Kindred Hospice proudly offers a unique volunteer service, Pet Support. Patients have

always had access to quality, caring volunteers. Now one of those volunteers is of the four legged variety. Let us introduce to you Sally and the benefits of Pet Support.

Pictured are: (sitting) John Adams with Sally, Volunteer Manager Deb Lenertz, Chaplain Tim Voth, and Hospice Specialist Alexa Johnson; (standing) RN Case Manager Stacie Huckfelt, Secretary Deb Andringa, Hospice Aide Emily Axdahl, Executive Director Robin Lock, Clinical Liaison Heather Hoff, Hospice Aide Holly Myers, Hospice Aide Holly Doughty, LPN Dalloy Dickman, LPN Laune Schott, RN Lorie Hellert, RN Mitch Begley, and Manager of Clinical Practice Jill Heidebrink.

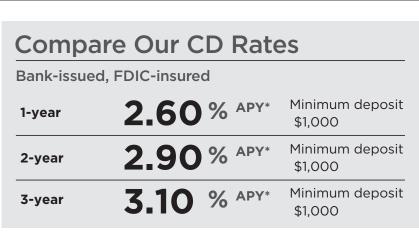

Animals are a welcome distraction and help reduce stress and anxiety. They inspire optimistic thoughts in those who are disheartened.

Anyone who's ever shared a close bond with an animal has undoubtedly witnessed their natural calming abilities firsthand. Be it physically, mentally or emotionally, pets can greatly improve our lives.

All of our volunteers undergo a careful screening process. They receive ongoing support, supervision, and evaluation from our local volunteer manager. When you think of someone willing to spend time, tailor activities and conversation to your needs and who is genuinely concerned with making life better, think of a Kindred volunteer. John Adams is Kindred Hospices's Pet Support (human) volunteer. His wide variety of life experiences, his incredible personality and love of people and animals make him ideal for this role.

Sally is a calm, well-behaved golden retriever who is used to people of all ages. She (and John) worked in the area for the past several years; conducting children's sermons and lay ministry. Sally has been the Milford Library dog. Her training and temperament allow her to adapt to many situations. All who meet her fall quickly in love with her and the way she brightens the day. Her return visits are always highly anticipated.

Pet Support is a branch of Kindred's existing volunteer program. The best way to connect to Pet Support is through the Kindred Hospice patient's RN Case Manager. You may directly contact the Manager of Volunteer Services to learn more about this service and all its benefits.

Plain Crow Coven to Speak to Iowa Lakes UU Fellowship

On Sunday, January 13, the Plain Crow Coven will share their spiritual journey to Wicca with the Iowa Lakes Unitarian Universalist Fellowship. Set aside preconceptions and listen to these gentle women explain their disillusionment with the patriarchal religions they were steeped in as children and their search for a kinder, more compassionate path, ultimately discovering the divine feminine. All are members of UU themselves, and they include: Robin Allen who was an RN for 15 years and a secondary teacher for 17 years. She is a novelist, mother, grandmother and practicing witch since 1995. Kat Davis is a mother, daughter, sister, friend, mate, wedding officiant, HR professional, tarot reader and your local friendly witch who can bake you up some delicious cinnamon rolls. She joined the coven under a Harvest Moon in 1999. Cindy Dorr- Harthan is a retired pharmacist, mother of two and grandmother of three. She has done volunteer work in Brazil, India and Nicaragua and traveled to five continents. Moreover, she has explored cultures and spirituality of indigenous peoples before coming to the coven in 2000.

She is the mother of two talented and wisecracking teenage boys, both of whom she wished for on Falling Stars, under the Full Moon and beside the Yule Log. She has been with the coven since its inception in 1995.

Heart to Heart with Heritage Landing Look forward to the future - Be grateful for the past

by Denise Leal Welcome to 2019 every-

one! I hope everyone enjoyed ringing in a safe and Happy New Year.

All of my kids were home for the holidays and we spent

some time looking through pictures and reminiscing about the past. It was evident that we all have changed a great deal over the years. It is amazing how a picture, a song or a memory can take you back.

