Start the New Year With Hypnosis... It Works!

By Lori Kleinsmith, Certified Hypnotist
Pinnacle Hypnosis and Therapies

"The beauty, power and wonder of hypnosis as both a natural human phenomenon and a tool with which to help and heal lies in how it can so dramatically alter perception." What a great and accurate statement by Mark Tyrell, Co-founder of Hypnosis Downloads. Let's take a look at what Mark is saying: "The beauty, power and wonder of hypnosis" When using hypnosis results can be remarkable. The power (your power) and beauty (your beauty) of the subconscious mind (your subconscious mind) is wondrous. You are always in control and therefore in power. When a person is hypnotized they have the ability to accept or reject any suggestions that are given by the hypnotist. They cannot surrender their will or reveal any secrets. "Natural human phenomenon" Everyone enters natural hypnotic states multiple times a day. For example: Lets say you are driving to work. You enter your car, start the engine, put it in gear and off you go to work. As you are driving your subconscious mind starts to think about other things such as what you saw on TV that morning or remembering a conversation you had with your children or spouse. Next thing you know you are pulling into your parking spot at work. You really don't remember the whole drive but you were in control of the car. You were able to brake when needed and accelerate. You still

knew what roads and turns to take. Those times your subconscious mind was thinking of other things as you were driving, you were in a natural hypnotic state and still in control. "A tool with which to help and heal in how it can so dramatically alter perception." When hypnosis is mentioned many people associate it with weight loss and smoking cessation. What many people don't know is that hypnosis is also a natural tool that helps people with stress & anxiety issues, pain management, remove fear, sports improvement, test anxiety, motivation, concentration, sexual issues, relationships, anger issues to name just a few. The deep relaxation helps to dramatically alter perception along with hypnotic suggestions given during the session by the hypnotist. You too can feel the beauty, power and wonder of hypnosis. Hypnosis, the natural, human phenomenon and tool which helps assist your healing. Hypnosis works! Why are you suffering when help is available? Offering compassionate, motivational and individualized sessions. For more information contact: Pinnacle Hypnosis and Therapies, 400B S. Get Back On Track With Healthy, Low-Fat Dining

At the start of a new year, many people resolve to get in shape and lose weight. Diet and exercise have long been the ideal recipe for shedding pounds. In order to do so, a person must create a calorie deficit, which occurs when a person burns more calories than he or she consumes. Healthy, low-fat and low-calorie foods can help people create a calorie deficit. This recipe for "Smoked Haddock on a Nest of Potatoes" from Sue Kreitzman's "Low Fat for Life Cookbook" (DK) checks in at just 221 calories per serving with 2 grams of total fat, making it a great choice for those who want something light and healthy.

SMOKED HADDOCK ON A NEST OF POTATOES
Serves 2

1/2 pound potatoes, scrubbed but unpeeled
2 pinches paprika

Oil water spray (see below)
Salt and freshly ground black pepper
2 pieces smoked haddock, each about 5 oz, skinned and bones removed
Bunch of watercress to garnish

Slice the potatoes paper-thin. Using the slicer on the side of a grater is the best way to get fine slices. Put into a colander and rinse well, then drain and dry in a dish towel. Toss the slices with a pinch of the paprika and a spritz of oil-water spray. Spray a baking sheet and spread the slices out. Bake in a preheated oven for 10 minutes, then stir them, spread out again, and bake for about 5 minutes more, until tender and browned. They should be crisp in patches. Sprinkle a pinch of paprika and a grinding of pepper over the fish. Lightly salt the potatoes and arrange in two piles on the baking sheet. Place a piece of fish over each pile of potatoes. Bake for about 7 minutes at 475 F, until just done. Garnish with watercress and serve with sautéed mushrooms alongside, if desired.

OIL-WATER SPRAY
Fill a new, clean plant mister or small plastic spray bottle with 7/8 water and 1/8 desired oil. Give the bottle a good shake before using it to spray food or pots and pans. This oil-water spray cuts down on calories and makes for low-fat cooking.

