Salome's Stars

ARIES (March 21 to April 19) Some unsettling facts about a past situation could come to light. And while you'd love to deal with it immediately, it's best to get more information to support your case.

TAURUS (April 20 to May 20) A straightforward approach to a baffling situation is best. Don't allow yourself to be drawn into an already messy mass of tangles and lies. Deal with it and move on.

GEMINI (May 21 to June 20) Don't be discouraged or deterred by a colleague's negative opinion about your ideas. It could actually prove to be helpful when you get around to finalizing your plan.

CANCER (June 21 to July 22) Ignore that sudden attack of “modesty,” and step up to claim the credit you’ve so rightly earned. Remember: A lot of people are proud of you and want to share in your achievement.

LEO (July 23 to August 22) A financial “deal” that seems to be just right for you Leos and Leonas could be grounded more in gossamer than substance. Get an expert’s advice to help you check it out.

VIRGO (August 23 to September 22) Don't ignore that suddenly cool or even rude attitude from someone close to you. Asking for an explanation could reveal a misunderstanding you were completely unaware of.

LIBRA (September 23 to October 22) Unless you have sound knowledge, and not just an opinion, it's best not to step into a family dispute involving a legal matter, regardless of whom you support. Leave that to the lawyers.

SCORPIO (October 23 to November 21) An awkward situation presents the usually socially savvy Scorpion with a problem. But a courteous and considerate approach soon helps clear the air and ease communication.

SAGITTARIUS (November 22 to December 21) A calmer, less-tense atmosphere prevails through much of the week, allowing you to restore your energy levels before tackling a new challenge coming up by week's end.

CAPRICORN (December 22 to January 19) Your approach to helping with a friend or family member's problem could boomerang unless you take time to explain your method and how and why it (usually!) works.

AQUARIUS (January 20 to February 18) Someone who gave you a lot of grief might ask for a chance for the two of you to make a fresh start. You need to weigh the sincerity of the request carefully before giving your answer.

PISCES (February 19 to March 20) Too much fantasizing about an upcoming decision could affect your judgment. Better to make your choices based on what you know now rather than on what you might learn later.

BORN THIS WEEK: You have a way of seeing the best in people and helping them live up to their potential.

A boss announces to his staff: "I've lost a wallet with 500 dollars, if you find it, I'm offering a 100 dollars finder's fee!" - A voice in the background says: "I'm offering 200!"

* “Kids do love their sneakers, but sometimes when a kid loves his sneakers too much and wears them every day, those sneakers don’t love the family back. In short, they stink. We filled a pair of socks with a mix of the crystal kitty litter and the detergent-boosting beads that smell so good. At night, Junior takes his sneakers off and stuffs these mock socks inside. The litter absorbs moisture, and the beads leave them smelling pretty good.” -- D.D. in Missouri

* “For a clean look in our bathroom, we use clear pump bottles for shampoo, conditioner and body wash. I refill them as needed, and it’s so much nicer than having 10 different partially filled bottles in the bathtub.” -- R.B. in North Carolina

* It's time to brush your shoes! Give white canvas shoes a makeover with a toothbrush and plain (not colored) toothpaste. Use the toothbrush to apply the toothpaste and scrub stained areas. Wait five minutes and wipe away with a damp white rag. You should see an improvement.

* We ladies don't always think to do it, but you should wipe down the exterior of your purse daily.

* To get lift and body in your hair, use a volumizing spray at the roots, and then use your brush to lift the hair up while giving it a shot with a blow dryer.

* “In cold winter months, keep your robe (and slippers or whatever else) under the covers with you when you sleep. Pull them next to or over you a few minutes before you get up. It’ll be toasty and will help make the transition into the cold a little less harsh.” -- B.M. in New York

Give your money a raise

Make your money work harder by earning higher interest rates.

Talk to a banker for more details. Offer expires March 22, 2019.

Platinum Savings Account

2.10%

Annual Percentage Yield for 12 months¹

Enjoy a special interest rate for 12 months with new money deposits of at least \$25,000 and a minimum daily account balance of \$25,000 or more.

Fixed Rate CD

2.60%

Annual Percentage Yield for 11 months²

Guaranteed fixed rate with new money deposits of at least \$25,000 for an 11-month term.