On social media there are pages I like to visit where I can reminisce. One is called If you grew up in Estherville Iowa you remember... This page is flooded with memories and pictures of past businesses, people, and places all related to the town of Estherville. Many of the memories shared are some of my memories. I was a farm kid, but when we went to town for groceries, church, medical/dental care or to socialize, we always went to Estherville. I love remembering the places I went to and the people who have been in my life, but inevitably time marches on and things change. If you compare the blue print of Estherville today to that of Estherville 40 years ago, it will look very different. I would venture to say if you look at the blueprint of your life over the years, things have changed quite a bit as well.

Songs I loved that I played over and over on a record player, an eight track or cassette tapes are now obsolete or have become classics and my big, 1980's hair has gone out of style.

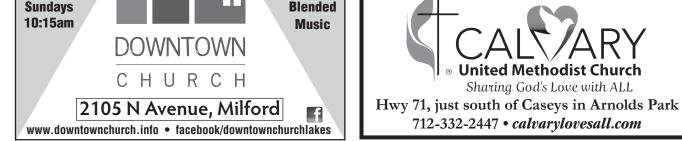

I have suffered broken relationships. Friends and family have moved away. I have lost dear friends and close family members and I have watched buildings and businesses I have frequented as a child, go out of business or be demolished. Some of these losses have left me feeling empty and heartbroken, but some warm my heart: memories of baking with my Mom or going fishing with my Dad; hanging out with friends and bombing central or playfully sparring with my siblings; having my children and watching them grow up and have families of their own.

Though it is great to look back and cherish the memories, we cannot let the past overshadow or dictate our future. We can't live in the past or wish it back. We can only remember it, but then move forward.

Every day we experience new life. It might be in the birth of a grandchild, or a job opportunity. Maybe it is moving in to a new era in our life. Going on a mission trip or meeting a new friend for coffee or trying a new hobby. I am excited to see what 2019 has in store and I hope you are too!

Is making a Change in your future? Maybe the home you made for your family and that you lived in for many years just no longer feels like home. Maybe it's lonely or just too much work. Heritage Landing might be just what you are looking for. To learn more, give Jenn a call at 712-338-2909. She can give you the information you need and would love to show you around! Jenn's Quip of the day - Every day may not be good, but there

is something good in every day...

If a winning ticket holder cannot be identified, the next closest ticket holder time will be chosen as the winner. If the car cannot be placed on the ice a winner will be chosen by random drawing on March 27th at the Noon Rotary meeting.

Last year the car drop was the latest in history, dropping into the icy waters of Smith's Bay at 3:17pm on April 26, 2018 . In 2017 the official date and time was February 23, at 4:44pm. In 2016 it dropped on March 9.

A special thanks to Bob's Tow and Repair of Spirit Lake for helping to make this fundraiser possible.

Farmers Market News

Located at Dickinson Co. Fairgrounds 15th Street & Peoria Avenue, Spirit Lake, IA 51360

Dreaming about freshly picked ears of corn, peas in their pods or tender asparagus spears? So are the producers who grow for Lakes Area Farmers Market. Winter is the planning season when growers evaluate crop success, look for new plant varieties, and plan their garden layout. Seed catalogs have been arriving, full of new varieties, old favorites, and a hint of spring. Looking through seed catalogs helps pass the long winter days and gives hope that spring will arrive and this will be a better growing season than the last few have been.

The craft and baking vendors are not idle now either. While bakers may not be baking for you, they are looking for new recipes, trying them out, and planning ways to bring you a better product. Crafters are busy now creating new stock that will keep their booths supplied during the busy summer days. They are also looking for new ideas and creating new products.

It may be cold and snowy but spring will come and the vendors at Lakes Area Farmers Market are planning for a great summer. We hope to see you soon.

Need Help with Heating Bills?

The 2018-2019 Low-income Home Energy Assistance Program (LIHEAP) was established to help qualifying low-income Iowa homeowners and renters pay for a portion of their primary heating costs for the winter heating season.

Applications will be taken now through April 30, 2019.

This program is not designed to pay household's total energy costs. The program will provide supplemental assistance based on several factors. Those factors include total household income, household size, dwelling type, and type of heating fuel, among others. If you have already applied and have been approved this winter season, you cannot re-apply. For guidelines and an appointment in Dickinson County, call Upper Des Moines Outreach office at 712-336-1112. The UDMO is located at 1575 18th Street, Spirit Lake.

THE LAKES NEWS SHOPPER Tuesday, January 8, 2019 Page 8 2019 Winter Games Cheerleaders

After collecting nominations for all of December and holding community-wide voting on January 3 and 4, the Winter Games Committee has officially tallied up the votes! We now present to you the 2019 University of Okoboji Winter Games Cheerleaders.

