All interested landowners MUST ATTEND an information workshop prior to submitting an application.

Submission deadline is March 29, 2019.

PDR Workshops:

Dialysis Clinic Now Taking Patients

On Monday February 11th, 2019, the new UR Medicine-Noyes Health Dialysis Extension Clinic, located within the Livingston County Center for Nursing and Rehabilitation (CNR), officially began accepting patients. While initial patients will be residents of the CNR, the clinic will eventually open up to others in need of dialysis treatment within the surrounding communities by October 2019.

This new facility is only the second nursing home-based dialysis clinic in New York State. Debbie Dieter is the RN Manager for the clinic and she was excited to start welcoming patients this past week. Nursing home residents will no longer need to travel to the Geneseo, NY clinic which can make for a long day.

At full capacity, the Dialysis Extension Clinic will be able to treat up to 30 individuals by operating three shifts per day, six days per week. The clinic features comfortable chairs for the patients and televisions for each individual to watch while they are receiving treatment.

This inaugural opening represented the culmination of efforts between collective organizations to expand services that would improve the quality of life for residents and patients of the CNR and to continue to meet the growing clinical needs of the community.

Could You Use a PRAYER OF FAITH?

Healing Rooms on the Genesee has but one purpose: to pray for those that need God's touch of love and healing. We have been birthed from a fervent passion to see God's healing and miracle working power show up and to have God impact every area of a person's life.

Right before Jesus left the earth, He instructed His followers about what they should do. In Mark 16:18, Jesus told them to lay hands on the sick and the sick would recover. We follow Jesus instructions in how we pray for people.

We will pray for you in a safe and confidential manner.

We'd Love To Come Pray For You!**
