Local Artist Receives Mini Grant

Mount Morris resident and artist Pam Hill was recently one of several to receive a mini grant from the Genesee Valley Council on the Arts.

Pam has been working and doing crafts with the residents at the Livingston County Center for Nursing and Rehabilitation for the last few years. In July, the Resident Craft Club will celebrate 5 years of Free Craft Nights.

Pam continues to do a weekly craft night and the grant will provide a guest presenter one night a month to do a craft with the residents. Not only will this provide residents with an opportunity to meet new people, but it will also

help keep them active, motivated and independent (not to mention, improving their hand-eye coordination) while they learn more visual Arts and Crafts.

The first craft night of 2019 was held on January 19th where guest presenter was Jodi Lown of Mount Morris who showed residents how to make coasters with various materials.

Funding for this event comes from the Artists in Education Grant from the Genesee Valley Council on the Arts.

The Artists in Education Grants support local cultural organizations and/or teaching artists in providing meaningful arts education for K-12 public school students up to and including senior adults.

The funds serve to bring teaching artists and their classroom skills into dedicated learning environments for all ages.

The Arts Education category now offers two funding strands: K-12 In-School & After-School Projects and Community-based Learning. Twenty-nine various grant recipients were funded.

For more information, visit GVCA at 4 Murray Hill Drive in Mount Morris. You may also call (585) 243-6785 or email: melissa@gvartscouncil.org.

- JANUARY IS CERVICAL CANCER AWARENESS MONTH -

Although more than 4,000 women will die from cervical cancer in the United States, the disease is highly preventable with regular screening tests. It can be cured if found early and treated; regular cervical cancer screenings can find changes in the cervix before cancer develops. Women ages 21 to 65 years should have regular screening tests for cervical cancer. The Livingston County Reproductive Health Center offers free or low cost confidential health care to adults and teens; call the Reproductive Health Center at (585) 243-7540 today to schedule an exam. The HPV vaccine, Gardasil, is also available to both males and females ages 9 to 26. Call the Cancer Services Program of the Finger Lakes Region at 1-877-803-8070 to see if you are eligible for free breast, cervical, and colorectal cancer screenings.

Thank You

Thank you so much for all the outpouring of kindness following the death of Thomas Cassidy Sr.

It was such a tribute to see all the people who gave food, flowers, cards, phone calls, donations and waited in the very long line to pay your respects to such a loving and caring man. Words can't express how you made us all feel.

Special thanks to Julie Emke, Linda Clarke and Tammy George for your help in the kitchen at the Fire Hall; to Brian and Sherry Wood for giving us the larger room at the Fire Hall. Also a very special thank you to Bill at Martin's Funeral Home. Thank you to the Livingston County Sheriff's office for all your support. Also, an extra special thank you to Betty McTarnaghan for the perfect service she gave honoring Tom.

Conversations with the County 2019

Geneseo, NY- Livingston County will be continuing the popular Coffee with the County community engagement series under a new name for 2019. Re-branded as Conversations with the County, these are town-hall style, drop-in gatherings designed to encourage residents and business owners to give feedback on County programs and services in an informal environment. Feedback received from the events in 2018 included having some of these gatherings in the evening hours. Therefore, the monthly series will intersperse after business-hour opportunities along with morning sessions.

Mr. Coyle stated, "In order to make the meetings as accessible as possible for our engaged residents, I, in consultation with the Board of Supervisors, have moved some meetings to the evening. I look forward to continuing the engaging and thoughtful discussions with even more people in the coming year."

During these informal meetings, County Administrator Ian M. Coyle will provide updates from the Board of Supervisors on County government happenings and answer questions.

All "Conversations with the County" events are open to the public and all are encouraged to attend.

Below is a schedule for the next two events:

Monday, February 11 at 8:30 am

Portage Town Hall, 2 North Church Street, Hunt

Monday, March 18 @ 5:30 pm (NEW TIME)

Geneseo Town Hall,

January is National Slavery and Human Trafficking Prevention Month: Join the Fight

(Mount Morris, NY)- January is designated as National Human Trafficking Awareness Month. The annual event has been recognized since January 2010 in an effort to bring attention to the epidemic of human trafficking in this country.

In 2018, Livingston County Youth Bureau and Department of Health created the Human Trafficking Task Force to bring awareness of this issue to our community through the Safe Harbours Program. The Task Force is comprised of multiple county agencies and victim advocacy programs in an effort to assist youth in Livingston County who are affected by or at-risk for commercial sexual exploitation. Commercial sexual exploitation is a form of human trafficking, defined as employing force, fraud or coercion to obtain labor and sexual acts. Trafficking occurs for a variety of exploitative reasons, and need not cross state or international boundaries to be considered trafficking.

Did you know according to Missing & Exploited Children:

- Every year in the US, the FBI receives over 460,000 reports of missing children
- Approximately 19,000 children are reported missing annually in New York State
- 1 in 6 endangered runaways are victims of child sex trafficking

According to the National Human Trafficking Hotline, in 2018, there were 5147 cases of human trafficking identified in the United States. Although individuals are trafficked for multiple reasons and people of any gender can be trafficked, in these cases the vast majorities of survivors were female and were trafficked for commercial sexual exploitation.