Lori and George Bower, Spirit Lake -As a radio personality, George has been the ultimate cheerleader for the Iowa Great Lakes ever since he first moved to the area in 1995. From his position as the morning guy at KUOO to his most recent job as the Farm Director at KICD, George has always loved highlighting all of the wonderful people and places found in and around the lakes area. Both on and off the air, George has been known to share his love of the area with family, friends, and listeners far and wide. In his 20+ years of living in the Iowa Great Lakes, George has served on the ECHO Board, the Extension Council, lead youth activities at the YMCA, been a member of both the IGL Rotary and the Spirit Lake Noon Kiwanis and served on various church committees as well as taught Sunday School.

Lori has welcomed a generation of children to the Spirit Lake schools in her role as a kindergarten and early childhood development teacher. Her hard-work, dedication, positive attitude, and perpetual smile has set the tone for thousands of children and their families in their first educational experience in public school. Somehow, despite going to school early and staying late every day, Lori has managed to volunteer countless hours at her church where she serves on several committees and helps with Sunday School, Bible School, and Wednesday night youth activities; and for Spirit Lake Music Boosters where she served several years as President. She is also active in the Lake Park Garden Club which holds the annual children's bazaar, volunteers at the Bedell Family YMCA, and served on the Echo Plus board.

Lisa Duffy, Milford – Lisa is a Special Education teacher at the Spirit Lake High School. She is a member of the Spirit Lake Noon Kiwanis and is a leader for the Spirit Lake High School Key Club. In this role she helps teach youth how to volunteer and make their community a better place to live. Not only is she involved in Spirit Lake High School, but you can also see her cheering on the youth at Okoboji High School where her daughters attend. She always gives 110% in anything she does with a smile and positive energy. Lisa is a great role model, leader, and volunteer in our community.

Abby Goodlaxson, Okoboji – You will not find

anyone with more enthusiasm about all things 'Okoboji'! She is in her 19th year teaching P.E. at Okoboji High School. She is a past Iowa Physical Education Teacher of the Year and Central Region High School Teacher of the Year. She is currently serving on the YMCA Board and a leadership team at Okoboji High School. She's a Middle School Cross Country Coach and is seen cheering on all area sports and music. As a teacher, coach and mentor, she is consistently setting a great example for the students she teaches and for other members of the community. Abby is a true champion of the Okoboji area!

Nate and Greta Gruys, Spirit Lake – Nate and Greta embody the Okoboji Spirit! Since returning to Greta's hometown a few years ago, they have become an integral part of the community. Nate currently serves as Chair of the YMCA Board, is an elder at Grace Lutheran Church, is a member of Rotary and has served on the Dickinson Planning and Zoning Commission. Greta is a past Chair of Winter Games, President of T.T.T., has served on the board of the Pearson Lakes Art Center, is very active with the Grace Lutheran Church Salad Luncheon and with the Spirit Lake Community Schools.

Jill Harms, Milford – Jill is a true community leader and champion for the Iowa Great Lakes. She has recently won Entrepreneur of the Year through the Iowa Lakes Corridor. Jill has spent countless hours with Okoboji Schools taking activity photographs, leading Okoboji Youth Basketball Association, offering talents for Building for the Future (new middle school) and acting as Okoboji Booster President. Jill also plays an integral part of the Imagine Project Committee that was established to beautify the Iowa Great Lakes. She has also been on the Historic Arnolds Park Board for 7 years. This is her

3rd year of being President of Restore the Park. She is an active member and leader at St. Joseph's Catholic church in Milford.

Dr. Ronald J Kolegraff, Milford – Dr. Kolegraff has been a Dickinson County resident for over 30 years. He has been active in the community and schools, while raising 7 children. He is a local business owner of re*be Skin and Vein Clinic, which has been in business in the Iowa Great Lakes Area for over 10 years. He was named to the State Board of Medicine in 2016. Dr. Ron Kolegraff, a practicing surgeon of over 32 years, is Board Certified in General Surgery, a Diplomate of the American Board of Phlebology, a Fellow of the American College of Surgeons and a Fellow of the American Academy of Cosmetic Surgery. Dr. Kolegraff and his staff treat hundreds of patients each month. He has truly dedicated his time and talents to this area.

