Every Mailbox, Every Wednesday

PICTURED: Tabitha Uhey with sons Ryder, 3, and baby Isaac.

Here to help new mothers feel right at home.

Tabitha Uhey had just recently moved to nearby Manchester when it came time to deliver her baby. Arriving at the Tennova Women's Center, she was admittedly nervous about giving birth in a place she was not familiar with, but her anxiety did not last long.

"The doctors and nurses in the Women's Center are wonderful and down-to-earth," she said. "They take their time and care for their patients, and they even made my family and friends at home when they visited. I want to thank Dr. Barton and the entire staff for the wonderful work they do. My experience here was by far the best."

Tennova Women's Center - Harton delivers comprehensive, compassionate care to women of all ages, from adolescence through menopause. Our comprehensive childbirth services include labor and delivery services in a comfortable, homelike setting, as well as free prenatal classes, breastfeeding support from certified lactation counselors, a Safe Sleep program and much more.

For more information, please call 931-393-3000 or 1-855-TENNOVA (836-6682).

Dr. Barton is a member of the medical staff of Tennova Healthcare - Harton.