According to the National Center for Missing & Exploited Children it is important to know the signs of human trafficking as listed below:

- A history of running away or current status as a runaway;
- Large amounts of cash, multiple cell phones or hotel keys;
- Tattoos or branding related to money or ownership and /or the child is unwilling to explain;
- Signs of current physical abuse and /or multiple sexually transmitted diseases;
- Presence of, or communication with, a controlling older boyfriend or girlfriend;
- Gang involvement especially among girls; or
- Travel to other states or staying at hotels when he or she runs away.

Even if a child believes that they chose to engage in their exploitation, it's important to remember that the child is a victim.

For more information or questions on Safe Harbours please call the Livingston County Department of Health at 243-7299 or visit our website at www.livingstoncounty.us/doh.htm. Locally, anyone who is impacted by sexual violence should contact RESTORE's 24-hour hotline at 1-800-527-1757 or at RestoreSAS.org.

The National Human Trafficking Hotline is toll-free, 24-hours at 1-888-373-7888, or at humantraffickinghotline.org.

Launch of Livingston Initiative for Transformation (LIFT)

January 4, 2019, Geneseo, NY- Catholic Charities of Livingston County will launch the Livingston County Jail-based Cognitive Behavioral Intervention program, known as the Livingston Initiative for Transformation (LIFT), in the first quarter of 2019. Catholic Charities has been awarded a grant of \$135,700 to fund the program. The grant is provided by the New York State Division of Criminal Justice Services.

The project, being managed by Transitional Jail Counselor Brandy Swain, LMSW, will incorporate Interactive Journaling, Moral Resonance Therapy, and the nationally-recognized Thinking for a Change (T4C) along with enhanced transitional services. Participants will be assigned to programs based on their individual needs and length of sentence.

Interactive Journaling and Moral Resonance Therapy will serve as alternate forms of cognitive behavioral intervention in a smaller setting than T4C. Transitional services for jail inmates will connect individuals with mental health treatment, alcohol and substance abuse services, and peer mentoring.

Thinking for a Change incorporates research from cognitive restructuring theory, social skills development, and the learning and use of problem solving skills. The goal of the program is to reduce recidivism in county jails by engaging inmates in discussions about their behaviors and transitioning them into stable lives outside of incarceration through a twenty-five lesson curriculum. The T4C component will be run in partnership with the Livingston County Sheriff's Office, Probation Department and Workforce Development Office.

"Adopting the LIFT program adds one more tool to meet our collective mission of assisting inmates with their transition into stable lives and keeping the residents of our county safe." said Probation Director Lynne Mignemi. "By adopting this program, Catholic Charities staff, probation officers, workforce development staff, and members of the Livingston County Sheriff's Office continue to go above and beyond traditional methods to assist both inmates and the residents of our county. I thank each of them for their hard work and dedication to the program: the Livingston County Sheriff's Office for allowing access and space to run the program, Livingston County Senior Probation Officers Michelle Jordan and Deb Mack, Sheila VanAuken from Livingston County Workforce Development and Brandy Swain of Catholic Charities of Livingston County who will be teaching the curriculum."

Livingston County and CCLC hope to enroll 30 inmates in three sessions over the course of the one year grant. The Thinking for a Change program is set to begin its first 13-week-long run in February.

PRECISION MACHINING CLASS BATAVIA CAMPUS

Tentative Start: 2/11/19

In today's economy, individuals seeking a career in advanced manufacturing require marketable skills.

The Genesee Valley Educational Partnership, in conjunction with the Livingston County Workforce Development Office, have created a precision machining program to prepare qualified people for entry level positions and a career path in precision machining. Program participants will receive approximately 300 hours of classroom instruction and on-site experience, which will enhance their skills and employability.

This training class will be held at the Batavia CTE Center. Participants will be responsible for their own transportation. The Batavia CTE Center is located at 8250 State Street Road, Batavia NY 14020.

Program participants will receive 300 hours of classroom instruction. The dates for the class will be 2/11/19 through 6/13/19, Monday-Thursday from 4:30-9:00 pm. Classroom instruction will consist of lecture and hands-on instruction covering the general use of the basic components of a mill and lathe. Common fixtures, cutting tools, and tool holders will be covered. Students will study blueprint reading and use precision measuring devices.

The cost of the program is \$3,750. Financial aid assistance is available for qualified candidates. This is a college-credit bearing course in partnership with Monroe Community College. Students will have the opportunity to earn 12 MCC college credits at an additional cost.

Key Areas of the Machining Trade Include:

- Introduction to Machines
- Shop Safety
- Understanding Drawings
- Measurements
- Hand Tools
- Drills and Drilling Machines
- Precision Grinding

**"Where there is no way,
You make a way.
When no one else can
reach us, You find us."**

The above song lyrics, from Desperation Band's Make A Way (2014), express the heart of Father God. Robert came to the Healing Rooms about a year ago. The severe pain in his knees was the result of competitive karate and kick boxing. His knees were shot. The doctors could do nothing except recommend pain killing drugs and knee replacement surgery. We laid hands upon Robert and prayed for him to be healed by God. The pain left. One year later the pain is still gone. Father God made a way for Robert, touched him and healed him. He wants to do the same for you.
