## What Can Stem Cells Do For You?

Are you considering knee, hip, shoulder, ankle, or wrist surgery or just having severe pain?

...it's amazing how much better my knee is. I had problems since mid-February, couldn't bend it couldn't, couldn't maintain my regular activity at home and I hated it. I'm an active person, and I'm used to getting out and doing what I want to do and was unable to because I was in pain. And the injection went smooth as silk. They came in then within 15 minutes I was in and out of the Doctors office. Each day it has gradually gotten more flexible, I can actually see a knee cap, where I couldn't before from all of the fluid and inflammation around my knee. And it just feels better every day. And for anybody that's thinking about it, I would. In my opinion it is well worth having it done.

Mr. Logan departed this life February 10, 2019 in Nashville, TN. Ryan Thomas Logan was born August 15, 1987 in Kansas City, MO. His love of nature took him many places in his short life from the oceans coast to coast (and beyond) to the peaks of Yosemite and Colorado and the lakes of his beloved Tennessee.