Both accounts are FDIC-insured up to the maximum allowable limit. Platinum Savings offer available in CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA. Fixed Rate CD offer available in AL, AZ, CT, DC, DE, FL, GA, MD, NJ, NM, NV, NY, PA, SC and VA. *Portfolio by Wells Fargo*® customers are eligible to receive an additional interest rate bonus on these accounts.³

1. To qualify for this offer, you must have a new or existing Platinum Savings account and enroll the account in this offer between 01/21/2019 and 03/22/2019. This offer is subject to change at any time, without notice. This offer is available only to Platinum Savings customers in the following states: CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA. In order to earn the Special Interest Rate of 2.08% (Special Rate), you must deposit \$25,000 in new money (from sources outside of Wells Fargo Bank, N.A., or its affiliates) to the enrolled savings account and maintain a minimum daily account balance of \$25,000 throughout the term of this offer. The corresponding Annual Percentage Yield (APY) for this offer is 2.10%. The Special Rate will be applied to the enrolled savings account for a period of 12 months, starting on the date the account is enrolled in the offer. However, for any day during that 12 month period that the daily account balance is less than the \$25,000 minimum, the Special Rate will not apply and the interest rate will revert to the standard interest rate applicable to your Platinum Savings account. As of 12/10/2018, the standard interest rate and APY for a Platinum Savings account in CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA with an account balance of \$0.01 to \$99,999.99 is 0.03% (0.03% APY) and with an account balance of \$100,000 and above is 0.05% (0.05% APY). Each tier shown reflects the current minimum daily collected balance required to obtain the applicable APY. Interest is compounded daily and paid monthly. The amount of interest earned is based on the daily collected balances in the account. Upon the expiration of the 12 month promotional period, standard interest rates apply. Minimum to open a Platinum Savings account is \$25. A monthly service fee of \$12 applies in any month the account falls below a \$3,500 minimum daily balance. Fees may reduce earnings. Interest rates are variable and subject to change without notice. Wells Fargo may limit the amount you deposit to a Platinum Savings account to an aggregate of \$1 million. Offer not available to Private Banking, Wealth, Business Banking or Wholesale customers. 2. Annual Percentage Yield (APY) is effective for accounts opened between 01/21/2019 and 03/22/2019. The 11-month New Dollar CD special requires a minimum of \$25,000 brought to Wells Fargo from sources outside of Wells Fargo Bank N.A., or its affiliates to earn the advertised APY. Public Funds and Wholesale accounts are not eligible for this offer. APY assumes interest remains on deposit until maturity. Interest is compounded daily. Payment of interest on CDs is based on term: For terms less than 12 months (365 days), interest may be paid monthly, quarterly, semi-annually, or at maturity (the end of the term). For terms of 12 months or more, interest may be paid monthly, quarterly, semi-annually, or annually. A fee for early withdrawal will be imposed and could reduce earnings on this account. Special Rates are applicable to the initial term of the CD only. At maturity, the Special Rate CD will automatically renew for a term of 6 months, at the interest rate and APY in effect for CDs on renewal date not subject to a Special Rate, unless the Bank has notified you otherwise. Due to the new money requirement, accounts may only be opened at your local branch. Wells Fargo reserves the right to modify or discontinue the offer at any time without notice. Offer cannot be combined with any other consumer deposit offer. Minimum new money deposit requirement of at least \$25,000 is for this offer **only** and cannot be transferred to another account to qualify for any other consumer deposit offer. If you wish to take advantage of another consumer deposit offer requiring a minimum new money deposit, you will be required to do so with another new money deposit as stated in the offer requirements and qualifications. Offer cannot be reproduced, purchased, sold, transferred, or traded. 3. The *Portfolio by Wells Fargo* program has a \$30 monthly service fee, which can be avoided when you have one of the following qualifying balances: \$25,000 or more in qualifying linked bank deposit accounts (checking, savings, CDs, FDIC-insured IRAs) or \$50,000 or more in any combination of qualifying linked banking, brokerage (available through Wells Fargo Advisors, LLC) and credit balances (including 10% of mortgage balances, certain mortgages not eligible). If the *Portfolio by Wells Fargo* relationship is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services, will discontinue and revert to the Bank's then-current applicable rate or fee. For bonus interest rates on time accounts, this change will occur upon renewal. If the *Portfolio by Wells Fargo* relationship is terminated, the remaining unlinked Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account will be converted to another checking product or closed.

