Seasons Greetings! The BEST Center wishes you peace, joy and prosperity in the coming new year!

Pitching Great Ideas to the Boss

Almost all major companies in the U.S. offer incentives to encourage great ideas from their employees. Cost and efficiency savings, customer satisfaction and employee safety are all directly impacted by good suggestions coming from the workforce. This course aims at supplying a basic framework to assist employees in presenting thoughtful and well-researched ideas to management with a clear focus on company needs, policies and resources. This course is appropriate for any employee who does not have a management background, as the focus will be on what factors management usually take into account when evaluating an employee suggestion. It will be of specific benefit to those who wish to develop or modify existing procedures. It will also be of direct benefit to employers who wish to have a group of employees tackle a specific company problem.

The Regional Economic Development (REDC) initiative was launched by Governor Cuomo in 2011. As part of the plan, 10 Regional Councils were developed across the state, with the goal of developing long-term strategic economic growth within each region. Each Regional Council is made up of public and private organization leaders in each region and headed by co-chairs. The co-chairs of the Finger Lakes Regional Council are Robert Duffy and Anne Kress.

Could You Use a Prayer of Faith?

Would You Like To Have
 A Gift From God
 This Christmas?

Mark 16:18 says "they will lay their hands on the sick and they (the sick) will get well."

Please notice that there are no qualifications for us to come and lay hands on you and pray for you, except that you be sick. Scripture doesn't say you have to be good enough, or that you have to have done anything to qualify yourself for prayer and the laying on of hands. Only that you be sick. He (Father God) wants to bring a special Christmas gift to you in 2018 - His healing.

Give Us A Call.

We'd Love To Come Pray For You!
