## CHICKEN AND DUMPLINGS

4 pounds whole chicken cut up	4 (14.5 ounce) cans chicken broth
1 whole dried red chili pepper, seeded and diced	1 cup heavy cream
2 carrots, chopped	1/4 cup cornstarch
2 stalks celery, chopped	1/2 cup water
2 onions, chopped	2 cups self-rising flour
1 bay leaves	1 cup heavy cream
3 cloves garlic, minced	

For the stock: In a large pot over high heat, place the chicken parts, chile pepper, carrots, celery, onions, bay leaf, garlic and chicken broth. Mix well and bring to a boil. Reduce heat to low, cover and simmer for 1 to 2 hours, or until chicken comes off bone easily. Cover and refrigerate overnight.

The next day, skim the fat off the top of the soup and remove the chicken parts. De-bone the chicken and chop the meat into bite size pieces. Discard bones and set meat aside. Using a slotted spoon, remove and discard the vegetables. Return the pot to the stove over high heat and bring to a boil. Reduce heat to low for 10 to 15 minutes, add the heavy cream and stir well.

In a separate small bowl, dissolve the cornstarch in the water and add to the pot. Stir until thickened, and make the dumplings while the stock reduces.

For the dumplings: In a large bowl, combine the flour and the heavy cream, mixing well. Roll into balls about 1 1/2 inches in diameter. Drop balls carefully into the simmering soup and cook for 7 minutes. Then cover soup and cook for 7 more minutes. Add the chicken, stir well and allow to heat through.

**What Is A Town?**  
A town is a group of people.

It is a school.  
It is a city government.  
It is churches.  
It is industry and jobs.  
It is retail businesses.

They all have to work together.  
All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale.  
The local retailer pays the highest percentage of local taxes.  
They are the ones contacted first for contributions to charitable projects. They provide jobs. Without their store you have no town.

**GIVE THE LOCAL MERCHANT A FAIR SHAKE.**

# I Don't Need To Advertise

You're Right... There is a time **NOT** to advertise, when...

1. You have no competition.
2. You have all the business in town.
3. There are no new people moving into your area.
4. You want to keep your large inventory.
5. You have more business than you can handle.
6. The birth rate is zero.
7. You have more than enough friends that shop your business, keeping you far too busy.
8. You've netted your third million (after taxes).
9. You have no desire to work hard.
10. You would have to hire more people to handle the additional business advertising brings.

**The time to start advertising is...**

When you don't agree with all the above.

**The place to start advertising is...**

The one that has a combined circulation of 71,500 homes.