Peg Rick, Orleans - Peggy is a very enthusiastic member of the Lakes area. She has touched the lives of thousands of children as a teacher in the Spirit Lake School District and continues today through substituting. One can often see Peggy cheering on Indian extracurricular events, and she was even given the title of "2015 Fan of the Year". She was honored at Girls' State Basketball for sportsmanship and decorum. In the community of Orleans, Peggy is Chairperson of the Orleans Board of Adjustment and also takes pride in keeping the village looking spiffy! Peggy is active in her church - willing to step up to the plate for many needs! If you see Peggy around the Lakes area you can guarantee she has a big smile and a positive attitude.

Congratulations to all those who were nominated. We can't wait to hear these 9 fantastic individuals cheering loud and proud at the 39th Annual U of O Winter Games on January 24 - 27!

Hike the Wild Series Continues

Snow falling in winter, waterfowl migrating in spring, flowers blooming in summer, leaves changing colors in the fall.

Dickinson County Conservation's Hike the Wild series will move from monthly to seasonal hikes in 2019, starting with a snowshoe hike January 22.

Meet at 10:00am at the Dickinson County Nature Center in Okoboji, pick

out the right size of snowshoes if you need to borrow a pair and then caravan to Horseshoe Bend Wildlife Area in Milford.

"I thought it would be fun to go to Horseshoe Bend in the winter, because we could see the wildlife down there," said Bryanna Kuhlman, Dickinson County Conservation environmental education coordinator.

The snowshoe excursion will last about an hour and is open to all skill levels, even newcomers to the activity.

"I think it's a fun way to introduce people who may be interested in taking up snowshoeing," Kuhlman said. "It's a fun way to explore places you otherwise may not be able to get to in the winter."

The snowshoeing aspect of the hike is weather dependent, and about 6 inches of snow cover is needed. Also, snowshoe sizes are limited through the conservation board, especially kids sizes, so please bring your own if you own snowshoes.

If there is not enough snow the day of the excursion, the January Hike the Wild will be a regular hike.

"We will just be going on a traditional hike, view the Little Sioux River, seeing some wildlife and enjoying the great outdoors," Kuhlman said. "I really enjoy Horseshoe Bend because you have a variety of habitats to go through --- river, forest and

It's a new year, with new promises and beginnings, and the Milford Kiwanis Club has another new member to validate those statements. Pictured above are Dick Anderson and the newest Milford Kiwanian Dennis Faber. Dennis and his wife Nancy retired to the Iowa Great Lakes area a few years ago from Fertile, Iowa, where they had successfully built a plumbing and heating company. Now that Dennis has fully retired from that business, he expressed that the timing was just right when Dick approached him about becoming a Kiwanian. Dennis stated, "I've always wanted to give back to any and every community I have lived in, and I feel the Milford Kiwanis Club is a great place to accomplish that. I'm looking forward to helping this club and their important projects."

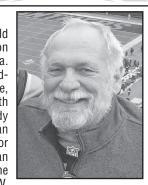

Is 2019 the year that you decide to join a community organization? If so, come and check them out. They meet on Tuesday mornings at 7:00am, at the Milford Community Building, west side, and warmly welcome any and all visitors.

Henriksen uses new voices for Christmas in Dunnell

In his fifth or sixth annual concert celebrating the feast of St. Lucia at the Immanuel Lutheran Church in Dunnell, Minnesota, on December 23rd Armstrong's Glenn Henriksen reached out to Brookings, South Dakota, and Emily Marotz, the grandaughter of Elverna Knuth, the church's longtime organist; and Micah Perry, Emily's friend and fellow classmate at South Dakota State University, where the two are music education majors. Both have great voices. And the two sing well together. But it was Micah

RAMBO-ling BOB RAMBO

who took a standing ovation for his operatic tenor and stage presence, then later explained that while he intends to teach in the years ahead, he first wants to see the world — not in the Navy — but as an opera singer. Judging from the response of the 206 community members who literally squeezed into the tiny church two Sundays ago, Micah has a great career ahead of him.

Endless amounts of room with three full levels of living, partially finished walkout basement and a 6 car garage with a loft. This property also features a circle driveway and 2 large lots surrounded with several large hundred year Oaks. Recently updated with new kitchen and baths. Historically, this home was the first home buil between the Dickinson County Courthouse and East Okoboji Lake. Exquisite home! \$298,500. MLS#18-1694

We wish both Emily and Micah well in their endeavors.

