad de los futuros inquilinos antes de rentar. Todos los alquileres deben ser relativamente limpios y sin infestaciones. Cualquier propietario con apartamento secreto se enfrenta a fuertes multas.

Solo porque has caído en tiempos difíciles no le da el derecho a nadie de tomar ventaja de **su ode nuestro pueblo**. Yo les pido que se registren para votar lo antes posible, y les pido gentilmente que me den su apoyo en el día de elecciones. Dios los bendiga a todos, y gracias.

*In Loving  
Memory of our  
Dear Father*

**November 4, 2017**

*God saw you getting tired  
and a cure was not to be.  
So He put his arms around you  
and He whispered "Come to Me"  
With tearful eyes we watched you.  
We watched you fade away.  
Although we loved you dearly,  
We could not make you stay.  
A golden heart stopped beating,  
Hard-working hands at rest.  
God broke our hearts to prove to us,  
He chose to take the best.  
It's lonesome here without you  
we miss you more each day.  
Life doesn't seem the same  
since you have gone away.  
When days are sad and lonely  
and everything goes wrong,  
we seem to hear you whisper  
"Cheer Up and Carry On"  
Each time we see your picture  
you seem to smile and say,  
"Don't cry, I'm in God's hands,  
we'll meet again someday!"*

## I FOUND A BAT IN MY HOUSE!

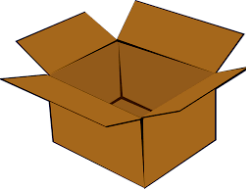

**You could be subject to getting rabies vaccinations if the bat is not tested.**

Bats are important in the environment but can cause a serious health risk in the home. Bat bites can transmit rabies. Sometimes even if a bite isn't known you might need to undergo rabies treatment, particularly if an exposure could have occurred while sleeping. **Once rabies is contracted it is nearly always fatal.**

### If you find a bat in your home:

1. Keep it isolated to one room if possible.
2. Capture the bat if you are comfortable doing so. Wait until it lands and then place a can, plastic container or box over it. Slide a paper under it and then place a cover on top to contain it. You may also contact a wildlife removal specialist to capture it.
3. If the bat is killed, the head must not be crushed or destroyed to allow testing.
4. Call the Livingston County Department of Health, Center for Environmental Health, at (585) 243-7280 / (585) 335-1717. For after hours emergencies, call the Livingston County Sheriff's Office at (585) 243-7100.

Have the doctors done all they know to do?  
 Have you exhausted all efforts to get well?  
 And still you are not any better?

We met Joe several years ago near Penn Yan. In talking with him, he revealed how he had been diagnosed with brain cancer. Joe was not just concerned about his health, but also about how his family would get along after he passed away. We called upon the name of the Lord for Joe and his family, taking authority over the cancer in the name of Jesus. The following week, the oncologist told Joe there was no more cancer - it was miraculously gone. Four years later we saw Joe, doing very well. God is good. God heals. Nothing is too hard for Him.
