A STAGE CAN SAVE YOU MONEY

Hiring a professional stager is more affordable than you may think. The stager usually has a set price per hour but their time is worth every penny. They know how to set the rooms up so they look spacious bright and inviting. While they are doing this, it also allows your interior pictures to look so much better on the web. It may sound like they have you rearranging, painting, flooring and curtain changes in a quick fashion, but this will bring you a good

dollar when it is time to sell.

The professional is aware of what changes need to be made to show the beauty of your home. Does it cost a lot, not really. 90% of the time the stager uses what you have and moves things around or rearranges them. They know what needs to be painted, how to make landscaping look right and the list goes on. If you are interested in selling your home don't hesitate to call..
