SPEAK OUT

Dear "Speak Out,"

VETERAN'S DAY is this Sunday - November 11th. Do you know:

THE HISTORY?

Originated as "Armistice Day" on November 11, 1919 - the first anniversary of the end of WWI; Congress passed a resolution in 1926 to make November 11th an annual observance; in 1938 November 11th became a National Holiday; in 1954 President Eisenhower officially changed the name of the day from Armistice Day to Veterans Day; in 1968 Congress moved the date to the 4th Monday in October - to go into effect in 1971; in 1975, due to the significance of the original date, President Gerald Ford returned the date back to November 11th.

THE IMPORTANCE?

Unlike Memorial Day - **VETERANS' DAY** is a day set aside each year to pay tribute and respect to all Veterans - living or dead - serving or retired - who honorably served or serve our country during war or peacetime.

HOW TO SHOW YOUR RESPECT?

On November 11th take your family and attend a Veteran's Day event; On Veteran's Day - November 11th - and everyday :

Ask a Veteran now in service - or retired - to tell you about a remembrance that is special to him or her; visit a grave site of a Veteran; say "thank you for your service" to any Veteran - in uniform or wearing a symbol of past service - a hat or coat; stand and place your hand on your heart when a flag passes by or is raised or lowered in your presence, or when the National Anthem is sung or played; **FLY YOUR FLAG WITH PRIDE!**

With sincere gratitude to all our heroes on behalf of the Auxiliary of the Boyd-Parker VFW Post #547 of Mount Morris, NY

Elizabeth Stevens, VP

Positively Mount Morris

New Mount Morris Police Chief

I spent part of my first day on the job walking Main Street in Mount Morris and visiting with some of the businesses. While at the Mount Morris Shopper, they offered the Positively Mount Morris section to enable me to introduce myself to the community.

At first I thought to myself "no one wants to know about a transplant from the other side of the river," and then wondered "What is Positively Mount Morris?" Well...last night (October 31st), I finally realized what Positively Mount Morris was!

Chief White and his wife have resided in Leicester for the past 36 years, where they raised four boys. After 25 years in Law Enforcement, he retired as Chief of Police from Geneseo Police Department in 2003.

His resume includes 19 years for Geneseo, plus various years in the Monroe County Sheriff's Department, as well as Fairport and Caledonia Police Departments. He recently resigned as Leicester Town Justice after 6 years, to come help out in Mount Morris for the next few years.

Last night I worked my first Halloween Detail in many years. I was able to walk around with the officers and visit with some residents.

The Fire Department had its doors open, the shops brought people to the street, and residents were sitting on porches and in lawns to meet the trick-or-treaters. The level of decoration and interactive displays at several residences was unbelievable. I watched the officers not only control the traffic for everyone's safety, but they truly interacted with the groups walking around. If it wasn't for the light rain, this scene had the familiarity of a Norman Rockwell painting. The was Positively Mount Morris and unfortunately, something that has left too many small communities.

An important part of Positively Mount Morris is your police department. You have officers that have served the community for years. They have been through several storms, but the ones that remain, stay for the love of the job and the love of serving this community. They continue to work long hours not because they want to, but because they have adopted you as their extended family and truly feel that no one can provide you with a higher level of safety and service than they can. I'm here for the same reason.

Yes, we still have some hurdles to overcome, but rest assured, we will continue to provide the community with the best service possible under present conditions. I look forward to hearing your concerns and comments whether good, bad or indifferent. I try to be in the office Monday through Friday from 1-5 PM or I may be reached by email at richard.white@mountmorrisny.us. Remember, we are only as strong as our community support.

Thank you
Richard W. White - Police Chief

The Clinton Family Thanks All Of You!

We are so grateful to family, friends, our community and surrounding communities that have supported our family during my recovery from my kidney transplant. From visits to meals, basket donations to cash and cards, texts and phone calls, we are so appreciative to all and everyone for their endless support.

Thank you to Jo Clinton, Bill and Betty McTarnaghan for their endless support and for always being here for us.

A very special thank you to Cathy Sullivan, Amy Pike and Vicki Enser for organizing the benefit for our family and to all the helpers that made it a nice, successful and enjoyable event.

Through this journey, I have had God and the love and support of all of you and for this I am blessed. Recovery is slow but I am a fighter!

*Thank you and God Bless,
 Tina, Corey and Ellie Clinton*

LEAD POISONS PEOPLE. It is especially harmful to children. If lead gets into a child's body, it can cause a lower IQ, hearing loss, growth problems, behavioral problems and brain and nervous system damage. Health care providers are required to test every child for lead at age one and at age two. Only a blood test for lead can determine if a child has lead poisoning. During National Childhood Lead Poisoning Prevention Week 2018, October 21 through October 27 and throughout the year, all parents should ask their health care provider about their children's risk for lead poisoning. Lead is not only found in older homes – it can be found in your children's toys. For more information on lead poisoning prevention, call the Livingston County Department of Health at 243-7299.

