High end design meets function in this spacious home. Located on a quiet cul-de-sac, this home features a large open concept kitchen, dining and family room. The bright kitchen has stainless steel appliances and a large island that seats five. The large family room boasts a Venetian plaster fireplace, large picture window and built-ins. A barn door separates the main living area from two bedrooms, bathroom and laundry. The basement features an expansive family room with an electric fireplace and a convenient snack bar. A toy room with built-in desk, magnetic wall and barn doors lies just off the lower-level family room. Two large bedrooms with egress windows, carpet, and ample storage are located down the hall. A garden shed provides extra storage in the back yard. The backyard also has a large concrete patio with grilling station and market lights.
