You'd do anything for your family.
Schedule your mammogram today.

OCTOBER IS BREAST CANCER AWARENESS MONTH

A screening mammogram is important for early detection of breast cancer. It can, in some cases, detect a lump in the breast before you or your physician can feel it. That's why the American Cancer Society recommends a screening mammogram each year for all women age 40 and older or those considered to be at risk. So do it for yourself. Do it for your family. But please, do it now.

Please call 931-685-8316 to schedule your mammogram today.

Extended hours until 7:00 p.m. on Mondays.

Saturday morning appointments available.

 **Heritage**
Medical Center

Appointments are on a first-come, first-served basis. An order from a physician or a qualified healthcare provider is required.
All mammogram reports will be sent to the physician/provider and follow-ups are the responsibility of the patient.

"Eight years ago I started a life changing career that allows me the freedom to create my own schedule, provides professional and personal growth and is now furthering my education in marketing. My job gives me the opportunity to work with small business owners to create an effective and affordable advertising campaign customized for each business. Exchange Media Group encourages community involvement and supports my roles in the Highland Rim Kiwanis Club and the Tullahoma Area Chamber of Commerce, which are two groups I am very passionate to serve."

"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."