Editor's note: Originally known as the Blooming Prairie congregation, Immanuel Lutheran Church in Dunnell was dedicated in May of 1905, after nine months of construction, at a cost of just \$13,000 – which included the first church pipe organ in Martin County, Minnesota. This year's concert celebrating the Feast of St. Lucia is already planned for Sunday, December 22nd, at 2:00...

Friday night and Saturday afternoon will see Sarah Morris & Nigel Egg in shows in Jackson and Windom. Sarah is a 2018 Kerrville Folk Festival song-writing winner from Shoreview, Minnesota, not far from where Nigel lives in Minneapolis – though he is from Ramsgate, England. You will find samples of Sarah's work on YouTube.

Friday night's performance at the Jackson Center for the Arts begins at 7:30. Saturday's show at The BARC, in Windom, starts at 3:00...

And, Mark Lair and the Service Bay Band will be at the Little Swan Lake Winery, Sunday, from 4 - 6:00

This week, research director RD asks the musical question, "Who had hit songs with three James Bond movie themes?" The answer is: Dame Shirley Veronica Bassey, who turns 81 today. The Welsh

singer is most famous for singing the themes to Goldfinger, 1964; Diamonds Are Forever, 1971; and Moonraker, 1979...

Wednesday is the day RD wants us to recall a Brooklyn-born composer of television and motion picture music. Victor 'Vic' Mizzy was born in January 9, 1916, and gets credit for themes for *The Addams Family* and Green Acres, among others. But his earlier fame came for co-writing one of Doris Day's first hits, 1945's My Dreams Are Getting Better All The Time. Louis Prima and Perry Como are just two of the many others who later

recorded the song.

It was January 10th, 1947, that *Finian's Rainbow* opened for 725 perfor-mances in the Big Apple. All of the songs for the show were written by E. Y. 'Yip' Harburg and Burton Lane. One of the most popular was Old *Devil Moon,* which has been revisited by many artists, including Margaret Whiting (1947), Sonny Rollins (1957), Mel Torme (1960), and more recently, Jamie Cullum, with the 2003 release of his second album, *Twenty*something -- when he was 24 years old ...

Morse Code Day will be celebrated Friday, which leads RD to the *Morse Code of Love,* originally performed by *The Capris,* a "one-hit wonder" group from the early sixties. It was later made more popular by *The Manhattan Transfer* under the alternate title, *Baby Come Back To Me,* on their 1985 album Bop Doo Wopp..

Sunday is Skeptics Day, which RD says calls for the song, *I Can't Believe That You're In Love With Me,* co-written by Jimmy McHugh in 1926. Since then it has been recorded by just about every popular singer recognizable by just his or her first name — Ella, Tony, Mel, Bing, Frank, and Dean, who used it on his 1960 album, *This Time I'm Swingin'*!

And finally, it was January 13th, 1962, that the Jule Styne, Betty Comden, Adolph Green musical *Do Re Mi* closed after 400 performances. The production introduced the popular songs *Cry Like the Wind* and *Make Someone Happy*, which was a top song for Perry Como and was later covered by Tierney Sutton on her 2007 CD, *On The Other Side*, and in 2014 by the aforementioned birthday boy Jamie Cullum, on his *Interlude* album. RD also suggests that the song might be a favorite of cake bakers everywhere, after being used in a cake mix commercial on TV 40 years ago...

...... All the news that fits we print. Please send your music-related announcements and comments to RAMBOling@Mindspring.Com or POBox 676, Okoboji, Iowa 51355-0676 Deadline for submissions is the Friday prior to Tuesday publication

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

In a recent letter from a serial writer, the gentleman stated that within his circle, he is held in "high esteem", by his colleagues. I'm not surprised.

Of course, no one disputes his right to express his views. That's not the issue. The real issue here is: what do we know about these colleagues?

Okoboji Foundation 2019 Grant Application Available Online

capital projects in the Lakes Community is available online at www.okobojif-

oundation.org.

Okoboji Foundation grant divisions:

• Community Grants: requests of \$500 to \$24,999 - Reviewed by Youth in Philanthropy* and the adult grant committee.

• Leadership Grants: requests of \$25,000 or more - Reviewed by adult Grant Committee and presented by ballot to the Okoboji Foundation investors. The grant committee may request a short presentation by the nonprofits requesting leadership grants.

