# Positively Mount Morris

## In Search of the Old Mount Morris

Allow me to introduce myself. My name is Jason Latona, and I was born and raised in Mount Morris. You may remember my Grandfather, Sam "Steamboat" Latona, a former police officer.

As a child, I remember all the stories he used to tell of how busy our Village once was, back when the Delaware, Lackawanna and Western Railroad Depot was still in operation. I've always imagined bringing us back to that heyday.

Over the past 25 years, I've had much experience in technology, digital media, photography, process and people management. Among that, I've managed the web presence for several multi-million dollar companies. On the personal side, the work I've done on the internet to drive a cause became so visible that I was tracked down and contacted by Pepsi's (2005) Vice President of Customer Relations, Christine Jones. I've also written professionally for an Internet marketing firm.

My plan is to sponsor advertising to really get it out there. Also, I have a project called NY on Film, where I use vintage film cameras to capture life around the State. (snip attached)

We've come a long way in the last 10 years, but it seems of late that we've hit a plateau. We've been given the opportunity, but now it's up to us to continue developing and to get money flowing in so taxes can be less burdensome. We need to show that we're worth the investment.

In the end, we help ourselves to help others in such a small community. I just want to offer all that I can, and hope that others follow suit.

Feel free to contact me directly at: (585) 713-8243 or [jasonlatona@gmail.com](mailto:jasonlatona@gmail.com).

Jason

I'm here to offer my skills and resources to help out the community in any way. I am more than happy to lend my time toward the community-wide goal of making things better.

So far, I've already built a site intended to draw prospective businesses to Mount Morris that I will begin filling with content.

## The Aging Mastery Program®

In this program, participants take core and elective classes that combine evidence-informed materials, expert speakers, group discussion, levels of mastery and achievement, and small rewards. All of the courses are designed to provide the skills and tools needed to achieve measurable improvements in managing health, remaining economically secure, and contributing actively in society.

### AMP Core Curriculum

**Navigating Longer Lives: The Basics of Aging Mastery** Introduction to the program and its philosophy with a special emphasis on the new realities of aging, making the most of the gift of longevity, and taking small steps to improve health, financial well-being, and quality of life.

**Exercise and You** Discussion of the importance of exercising both the mind and body with a focus on strategies for incorporating meditation, aerobics, strengthening, flexibility, and balance into daily routines.

**Sleep** Overview of how sleep patterns change as we age, the importance of monitoring the sleep cycle, and simple strategies to improve sleep.

**Healthy Eating and Hydration** Review of nutrition as it relates to aging with a focus on strategies for incorporating healthy eating and hydration into daily routines.

**Financial Fitness** Introduction to strategies for remaining economically secure in an era of longevity with an emphasis on setting financial goals and setting financial boundaries with friends and families.

~ JANUARY IS CERVICAL CANCER AWARENESS MONTH ~

Cervical cancer starts in a woman's cervix. The cervix is the opening of the uterus and connects the uterus to the vagina. Cervical cancer usually starts with changes to the cells on the cervix; if found early, these cells can be removed to prevent cancer.

Most cervical cancers are caused by persistent infection with the Human Papilloma-virus (HPV), which is a common virus that can be spread from one person to another during sex. The HPV vaccine can prevent HPV and the cancer caused by HPV and is recommended for girls and boys between the ages of 9 and 14, and young adults through 26. Individuals between the ages of 9 and 26 or their parents should talk to their health care provider about the HPV vaccine. The Livingston County Department of Health immunization clinic offers the HPV vaccine. Please call (585) 243-7299 to schedule an appointment.

# COMMUNITY OPEN HOUSE

We believe being responsible in business also means being responsible to the community that hosts our project.

Join the conversation at our community open house where we will introduce you to the [Morris Ridge Solar Project](#), located in the Town of Mount Morris (Livingston County). The project is proposed to be sited on about 1,000 acres of land south of the village of Mount Morris and will generate ~175 megawatts (MW) of clean and sustainable renewable energy.

The community open house will take place on:

**WEDNESDAY**  
**FEBRUARY 6, 2019**  
from 5:00 – 8:00 PM

and

**THURSDAY**  
**FEBRUARY 7, 2019**  
from 2:00 – 5:00 PM

In an open house type format with no set schedule (the public is welcome to join at any time)

**Conversations with the County 2019**

Geneseo, NY- Livingston County will be continuing the popular Coffee with the County community engagement series under a new name for 2019. Re-branded as Conversations with the County, these are town-hall style, drop-in gatherings designed to encourage residents and business owners to give feedback on County programs and services in an informal environment. Feedback received from the events in 2018 included having some of these gatherings in the evening hours. Therefore, the monthly series will intersperse after business-hour opportunities along with morning sessions.

Mr. Coyle stated, "In order to make the meetings as accessible as possible for our engaged residents, I, in consultation with the Board of Supervisors, have moved some meetings to the evening. I look forward to continuing the engaging and thoughtful discussions with even more people in the coming year."

During these informal meetings, County Administrator Ian M. Coyle will provide updates from the Board of Supervisors on County government happenings and answer questions.

All "Conversations with the County" events are open to the public and all are encouraged to attend.

Below is a schedule for the next two events:

- Monday, February 11** at 8:30 am  
Portage Town Hall, 2 North Church Street, Hunt
- Monday, March 18** @ 5:30 pm (NEW TIME)

## PRECISION MACHINING CLASS BATAVIA CAMPUS

*Tentative Start: 2/11/19*

*In today's economy, individuals seeking a career in advanced manufacturing require marketable skills.*

The Genesee Valley Educational Partnership, in conjunction with the Livingston County Workforce Development Office, have created a precision machining program to prepare qualified people for entry level positions and a career path in precision machining. Program participants will receive approximately 300 hours of classroom instruction and on-site experience, which will enhance their skills and employability.

This training class will be held at the Batavia CTE Center. Participants will be responsible for their own transportation. The Batavia CTE Center is located at 8250 State Street Road, Batavia NY 14020.

Program participants will receive 300 hours of classroom instruction. The dates for the class will be 2/11/19 through 6/13/19, Monday-Thursday from 4:30-9:00 pm. Classroom instruction will consist of lecture and hands-on instruction covering the general use of the basic components of a mill and lathe. Common fixtures, cutting tools, and tool holders will be covered. Students will study blueprint reading and use precision measuring devices.

The cost of the program is \$3,750. Financial aid assistance is available for qualified candidates. This is a college-credit bearing course in partnership with Monroe Community College. Students will have the opportunity to earn 12 MCC college credits at an additional cost.

**Key Areas of the Machining Trade Include:**

- Introduction to Machines
- Shop Safety
- Understanding Drawings
- Measurements
- Hand Tools

"Where there is no way,  
You make a way.  
When no one else can  
reach us, You find us."

The above song lyrics, from Desperation Band's Make A Way (2014), express the heart of Father God. Robert came to the Healing Rooms about a year ago. The severe pain in his knees was the result of competitive karate and kick boxing. His knees were shot. The doctors could do nothing except recommend pain killing drugs and knee replacement surgery. We laid hands upon Robert and prayed for him to be healed by God. The pain left. One year later the pain is still gone. Father God made a way for Robert, touched him and healed him. He wants to do the same for you.
