Best Sugar Cookie Recipe

Ingredients

For the Cookie Dough:

- 3 c. all-purpose flour, plus more for surface
- 1 tsp. baking powder
- 1/2 tsp. kosher salt
- 1 c. (2 sticks) butter, softened
- 1 c. granulated sugar
- 1 large egg
- 1 tsp. pure vanilla extract

For the Buttercream Frosting

- 1 c. (2 sticks) butter, softened
- 5 c. powdered sugar
- 1/4 c. heavy cream
- 1/2 tsp. pure almond extract
- 1/4 tsp. kosher salt
- Food coloring

Directions

1. In a large bowl, whisk together flour, baking powder, and salt and set aside.
2. In another large bowl, beat butter and sugar until fluffy and pale in color. Add egg, milk, and vanilla and beat until combined, then add flour mixture gradually until totally combined.
3. Shape into a disk and wrap in plastic. Refrigerate 1 hour.
4. When ready to roll, preheat oven to 350° and line two baking sheets with parchment paper. Lightly flour a clean work surface and roll out dough until 1/8" thick. Cut out shapes and transfer to prepared baking sheets. Freeze 10 minutes (so your shapes hold while baking!).
5. Meanwhile, make frosting: In a large bowl using a hand mixer, beat butter until smooth, then add powdered sugar and beat until no lumps remain. Add cream, almond extract, and salt and beat until combined.
6. Bake cookies until edges are lightly golden, 8 to 10 minutes.
7. Let cool, then frost and decorate as desired.

WATER AND SEWER SERVICE LINE PROTECTION PROGRAM

Costly water and sewer repairs are an additional tax for our homeowners. Many homeowners are not aware that they are responsible for all costs stemming from repairing damaged water and sewer lines on their own property as well as to the service lines in the street. The NYC Department of Environmental Protection encourages homeowners to sign up for water and sewer line protection through American Water Resources (AWR). Once you are enrolled in the program, AWR is able to pay for damages to your water and sewer lines through the monthly fee added to your NYC DEP water bill. Monthly rates for water and sewer line protection are \$4.49 and \$8.47 respectively. If you would like more information on your eligibility, you can contact AWR at (800) 300-3570. You can also contact NYC DEP's customer service line at (718) 595-7000.

HOME ENERGY ASSISTANCE PROGRAM (HEAP)

The NYS Home Energy Assistance Program Benefit (HEAP) is available! As you know, HEAP assists low-income people with their heating costs. Eligibility and benefits are based on income, household size, primary heating source and whether or not a household member is under six years of age or over 60. You may be eligible even if you own your home or pay for heat as part of your rent. To be sure, there are income guidelines. For example, a household size of four may not exceed a gross monthly income of \$4,598. A household size of one may not exceed a monthly gross income of \$2,391. If you think you are eligible and wish to apply, please visit 1932 Arthur Avenue, Ground Floor, Bronx, NY 10457 or contact my office so that we can schedule a time for you to pick-up an application.
