Times are a-changing, and so are our prices...

Dear Advertiser,

Due to the rising costs of virtually everything, we have seen multiple price increases on various aspects of our business over the past few years.

While we've tried to maintain our pricing schedule for the benefit of our customer base, it has become apparent that we can no longer absorb these rising costs.

As we look back, we see that our last price increase took place in 2014. After five years, we knew it was time to make a change.

So, beginning January 1st, 2019, our new pricing schedule will take effect.

We appreciate your patronage over the years and we look forward to many more years of working with you to serve you better.

Please call with any questions. (585) 658-3520

Thank You ~

Thank You!!!

During this difficult time with the passing of my son Tyler Michaels, there are so many people that I need to thank. MMCS Superintendent Greg Bump and staff for helping transition my grandson back to school. The Mount Morris Ambulance crew for the care they gave my son, Trevor and Amanda and the crew for making sure we had flowers. The MMPD, Ryan Regal, Terry Soto and Chief White for their compassion. Chuck and Mary DiPasquale for food and kind words, Navient and Pioneer for their generosity and kind words. Katie, Ryan, Brad and Carson for all their moral support. My work mate of ten years, Brenda Milroy, who holds my hand every day. My guardian angels Dan and Deb Schull, Bob Santini and his staff, Casie DiSalvo, and my sister Jen Lapiana, Chad and her family. There are too many folks to mention. I will forever be in debt to them for their loving and caring for myself and my family. From the bottom of our hearts we thank everyone who has been here for us during this tragedy.

Holiday Memorials

The Christmas Season can be one of the happiest times of the year. Yet it can also be a difficult one too as the holidays tend to stir memories of loved ones who have passed before us. As a way of remembering those we have lost, the Mount Morris Shopper will sponsor its annual holiday memorial pages in the Sunday, December 23rd edition.

All proceeds will be donated to Livingston County Hospice

Pitching Great Ideas to the Boss

This course aims at supplying a basic framework to assist employees in presenting thoughtful and well-researched ideas to management with a clear focus on company needs, policies and resources. This course is appropriate for any employee who does not have a management background, as the focus will be on what factors management usually take into account when evaluating an employee suggestion. It will be of specific benefit to those who wish to develop or modify existing procedures. It will also be of direct benefit to employers who wish to have a group of employees tackle a specific company problem.

Phlebotomy Technician Program

The phlebotomist is a vital member of the clinical laboratory team, whose main function is to obtain patient's blood specimens by venipuncture and microcollection for testing purposes. Phlebotomists are employed throughout the healthcare system including hospitals, neighborhood health centers, medical group practices, HMO's, public health facilities, veteran hospitals, insurance carriers and in other healthcare settings. The demand for phlebotomy technicians has increased substantially with the overall complexity of healthcare services and the risks of infectious disease.

Digital Photography – Maximize Your Camera's Use

Want to get more out of your digital camera? Learn the bells, whistles and menu commands on your camera and more importantly when to use them. Also learn how to use your DSLR, Point & Shoot and Smart Devices! Every camera is made up of four basic components: the body, sensor, shutter and lens. All digital cameras have these same features. This workshop will describe the advantages and disadvantages of all digital cameras. You will learn the pros and cons of each, and take advantage of the limitations to make interesting images. Demonstrations and practice will be provided to explore the settings of your camera. You will learn how to shoot photographs under a variety of lighting situations. Topics discussed in class will be applied to assignments shot outside of class as homework and experiences will be reviewed. Bring: Digital camera, media card and manual.

NEW! Discover Belly Dance

Students will learn the basic of belly dancing - the oldest recorded form of dance in the world. Work out your hips and core, explore a different culture and have fun! You will learn basic moves, key terms with a little history and build to a full choreography at the end of the 8-week session. This is a dance that can be done and enjoyed by any shape, size or age of person. It is very low impact, safe, and there are always modifications that can be made to the moves. This course is for men and women of any age. You can take this class for exercise, to learn Belly Dancing or to learn some new combinations for the dance floor. Students are welcome to purchase their own belly-dance hip wraps if they like, but they are not required. The instructor will have hip wraps that can be borrowed during class time. You will want to wear comfortable clothing to move in, but no jeans. No shoes are needed as we dance barefoot or in socks.

Upon completion of this course, students will learn: Basic belly-dance moves, choreography, key terms, history and be able to complete a performance of the dance.

Could You Use a Prayer of Faith?

- We are here to pray for the sick, for those whose doctors have done all they can do.
- We are here to bring the power and love of God into situations that seem impossible.

Jesus told His followers to go and lay their hands upon the sick and the sick would recover (Mark 16:17,18). We have a fervent passion to see God's healing and miracle working power show up. And the great thing is that it does not matter if you've never gone to church. This isn't about church, it is about His love for you.

LIVINGSTON COUNTY CAREGIVER RETREAT
NOTE OF THANKS

We would like to thank the following for their contributions to the **9th Annual Caregiver Retreat** held November 17th at Celebrate Family Church in Leicester during **National Caregiver Awareness Month**.

Attendees listened attentively to keynote speaker, Dr. David Davis, former caregiver to his wife and co-author of the book, *Support the Caregiver: 9 Strategies for turning the stress of Alzheimer's caregiving into transformational growth*. Dr. Davis spoke from his experience with a strong passion to inspire caregivers to maintain a healthy lifestyle, implement strategies for self-care, encourage a shift in thinking to live life with positivity, and empowerment to move forward with growth and healing.

Special thanks to the Geneseo & York/Leicester Kiwanis who contributed many donations, prepared lunch, and coordinated set-up for the event. Many hands made this a memorable day for area caregivers and seniors. This event would not have been possible without support from these local organizations and donors:

- Alzheimer's Association Rochester and Finger Lakes Chapter
- Abbey of the Genesee
- Barilla
- Celebrate Family Church
- Geneseo & York/Leicester Kiwanis
- Lifespan Finger Lakes Caregiver Institute
- Livingston County Office for the Aging/NY Connects
- Lori McEvoy and the Rochester Mental Health Association
- Mama Cindy Strasburg
- Quality Inn, Geneseo
- Rochester Regional Health
- St. Luke the Evangelist Church
- UR Medicine|Noyes Health
- Local vendors who donated door prizes and our many volunteers!

For more information on available support services for caregivers, contact the Caregiver Resource Center at UR Medicine|Noyes Health: 335-4358 or caregiver@noyeshhealth.org

“Respite: Care for Caregivers”

Respite – the chance to take a breather, the opportunity to reenergize – is as important as any other item on your caregiver’s to-do list. People think of respite as a luxury, but considering caregivers’ increased risk for health issues from chronic stress, those risks are a lot costlier than some time away to recharge. **Respite is the key to your own well-being. Respite protects your own health, strengthens family relationships, prevents burn-out and allows your loved one to stay at home up to three times longer.**

No wonder respite is one of the most frequently requested support services for family caregivers.

Respite can be provided in-home or away from home. There are several options for respite care in Livingston County, including in-home care, adult day programs and social programs. Social day programs for those with memory loss are located in: **Mt. Morris, Geneseo and Dansville.** *Out of home respite care provides caregivers and care recipients with a much different experience than in-home respite. It allows care recipients to interact socially and engage physically.*

For more information about respite options, contact the **Caregiver Resource Center** at Noyes: 335-4358 or caregiver@noyeshhealth.org.
