**"What the mind can conceive and believe, it can achieve"**

This is a wonderful quote from Napoleon Hill. Thinking about making a New Year's resolution? If so, why not try hypnosis, an effective, scientifically proven tool to help you reach your goals.

Hypnoterapy works! Simply stated, hypnosis is a trance-like state or deep state of relaxation where your subconscious mind is more open to receive ideas and suggestions. It has been described as 'half-awake, half-asleep'. It is very similar to that 'miles away' feeling you probably find yourself in from time to time when you let your mind wander. Hypnotic states are often compared to a pleasant state of relaxation. Everyone experiences this state many times during the day. This includes that time just before falling asleep at night. Meditation, daydreaming, being absorbed in a book or music or television, driving and arriving at your destination without recalling all the usual landmarks... these are a few examples of a hypnotic state.

Hypnosis is an effective and natural technique for accessing the subconscious mind - the key to unleashing our potential, changing our unwanted habits and behaviors, and finding solutions to our problems and concerns.

Hypnosis is often associate with people on stage quacking like a duck or clucking like a chicken. This is called

"Stage hypnosis" which is fun watch. It is important to note that the people up on stage are all willing to be silly. Trained Stage Hypnotists choose very carefully these people. They can see their desire for the attention, if they are open to suggestion, and are pre-screened to be easily hypnotized. In other words, they choose to quack like a duck or cluck like a chicken in front of an audience.

As with stage hypnosis, it is crucial that you understand that ALL HYPNOSIS IS SELF HYPNOSIS. You can feel perfectly safe under hypnosis knowing that your conscious and subconscious mind will reject any suggestion for which you do not fully agree. You are in control! Hypnosis can produce life-long positive changes in the manner in which you approach dining, smoking, handling anxiety/depression and so more.

For more information, contact Lori Kleinsmith, Certified Hypnotist and owner of Pinnacle Hypnosis and Therapies, 400B S. Fourth St., Hamburg, PA 19526, 610-823-4160, www.pinnaclehypnosis.com.

Everyone is welcome to join in Pinnacle Hypnosis and Therapies' Anniversary Celebration held on Saturday, Dec. 8th, 9am to 3pm. Refreshments, samples and 20% discount on all in-stock products! Plus...Debi Fegley will also be there with Aqua Foot Detox.

**READER'S Recipe**

**BUCHE DE NOEL**  
 (Flourless Christmas Cake)

2 cups heavy cream      1/3 cup unsweetened cocoa  
 1/2 cup confectioners' sugar      powder  
 1/2 cup unsweetened cocoa      1 1/2 teaspoons vanilla extract  
 powder      1/8 teaspoon salt  
 1 teaspoon vanilla extract      6 egg whites  
 6 egg yolks      1/4 cup white sugar  
 1/2 cup white sugar      confectioners' sugar for dusting

Preheat oven to 375 degrees F. Line a 10x15 inch jellyroll pan with parchment paper. In a large bowl, whip cream, 1/2 cup confectioners' sugar, 1/2 cup cocoa, and 1 teaspoon vanilla until thick and stiff. Refrigerate.

In a large bowl, use an electric mixer to beat egg yolks with 1/2 cup sugar until thick and pale. Blend in 1/3 cup cocoa, 1 1/2 teaspoons vanilla, and salt. In large glass bowl, using clean beaters, whip egg whites to soft peaks. Gradually add 1/4 cup sugar, and beat until whites form stiff peaks. Immediately fold the yolk mixture into the whites. Spread the batter evenly into the prepared pan.

Bake for 12 to 15 minutes in the preheated oven, or until the cake springs back when lightly touched. Dust a clean dishtowel with confectioners' sugar. Run a knife around the edge of the pan, and turn the warm cake out onto the towel. Remove and discard parchment paper. Starting at the short edge of the cake, roll the cake up with the towel. Cool for 30 minutes.

Unroll the cake, and spread the filling to within 1 inch of the edge. Roll the cake up with the filling inside. Place seam side down onto a serving plate, and refrigerate until serving. Dust with confectioners' sugar before serving.
