### CHALLENGE YOUR PROPERTY'S ASSESSMENT

If you own a 1-, 2- or 3-family home and would like to apply for a reduction of your assessed value, you need to submit a TC108 application to the NYC Tax Commission by March 15, 2019. While the form is online, I am making my office available for you to come and pick one up but please call us ahead at (718) 892-1161. The document is for those interested in challenging their property's assessed value and not the market value or estimated market value shown on the Notice of Property Value (NOV). You may file this application in person at 1 Centre Street, Room 2400 in Manhattan or at the Bronx Business Center at 3030 Third Avenue, Bronx, NY 10455. Lastly, if you are a homeowner and feel the City should review your property's estimated market value or building classification then you should file a Request for Review of Property Value. It is encouraged that you file this application online on the NYC Department of Finance (DOF) website at <http://www1.nyc.gov/site/finance/index.page>. However, the application can be mailed to the Assessment Review Division of the NYC DOF at 66 John Street, 12th Floor, New York, NY 10038. This application is due by March 15, 2019. Paper copies of this application will be available at my office but please call ahead.

### WATER AND SEWER SERVICE LINE PROTECTION PROGRAM

Costly water and sewer repairs are an additional tax for our homeowners. Many homeowners are not aware that they are responsible for all costs stemming from repairing damaged water and sewer lines on their own property as well as to the service lines in the street. The NYC Department of Environmental Protection encourages homeowners to sign up for water and sewer line protection through American Water Resources (AWR). Once you are enrolled in the program, AWR is able to pay for damages to your water and sewer lines through the monthly fee added to your NYC DEP water bill. Monthly rates for water and sewer line protection are \$4.49 and \$8.47 respectively. If you would like more information on your eligibility, you can contact AWR at (800) 300-3570. You can also contact NYC DEP's customer service line at (718) 595-7000.

### NEW YORK CITY SMALL BUSINESS SERVICES (SBS) CLASSES

Many remark, correctly, that small businesses are the backbone of our economy, but all too often we ask ourselves to whom can aspiring entrepreneurs rely upon to help hone their ideas, get their business off the ground and, ultimately, for advice? I am pleased to let you know that the New York City Small Business Services (SBS) holds free classes throughout the city. Class topics range from how to buy or sell a business, how to start a business, restaurant management and many more. For more information, please feel free to contact my office or visit the NYC SBS' website at <https://www1.nyc.gov/nycbusiness/article/business-courses>.