*Youth In Philanthropy Initiative - The Okoboji Foundation involves 26 students from area high schools annually in Youth in Philanthropy. This initiative empowers and challenges youth to identify community needs while building a sense of social responsibility. Students raise funds to make their own grants steered by student decision.

Since 1988, the Okoboji Foundation has addressed important community needs with over \$3.55 million in grants to a wide variety of nonprofit capital projects. Grant applications should focus on structures, physical property or equipment to make a lasting positive impact in our Lakes Community. Visit our website and click on the Grants tab to see complete grant history and additional application information.

The Okoboji Foundation is the community foundation for the Iowa Great Lakes Region. As the center point of community giving for vital capital projects, we provide the flexibility to start something new or sustain our region's most treasured facilities and amenities.

Lab, Imaging Patients To Enter Hospital On East Side

Lakes Regional Healthcare (LRH) has been preparing for the anticipated construction of a new medical office building for Avera Medical Group-Lakes Family Practice and Avera Medical Group-Spirit Lake Medical Center physician clinics. Bids for the construction project will be reviewed by the Board of Trustees soon, and the project will result in demolition of the current Avera Medical Group-Spirit Lake Medical Center clinic and a remodel in the area previously used by Surgery within the hospital which includes the current west lobby area. LRH has identified temporary spaces for affected departments and staff to be located during construction, and those moves have already taken place.

At this point LRH is preparing for the close of the west entrance except to ER, Dickinson County Public Health, Avera Medical Group - Lakes Family Practice, and Outpatient Center patients. Beginning Wednesday, January 2, 2019, those coming to the hospital for lab or imaging appointments are encouraged to park in the hospital's east parking lot off of 23rd Street and Zenith Avenue and enter the hospital's east entrance. Volunteers inside the door will be able to direct or escort patients. In addition, a map will be available upon entrance to the hospital. Wheelchairs will also be available and volunteers will be able to transport patients in them if needed.

This new medical office building will allow care to be proided much more efficiently and privately and help even more with physician recruitment efforts. Construction is expected to begin in the next month or two and is anticipated to be completed in Spring of 2020. Those interested in learning more about the project are encouraged to follow Lakes Regional Healthcare on Facebook. Those with questions can call 712-336-1230.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

To Write...Or Not ? For the past 16 years while serving as a Dickinson County Supervisor I have read countless numbers of Letters to the Editor.

During all that time I made a personal decision to never write a similar letter.

Times have changed. I am no longer a county supervisor. Any letters I write for publication now will reflect my own personal thoughts and will not reflect those of a county office.

After more than 50 years as a loyal, dedicated Republican, I find myself questioning the validity of my political affiliation. The national turmoil surrounding our divisive national politics and the legitimacy and actions of our nation's leaders has created a catalyst for many to question the consequences for our future generations.

Too many of my friends have privately shared with me their unspoken concerns of the serious constitutional repercussions looming on our national horizon. A feeling of futility prevails as every daily news cycle reveals new allegations. What once were reprehensible and intolerable actions are now dismissed as being insignificant.

The national news networks were the spark plugs firing up the public opinion engines fanning the flames of political ambivalence. The flames are growing hotter.

So many unknowns....Who can we believe? Who can we trust? Who should we support? and, ... What corrective actions need to be taken?

Today, the prevailing rationale of doing nothing is pervasive and reflects the unspoken belief, "I am only just one vote. My vote will have no problem solving result."

Consider this, a single vote is like a small grain of sand being dropped into a very large body of water. A ripple results. It merges with other ripples and participates to create a significant action wave.

Hopefully, this letter will inspire others to write and share their thoughts.

Winter Break Blast Kids crafted all kinds of creative

snow people at our 'Snow Day' event. Kids had the choice of making as many as six different crafts at this makerspace afternoon during winter break. There were snow people made from socks, paper, clay, and donuts. Note, materials were not combined. The donuts were edible art pieces and even though the socks were new and clean - yuck! If you are interested in seeing a sampling of the masterpieces check out the

library's Facebook page.

New Year's Eve was celebrated at the library with a matinee of the animated movie Smallfoot and a snack of popcorn with a beverage. Did you know that Bigfoot (Yetis) are just as scared of us smallfoot (humans) as we are of them? Many giggles shared with a very sweet group of kids and their grownups.
