Lose to Win has by far changed mine and my family's lives. I don't think we would have ever lost this much weight without the competition, support, or the accountability!

- Rhonda T.

I love the accountability aspect of this program. It is a wonderful community full of inspiring people.

- Will P.

Lose to Win helps me stay focused. I learn something new every time I participate. All my team mates support we no matter if I lose or gain. Joe has taught us this is a journey and he is always there for us.

- Regina K.

The accountability that lose to win provides is absolutely tremendous! This program has provided me and my family and opportunity to create a healthy and physically active lifestyle that we likely would not have created otherwise.
