The Mount Morris Central School Athletic Department would like to invite the entire community to join us on **Friday, January 11, 2019** in the High School Gymnasium for the 12th Annual **Athletic Hall of Fame Ceremony**

On this evening, our Varsity Basketball Teams will play against Geneseo beginning with the girls game at 5:30 p.m. Immediately following this game at approximately 6:45 p.m. will be a ceremony to honor our newest members of the Hall of Fame. A boys' game will then be played after the ceremony.

Please join us in welcoming:

Bradley Ferraro (Class of 2012)
Roberta Alessandra Finn (Class of 2002)
Conor James Walsh (Class of 1998)

Other current members of the Hall of Fame will also be on hand to welcome in our newest members.

Come on out and support the Blue Devils of the past and present.

The Family of Charles P. Peritore

wish to express our deepest gratitude to all our friends and neighbors for flowers, food, cards of sympathy and memorials sent at the time of our loss.

A special thank you to Livingston County Hospice staff, Dr. Hanson, Fr. Dillon and Martin Funeral Home.

We are comforted knowing so many people share our loss.

Notes from the NUNDA VILLAGE BOARD

REMINDER

The right of way encompasses all parts of the property from the top of the sidewalk to the street. It is the responsibility of the property owner to care for this area. Sidewalks must be kept clear of all obstructions - at all times. This includes shoveling sidewalks and keeping them free of ice. While the Village DPW plows sidewalks when able, it is everyone's responsibility to make sure the sidewalks are clear of snow and ice. We are all pedestrians and benefit from having a safe, clear, and continuous path to travel.

Thank You!

Our brother-in-law from Arizona called several places in Livingston County to have a Christmas turkey dinner delivered to our home. Having no luck, he called the Geneseo Town Office to see if they knew of any place that would deliver the dinner. Jodi Beyer, the Town Deputy Clerk, answered the call. She told him it would be done. She and her husband took it upon themselves and delivered a delicious turkey dinner, pie, a centerpiece for the table and grape juice at no cost. She said "Pay it forward."

THANK YOU

to the Beyer Family!

It will be paid forward!

SPEAK OUT

Dear Speak Out!

A fundamental component of a successful marketing plan is an effective Social Media presence. This is particularly true for small businesses who may have a very limited advertising budget. Social Media is free, and the level of exposure it offers is limited only by your creativity and the effort you put into making regular posts.

Having updated information online is imperative – business hours, for example. Everyone knows Walmart is open 24-hours, but an antique shop may have a trickier schedule, and keeping that available online and current will make it easier for people to plan outings, knowing they won't encounter a "Closed" sign on your door.

Not everyone is well versed in Digital Marketing. Since it's technology-based, it can be daunting.

That's where I come in!

As part of my efforts to help invigorate the Mount Morris economy, I offer to help any business owner interested in learning the basics of Digital Marketing – I will teach you to fish. It's easier than you think once you've been shown the ropes.

I can visit your place of work and get you started with about an hour of your time. If there's enough interest, we'll hold the training session as a group.

As far as my portfolio, I've been designing websites and pushing causes online since the early days of the Internet. My efforts have gotten media attention, my name is on Sir Tim Rice's official website on the Research and Links page (he wrote the lyrics for The Lion King, Jesus Christer Superstar & more), and I've even gotten the attention of/spoken with Pepsi Co's Director of Marketing.

I offer this training as a service to the Community and ask for nothing in return.

To contact me, just look me up & message me on Facebook. The link is: <https://www.facebook.com/jasonlatona>
Thank you!

National Birth Defects Prevention Month

Approximately one in every 33 infants born in the United States is affected by birth defects. Birth defects are the leading cause of infant mortality in our country. In observance of National Birth Defects Prevention Month, the Livingston County Department of Health encourages women who may be pregnant or who are considering becoming pregnant to adopt healthy behaviors that can reduce the risks of poor birth outcomes.

The development of birth defects is not always controllable; however, following these recommendations can decrease the chances of birth defects affecting your child.

- Visit your physician before you become pregnant. Family planning and genetic counseling can be a helpful tool, especially if there is a family history of birth defects.
- Take a prenatal vitamin or supplement containing folic acid before and during pregnancy. Folic acid helps prevent birth defects of the baby's brain and spinal cord.
- Do not use alcohol, tobacco, marijuana or other drugs, and other toxic substances before and during pregnancy.
- Ensure your immunizations are up to date before becoming pregnant. Some preventable diseases can harm the fetus and proper vaccinations can decrease the chances of your baby being born with birth defects.
- Protect yourself from Sexually Transmitted Infections, such as Chlamydia and HIV.
- Pay close attention to your overall health. Eat healthy, get adequate exercise, get plenty of sleep and visit your doctor regularly.

In addition, Zika virus can be passed from a pregnant woman to her fetus during pregnancy or to her baby around the time of birth. Zika virus infection during pregnancy can cause microcephaly (a birth defect where a baby's head and brain are smaller than babies of the same age and sex) and other severe brain defects.

- **If you are pregnant, do not travel to areas with Zika.**

- o If you must travel to an area with Zika, talk to your doctor or other healthcare provider first and strictly follow steps to prevent mosquito bites during the trip.

- o If you have a partner who lives in or has traveled to an area with Zika, use condoms from start to finish, every time you have sex (vaginal, anal, or oral) to protect against infection or do not have sex during the pregnancy.

- **If you are trying to become pregnant:**

- o Talk with your healthcare provider before traveling to areas with Zika and strictly follow steps to prevent mosquito bites during the trip.

