See pharmacy for details. Restrictions apply. Fuel savings are limited to 20 gallons of fuel per purchase, per vehicle. Federal laws limit the amount of Fuel Saver rewards that can be earned related to certain pharmacy purchases by individuals enrolled in Medicare, Medicaid or other federal health benefit programs, such as Tricare. Therefore, the maximum Fuel Saver rewards individuals enrolled in a federal health benefit program can receive per promotion is \$2.75 participation and the maximum benefit a beneficiary can receive per year is \$3.50 participation. Note, these limits do not apply to individuals covered under the Federal Employee Health Benefit Program. No cash value.