Smart Beginnings DP receives new funding

Smart Beginnings Danville Pittsylvania (SBDP), a regional school readiness coalition, will receive a \$7,000 grant from the Virginia Early Childhood Foundation (VECF) to develop a customized “data capacity action plan” and expand its school readiness data dashboard. “These grants are designed to improve data capacity systems and analytics that will be used to make data-informed decisions impacting school readiness at the community level,” explains Kathy Glazer, president of VECF.

“We are excited to work with our partners to expand the types of data we collect to measure the availability and usage rates for services that strengthen families with young children,” add Ann Vandervliet Stratton, executive director, SBDP. “Examples of the type data we hope to explore includes the number of slots funded, needed and used for important services related to early education and health,” she adds.

“We are grateful to have VECF’s support. We must increase collaboration to address and reduce childhood poverty and other determinants of child wellbeing. When we use data, we move the conversation into focused action,” Jessie Barksdale, chairman of the Board of Directors, SBDP.

As part of the grant, SBDP will receive technical assistant from expert consultants throughout the planning and customization process.

The mission of Smart Beginnings DP is to strengthen the system of individuals and organizations serving children ages birth to eight. Its goal is to ensure that children ages birth to age 8 are emotionally, physically and intellectually ready for success in school.

For more information about Smart Beginnings, call 797-8887 or email info@SmartBeginningsDP.org.

Police chief announces promotion of 10 officers

Police Chief Scott Booth today promoted 10 officers to the ranks of captain, lieutenant, sergeant and corporal, saying that as new leaders they will take the Police Department to “where we haven’t been before as an organization and as a city.”

The promotions came during a ceremony held in the City Council chambers of the Municipal Building.

“This will make 37 officers elevated in my time here,” Police Chief Scott Booth said Thursday, noting that he joined the city as police chief nearly one year ago. “I am very proud of the folks that we are promoting today.

“Before I promote anybody – corporal, major or captain, lieutenant or sergeant – I spend about 15 or 20 minutes with them. I let them know why they are here, what their mission is, and what my expectations are of them. In the 37 times that I have done this since I have been here, I have never been let

down. I feel good about every woman and man promoted to lead this department. We are promoting new leaders – people who are going to take us to where we haven’t been before as an organization and as a city.”

Booth talked about leadership using a quote from author and motivational speaker John C. Maxwell that reads: “Everything rises and falls on leadership.”

“I don’t think there is any truer statement than that when it comes to a law enforcement organization,” Booth said. “Everything rises and falls on leadership in how we effectively engage the communities that we serve, how we partner with stakeholders in the community, and how we reduce crime and keep our neighborhoods safe. All are the result of the decisions that we make and our level of accountability to our community.”

Booth told each of the officers promoted that he wanted them to

be a leader, to make decisions, to hold themselves accountable and to hold him accountable as police chief.

Mayor Alonzo Jones congratulated the officers receiving promotions.

“The most amazing thing about Chief Scott Booth is that he is recognizing the endeavors of some wonderful people,” Jones said. “Congratulations to each of you. We cannot thank you enough for all that you do. Your work means so much, and you don’t receive the credit that you deserve.”

The officers promoted were:

- Captain
- H.S. Richardson
- Lieutenant
- J.W. McLaughlin
E.D. Moss
S.R. Yeaman

Sergeant

- C.J. Snead
V.M. Jennings
R.B. McCormick

Corporals

- S.S. Brooks,
D.C. Ferguson
S.G. Wiles-Lipscomb

Also at Thursday’s ceremony, Maj. T.W. Jones was recognized. He had been promoted to major in September but not yet ceremonially recognized.

The ceremony was the second held in the last five weeks. On Dec. 27, 26 officers were promoted to the ranks of captain, lieutenant, sergeant and corporal in a ceremony held in the auditorium of O. Trent Bonner Middle School.

The promotions are due to the retirement of senior-level members of the Police Department.