Appreciative, Thankful, Overwhelming, and Unbelievable

are a few words to describe how we feel about the 7th Annual Boobie Party that was held on Saturday, October 6, 2018 at Woodlynn Hills Golf Course. Each year the party seems to get bigger and the outpouring of donations exceeds our expectations!

We had over 400 people in attendance, over 300 items donated and raised over \$36,000 for the Boobie Party!

In 2018 we also have become a 501c (3) not for profit organization.

We would like to give a special Thank You to Russ Barber, Glyn & Christa Hartigan (and staff at Whistling Farmer Pub), Jason Carpenter, Jean Angillilli, Kevin Pike, Bob Gath, Bob Kelly and Andy Sanderson. Also to our "helpers" this year: Ciara Claud, Claire Sullivan, Mason Pike, Jenna Coon, Emerson Willett, Jenna Weir, Alyssa Cornelius, Elizabeth Young, McKenzie Miller, Evelyn Morf, Stacy & Hailey Wilson, Theresa Moore, Deb Schoonover, Lois Gascon, Madisyn Gascon and Patty Knouse. We would also like to thank the people who have donated memorials to us in honor of their loved one, sold and bought tickets and t-shirts throughout the year, and those who donated or participated in our 2nd Annual Golf Tournament.

This is the list of our generous donors:

Opioid Abuse Awareness Campaign

Mount Morris, New York- The opioid crisis continues to devastate communities across the nation including Livingston County. The New York State Association of Counties (NYSAC) has partnered with the New York State Association of Coroners and Medical Examiners (NYSCCME) to create a campaign to bring awareness to the signs of opioid abuse. Advertisement that will run on television stations throughout New York State.

A comprehensive website, ny.seethesignssavealife.org, was created to anchor this campaign and is a resource for those who are affected by this epidemic. To view the PSA and other resources from NYSAC, please visit <http://www.nysac.org/opioids>.

“From ‘first responder’ law enforcement receiving calls for help, to the ‘last responder’ Coroners and Medical Examiners confirming the cause of death, local government officials confront the effects of addiction and opioid abuse in our communities every day,” explained Stephen Acquario, Executive Director of NYSAC. “We need to continually educate and inform our communities of the danger associated with opioid abuse. We are hopeful that this campaign will raise awareness of the signs of addiction before it’s too late. We can all encourage our families, friends, and neighbors to seek help and break the all too familiar cycle of use, abuse, addiction, overdose and death. It’s never too late to see the signs and save a life.”

If you or a family member are struggling with drug addiction The Amnesty Program can help.

For more information regarding local resources in Livingston County, please call CASA-Trinity at (585)991-5012 or (585) 335-5052. In addition, the Amnesty Program in Livingston County is a collaboration between CASA-Trinity and the Livingston County Sheriff’s Department. Here is how it works:

1. Voluntarily turn in your drugs and/or paraphernalia and you will NOT be arrested.
2. Call one of the following offices and mention the Amnesty Program:
 - The Livingston County Sheriff’s Office (585-243-7100)
 - Livingston County Mental Health Services (585-243-7250)
 - CASA-Trinity (585-991-5012)
 - Livingston County DSS (585-243-7300)

Protect Your Child from the Hazards of Lead

If you have children, you should know that lead poisoning is the number one preventable environmental health threat in the United States. Although it is true that children living in older homes are at greatest risk, lead can also be found in your children's toys, which makes lead poisoning a danger to every family. Lead poisoning from paint chips is the most talked about threat, but lead can also get in the body by breathing or swallowing dust or soil and can sometimes be found in drinking water.

The only way to know if your child has lead poisoning is to get a blood lead test. In New York State, all children must be tested for lead exposure at or around age one and again at age two.

Childhood Lead Poisoning Prevention Week 2018 was observed October 21st through 27th. The Livingston County Department of Health reminds parents that most children with lead poisoning do not look or feel sick. Children with both low and high levels of lead in their bodies can suffer from brain and nervous system damage, behavioral and learning problems, slowed growth, hearing loss and headaches. The first step in preventing lead poisoning is to keep your home in good repair. If you live in a house or apartment built before 1978, it's important to properly repair any peeling paint properly. When paint flakes are disturbed, the home can become filled with lead-containing dust.

Call the local health department before you do any remodeling to find out how to paint and repair safely. Frequent washing of children's hands, toys, and pacifiers is an effective way to keep lead from accumulating. The Livingston County Department of Health also recommends cleaning floors often with a damp mop, and use damp cloths to clean windowsills.

For the latest toy recalls from lead contents, please visit our website at www.livingston-county.us/doh.htm to be sure your child does not have these toys. For more information on how to protect children from lead exposure, please call the Livingston County Department of Health at 243-7299.

Could You Use a Prayer of Faith?

- We are here to pray for the sick, for those whose doctors have done all they can do.
- We are here to bring the power and love of God into situations that seem impossible.

Jesus told His followers to go and lay their hands upon the sick and the sick would recover (Mark 16:17,18). We have a fervent passion to see God's healing and miracle working power show up. And the great thing is that it does not matter if you've never gone to church. This isn't about church, it is about His love for you.
