# DON'T LIVE WITH A WET BASEMENT

## Keep Your Basement Dry

Living with a wet basement can be miserable, leaving nearly half of your home's square footage totally unusable - just because it gets wet when it rains. Cleaning up water and dealing with the results such as mold, mildew and damage to your furnishings and stored items is tiring and expensive.

## WET BASEMENT SYMPTOMS:

- Damp and musty smells
- Wet and nasty basement walls
- Water stains on walls and concrete slab floors
- Standing water
- Damage to building materials, stored items and home furnishings

### Meet... Blaine

Blaine is a two year old Beagle/Bulldog mix, up-to-date on vaccinations, heart worm negative and neutered. He is good with other dogs, has a laid back personality and would make a great companion to cuddle up and watch the Super Bowl with.

The \$35.00 adoption fee is minimal when compared to the years of joy a pet can offer your family. Please visit the shelter to choose your pet. The shelter has an ongoing need for donations of dog food, collars, leashes, treats, stainless steel food bowls and monetary donations to provide medical care. We greatly appreciate all donations made to the shelter
