WELCOME TO CLARE COUNTY

...WHERE THE NORTH BEGINS!

JOHNSTON ELEVATOR

307 N. McEwan,
Clare
(989) 386-7271

Clare, the "City of Festivals" has festivals happening throughout the year. Visit the *Amish Quilt Auction*, *Craft Show*, and *Flea Market* the third weekend in May and the Friday and Saturday of the Labor Day holiday.

The town turns green for the annual 4-day *Irish Festival* in March, which is one of the city's most known and well-loved events.

The *Summerfest Celebration* provides old fashioned fun for all ages with children's games, a picnic in the park and fireworks over Shamrock Lake to end the day. During June and July the *Summer Concert Series* provides free musical entertainment in the City Park alongside the *Clare Farm & Arts Market*. The grand finale to summer events is the *Old 27 Motor Tour Overnight Stop* in downtown Clare and the *Clare Brewfest*, "A sampling of Michigan's finest craft beers." The beginning of the holiday season is celebrated in Clare with a *Christmas Celebration* each December.

At the center of Harrison is Budd Lake, a 175-acre all-sports lake. Try your hand at catching one in the Annual Budd Lake Fishing Derby held each June, usually on the Saturday of Father's Day weekend. Wilson State Park, on the shores of Budd Lake, is a favorite with campers.

Harrison offers a spectacular Fourth of July Celebration, with a parade, demolition derby and fireworks. The Clare County Fair has taken place in Harrison every summer since 1883.

Experience the thrill of a world-class zip line tour at Snow Snake. Rocks and Valleys is Snow Snake's off-road park that has over 200 acres of hills, rocks, mud and a variety of trails for different skill levels. In the winter enjoy skiing and tubing at Snow Snake...great family fun!

Farwell's Lumberjack Festival on the last weekend in July is a fun time for all ages will delight young and not so young alike.

WINTER CAR CARE & DRIVING TIPS

- Keep your equipment properly maintained and include a winter survival kit in your vehicle: an ice scraper, snow shovel and sand/salt.
- Clear snow and ice off your car - including windows, mirrors, lights, reflectors, hood, roof and trunk.
- Drive with your headlights on, and be sure to keep them clean to improve visibility.
- Avoid using cruise control in snowy or icy conditions.
- Know how to brake on slippery surfaces. Vehicles with anti-lock brakes operate much differently from those that do not have anti-lock brakes.
- If you do venture out or are unexpectedly caught in a snowstorm and encounter problems, stay in your car and wait for help. You can run the car heater to stay warm for 10 minutes every hour, but make sure your exhaust pipe is clear of snow. There is a danger of carbon monoxide poisoning if snow blocks the pipe and enables the deadly gas to build up in your car. Open your window slightly to help prevent the buildup.
- Be cautious on bridges and overpasses as they are commonly the first areas to become icy.
- Avoid passing snow plows and sand trucks.