HAM & POTATO SOUP

- | | |
|---|--|
| 3 1/2 cups peeled and diced potatoes | 1/2 teaspoon salt, or to taste |
| 1/3 cup diced celery | 1 teaspoon ground white or black pepper, or to taste |
| 1/3 cup finely chopped onion | 5 tablespoons butter |
| 3/4 cup diced cooked ham | 5 tablespoons all-purpose flour |
| 3 1/4 cups water | 2 cups milk |
| 2 tablespoons chicken bouillon granules | |

Combine the potatoes, celery, onion, ham and water in a stockpot. Bring to a boil, then cook over medium heat until potatoes are tender, about 10 to 15 minutes. Stir in the chicken bouillon, salt and pepper.

In a separate saucepan, melt butter over medium-low heat. Whisk in flour with a fork, and cook, stirring constantly until thick, about 1 minute. Slowly stir in milk as not to allow lumps to form until all of the milk has been added. Continue stirring over medium-low heat until thick, 4 to 5 minutes.

Stir the milk mixture into the stockpot, and cook soup until heated through. Serve immediately.

I Don't Need To Advertise

You're Right... There is a time **NOT** to advertise, when...

1. You have no competition.
2. You have all the business in town.
3. There are no new people moving into your area.
4. You want to keep your large inventory.
5. You have more business than you can handle.
6. The birth rate is zero.
7. You have more than enough friends that shop your business, keeping you far too busy.
8. You've netted your third million (after taxes).
9. You have no desire to work hard.
10. You would have to hire more people to handle the additional business advertising brings.

The time to start advertising is...

When you don't agree with all the above.

The place to start advertising is...

The one that has a combined circulation of 71,500 homes.

Enjoy Football Season With A Tailgating Staple

Football is here, and with it comes all of the delicious foods served at parking lot tailgates and viewing parties at home. Perhaps no food is more synonymous with football than chicken wings. Sports bars make names for themselves based on their chicken wings, but football fans need not visit their local pubs to indulge in wings worthy of gameday. The following recipe for "Chicken Wings with Bacon Barbecue Sauce" from John Holl's "The American Craft Beer Cookbook" (Storey) is simple and sure to please foodies and their fellow football fans this season.

CHICKEN WINGS WITH BACON BARBECUE SAUCE
Makes 12 wings and plenty of leftover sauce

- 1 cup roughly chopped applewood-smoked bacon
- 12 large chicken wings
- 2 tablespoons extra-virgin olive oil
- 1/4 cup diced yellow onion
- 1/4 cup dark brown sugar
- 1 cup New Albanian Bob's Old 15-B Porter, or similar robust porter
- 1 tablespoon unsalted butter
- 2 cups veal or beef broth
- 1/2 cup Worcestershire sauce
- 1 tablespoon puréed chipotle in adobo
- 1 teaspoon dried oregano
- 1 teaspoon dried thyme
- 1/4 teaspoon garlic powder

1. Preheat the oven to 400 F. Put the bacon in a heavy skillet and cook it in the oven until crispy. Transfer the bacon to a paper towel-lined plate, reserving the fat in the skillet. Reduce the oven temperature to 350 F and move the skillet to the stovetop.
 2. Toss the chicken wings in the olive oil, arrange them on a baking sheet and bake for 1 hour, or until crisp and cooked through.
 3. Add the onion to the bacon fat in the skillet and cook over medium-high heat, stirring occasionally, until golden brown, 5 to 7 minutes. Be careful handling the skillet; it will still be hot from the oven.
 4. Add the brown sugar to the skillet and cook over medium heat, stirring occasionally, until it dissolves. Add the beer, scraping the bottom of the skillet with a spatula to loosen any brown bits. Stir in the butter and simmer until the liquid is reduced by half, stirring occasionally.
 5. After the beer has reduced, add the broth to the skillet and reduce until the jam is thick, stirring occasionally and being careful not to burn it, 10 to 20 minutes.
 6. Add the Worcestershire, chipotle, oregano, thyme, and garlic powder to the skillet and stir to fully incorporate.
 7. Transfer the sauce and bacon to a blender, let cool for 8 to 10 minutes, and then purée until smooth. Remove the chicken wings from the oven, place them in a large bowl, and pour in enough sauce to liberally coat the chicken. Serve immediately.
- Note: This recipe yields a bit of extra sauce. Leftover sauce is great on burgers, with other grilled meats, or as a dip for bread. Or simply make a double batch of wings!
