FAIR FARES NYC

The first phase of the Fair Fares program made its debut in early January. For those who may not know, Fair Fares is a City program to help low-income people cope with their transportation costs. Eligible New Yorkers may purchase 7-day or 30-day MetroCards for half of the regular price. The City of New York will mail you a notice directly if you are eligible. If you are, the City will then follow-up with you on how to retrieve your half-priced MetroCard. You can use your FairFare MetroCard for all trains and buses but not on MTA Express Buses, the LIRR or Metro-North. For those who receive an eligibility letter, please contact 311 directly for more information. To be sure, this program's launch is only a month old and many more New Yorkers will certainly be contacted in the near future. Again, the City of New York will contact eligible participants directly.

HOME ENERGY ASSISTANCE PROGRAM (HEAP)

The NYS Home Energy Assistance Program Benefit (HEAP) is available! As you know, HEAP assists low-income people with their heating costs. Eligibility and benefits are based on income, household size, primary heating source and whether or not a household member is under six years of age or over 60. You may be eligible even if you own your home or pay for heat as part of your rent. To be sure, there are income guidelines. For example, a household size of four may not exceed a gross monthly income of \$4,598. A household size of one may not exceed a monthly gross income of \$2,391. If you think you are eligible and wish to apply, please visit 1932 Arthur Avenue, Ground Floor, Bronx, NY 10457 or contact my office so that we can schedule a time for you to pick-up an application.

SENIOR CITIZEN DISCOUNTS AT AREA COLLEGES

Did you know that several of our City University schools such as Queens College, Lehman College, Hunter College and private institutions such as St. John's University are some of the many area schools that offer discounted tuition fees to adults over 60-years-old? At my alma mater, CUNY Hunter College, a senior citizen that is over 60-years-old and is a resident of New York State can take college courses while only having to pay \$65 for the general fee at time of registration. If you or someone has any interest, please feel free to contact me at my office at (718) 892-1161. I know exactly how difficult it might be to decide which courses you want to take and how to register. Please take advantage of this wonderful opportunity to take classes at some of New York City's best higher education institutions
