Community Cancer Care

Hope & Healing Come Together

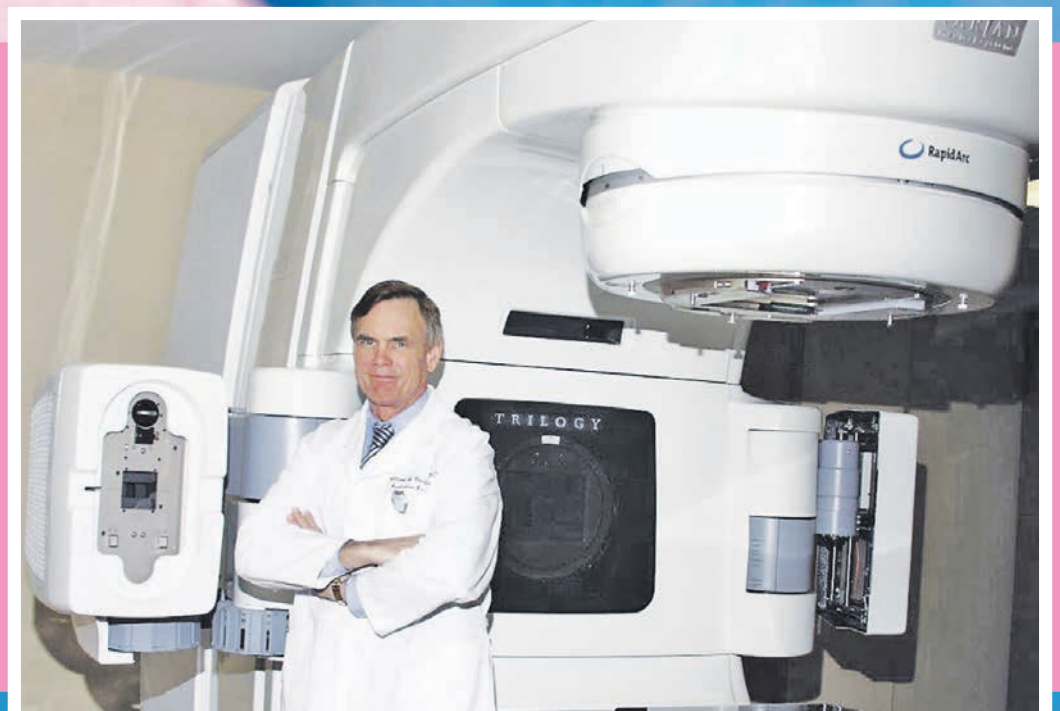

A battle with cancer is one of life's greatest challenges. From the moment you are told of the diagnosis, you are confronted with many emotions and challenges.

Since 1999 the team at Community Cancer Care has provided thousands of individuals and their families comfort and helped them defeat the challenge of cancer.

Our goals are to help both you and your family understand the facts about your cancer and provide compassionate care utilizing state-of-the-art technology. We strive to replace the fear associated with the word "cancer" with understanding, acceptance, and hope.

If you or a loved one has been diagnosed with cancer, please speak with your health care provider about receiving radiation treatment at Community Cancer Care.

Hope Sartain
Sales Representative

"Eight years ago I started a life changing career that allows me the freedom to create my own schedule, provides professional and personal growth and is now furthering my education in marketing. My job gives me the opportunity to work with small business owners to create an effective and affordable advertising campaign customized for each business. Exchange Media Group encourages community involvement and supports my roles in the Highland Rim Kiwanis Club and the Tullahoma Area Chamber of Commerce, which are two groups I am very passionate to serve."

Mary Ann Marsh
Sales Representative

"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."

Ginger Jones
Digital CSR

I joined the Exchange Team in 2006 working as a Graphic Artist. In 2013, I was given the opportunity to switch positions to Digital CSR. My new position allows me to closely work with our customers. Everyday I help our customers explore how digital media can benefit them. It's amazing the influence an online presence has for a small business. "The only way to do great work is to love what you do." ~ Steve Jobs.

Job Description

We have inside and outside positions available. You will call on local businesses with the objective to understand their products and services. After you develop a clear understanding of their business, you will assess how our products can help the business grow. You must enjoy talking to people and have a deep desire to succeed. The job can be awarding both financially and emotionally.