- o See the Center for Disease Control's (www.cdc.gov) advice for men and women who are thinking about pregnancy.

All of these recommendations can greatly increase the chances of having a healthy baby. The Reproductive Health Center provides counseling to help you plan a pregnancy. WIC staff and maternal child nurses can help women during and after pregnancy. Community Health Workers of the MICHC program can help women to create and implement a reproductive life plan.

For more information on birth defect prevention, or these services or programs, please contact the Livingston County Department of Health at 243-7299 or visit our website at:

Business and Employee Skills Training

ADVANCE YOUR PROFESSIONAL AND PERSONAL DEVELOPMENT

Pitching Great Ideas to the Boss

Almost all major companies in the U.S. offer incentives to encourage great ideas from their employees. Cost and efficiency savings, customer satisfaction and employee safety are all directly impacted by good suggestions coming from the workforce. This course aims at supplying a basic framework to assist employees in presenting thoughtful and well-researched ideas to management with a clear focus on company needs, policies and resources. This course is appropriate for any employee who does not have a management background, as the focus will be on what factors management usually take into account when evaluating an employee suggestion. It will be of specific benefit to those who wish to develop or modify existing procedures. It will also be of direct benefit to employers who wish to have a group of employees tackle a specific company problem.

Managing Conflict With Courageous Conversations

This workshop examines the role conflict plays in the workplace. Participants will self-assess their conflict management style and explore strategic approaches for managing conflict with others and their team. The workshop will heavily focus on developing and practicing courageous conversation skills as a tool to manage conflict. Any "people leader" would benefit from this workshop. This includes Team Leaders, Supervisors and Managers. The course will cover how and why conflicts arise, identify the essential elements of courage and their role in managing conflict.

Conversations with the County 2019

Geneseo, NY- Livingston County will be continuing the popular Coffee with the County community engagement series under a new name for 2019. Rebranded as Conversations with the County, these are town-hall style, drop-in gatherings designed to encourage residents and business owners to give feedback on County programs and services in an informal environment. Feedback received from the events in 2018 included having some of these gatherings in the evening hours. Therefore, the monthly series will intersperse after business-hour opportunities along with morning sessions.

Mr. Coyle stated, "In order to make the meetings as accessible as possible for our engaged residents, I, in consultation with the Board of Supervisors, have moved some meetings to the evening. I look forward to continuing the engaging and thoughtful discussions with even more people in the coming year."

During these informal meetings, County Administrator Ian M. Coyle will provide updates from the Board of Supervisors on County government happenings and answer questions. All "Conversations with the County" events are open to the public and all are encouraged to attend.

Below is a schedule for the next three events:

- Monday, January 14** at 8:30 am
Conesus Town Hall, 6210 South Livonia Road, Conesus
- Monday, February 11** at 8:30 am
Portage Town Hall, 2 North Church Street, Hunt
- Monday, March 18** @ 5:30 pm (NEW TIME)
Geneseo Town Hall, 4630 Millennium Drive, Geneseo

Opioid Abuse Awareness Campaign

Mount Morris, New York- The opioid crisis continues to devastate communities across the nation including Livingston County. The New York State Association of Counties (NYSAC) has partnered with the New York State Association of Coroners and Medical Examiners (NYSCCME) to create a campaign to bring awareness to the signs of opioid abuse. Advertisement that will run on television stations throughout New York State.

A comprehensive website, ny.seethesignssavealife.org, was created to anchor this campaign and is a resource for those who are affected by this epidemic. To view the PSA and other resources from NYSAC, please visit <http://www.nysac.org/opioids>.

"From 'first responder' law enforcement receiving calls for help, to the 'last responder' Coroners and Medical Examiners confirming the cause of death, local government officials confront the effects of addiction and opioid abuse in our communities every day," explained Stephen Acquario, Executive Director of NYSAC. "We need to continually educate and inform our communities of the danger associated with opioid abuse. We are hopeful that this campaign will raise awareness of the signs of addiction before it's too late. We can all encourage our families, friends, and neighbors to seek help and break the all too familiar cycle of use, abuse, addiction, overdose and death. It's never too late to see the signs and save a life."

If you or a family member are struggling with drug addiction The Amnesty Program can help.

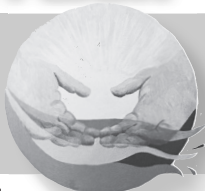

For more information regarding local resources in Livingston County, please call CASA-Trinity at (585)991-5012 or (585) 335-5052. In addition, the Amnesty Program in Livingston County is a collaboration between CASA-Trinity and the Livingston County Sheriff's Department. Here is how it works:

1. Voluntarily turn in your drugs and/or paraphernalia and you will NOT be arrested.
2. Call one of the following offices and mention the Amnesty Program:
 - The Livingston County Sheriff's Office (585-243-7100)
 - Livingston County Mental Health Services (585-243-7250)
 - CASA-Trinity (585-991-5012)
 - Livingston County DSS (585-243-7300)

Could You Use a Prayer of Faith?

Is Your Sickness Chronic and the doctors can only treat symptoms? Do you have to live with illness or pain the rest of your life?

Reach out right now to the One who can save and heal. Gen 18:14 says, "Is anything too hard for the Lord?" And of course the answer is 'NO'. Matt 19:26 says, "...but with God, all things are possible." It does not matter how bad a situation is. All things means all things, including the healing of your sickness.

At Healing Rooms on the Genesee, our desire is to bring the healing power of God into the lives of those who are sick. We follow the commandment of Jesus in Mk 16:18, "...they will lay hands on the sick and they will recover."
