Bungie Jumping Pastor

Pastor Jim was called to serve a large Southern Baptist Church in San Antonio, Texas. He had been pastoring a middle-sized church in Minnesota and arrived on a Monday in San Antonio. He was greeted warmly and moved into the parsonage. His first official meeting was on Tuesday evening with his deacons.

"Brothers, I am interested in getting to know you and request your help in doing this by meeting here at the church Saturday morning at 8:00. While in Minnesota, I learned to enjoy bungie jumping and I felt it would be nice to have fellowship down at that high bridge over the Medina River. I will make a jump and show you how it's done, and perhaps you would like to try it also."

Saturday morning, the deacons were all at the church. They got into the church van and headed to the Medina River. Once they arrived, the group went to the bridge and observed a Mexican American family having a reunion below. At that Pastor Jim said, "I don't think it will be a real problem. I know the stretch on the cord, and I will tie it off so we won't disturb that family."

Pastor Jim tied off the cord, put on his harness, and climbed to the top of the hand rail, and with that he jumped. As he got close to the bottom, a huge cloud of dust arose with a bunch of gleeful laughter and shouts. Suddenly he arose and yelled, "HELP!!" The deacons reached out for him but missed. Again Pastor Jim went down, and again a huge cloud of dust, laughter, and screams arose. As Pastor Jim came back up, all eight deacons reached out and grabbed him.

When he stood once again firmly on the bridge, he asked, "What is a pinata?"

### HOCUS-FOCUS

BY HENRY BOLTINOFF

Find at least six differences in details between panels.

Differences: 1. Baby's shirt has stripes. 2. Picture is different. 3. Curtain covers window. 4. Boy's bowl is larger. 5. Wall outlet is missing. 6. Boy's glass is missing.

I'm not really a "glass half full" kind of person.

I'm more of a "where'd I put my glass?" kind of person.

**Salome's Stars**

**ARIES** (March 21 to April 19) Your efforts in behalf of a colleague do not go unnoticed, let alone unappreciated. Meanwhile, arrange to spend more time investigating that troubling fact you recently uncovered.

**TAURUS** (April 20 to May 20) Devoting a lot of time to a current career move means having less time for those in your private life. But once you explain the circumstances, they should understand and be supportive.

**GEMINI** (May 21 to June 20) Organizing your many duties in order of importance should help you get through them pretty quickly. Additional information puts that still-to-be-made decision in a new light.

**CANCER** (June 21 to July 22) Lingering bad feelings over a recent misunderstanding should fade as reconciliation efforts continue. Meanwhile, vacation plans might need to be revised because of new developments.

**LEO** (July 23 to August 22) Love dominates the Lion's heart this week, with Cupid shooting arrows at single Leos and Leonas looking for romance. Partnered pairs also enjoy strengthened relationships.

**VIRGO** (August 23 to September 22) "Getting to Know You" should be the single Virgo's theme song as you and that special person discover more about one another. That workplace situation needs looking into.

**LIBRA** (September 23 to October 22) You might be upset at having your objectivity questioned in the handling of a dispute. But it would be wise to re-examine your feelings to make sure you're being fair with both sides.

**SCORPIO** (October 23 to November 21) A family dispute creates mixed feelings about how you hope it will be ultimately resolved. Best advice: Stay out of it and let the involved parties work it through by themselves.

**SAGITTARIUS** (November 22 to December 21) Making an effort to smooth over even the smallest obstacles now will go a long way to assuring that things run smoothly once you're set to move on with your plans.

**CAPRICORN** (December 22 to January 19) A challenge to your authority can be upsetting, but your longtime supporters want you to defend your position so you can win over even your most adamant detractors.

**AQUARIUS** (January 20 to February 18) Being unable to get involved in a friend's problem calls for an honest approach. Provide explanations, not excuses. Another friend might be able to offer support for your decision.

**PISCES** (February 19 to March 20) You find yourself swimming in circles, looking for some way to get back on a straight course. But things get easier once you're able to refocus your energies.

**BORN THIS WEEK:** You're known for your charm and your wisdom, and there's no one who wouldn't want you to be part of his or her life.

**Now here's a tip!**  
 by Jo Ann Derson

\* Corral kids' books in a traveling library by repurposing an old wagon. All you need to do is store the books spine side up for easy selection. This also makes it a snap to move it to just the right place to encourage reading, whether it's the garden path or a blanket fort. If you don't have a wagon to repurpose, installing some caster wheels on the bottom of a crate works, too.

\* Replace mascara frequently. But if you need to freshen a tube of dry mascara, just add a few drops of contact solution to the brush and bottle.

\* "Use mismatched socks as wiper blade covers when you are expecting inclement weather. It will keep your wipers from freezing to your windshield, and if they get all yucky, you can just pitch them." -- N.G. in Ohio

\* Make doctor's appointments on or near a major holiday every year. That way you don't end up forgetting when your last annual exam or dental cleaning was.

\* If you seriously need to remove a color polish from your nails, but ran out of remover, try this trick: Paint the nail generously with clear polish, then use a dry cotton ball to swipe it off. Repeat as needed.

\* "This tip is for gardeners who live in areas that don't often freeze. I'm safe most of the year, but when temperatures do dip, I cover my vulnerable plants. In addition to the freeze cloth, I also add a string of twinkle lights, which can add a surprisingly margin of heat. And they look pretty as well." -- M.M. in Georgia

**PIEDMONT PETS**  
 February 21, 2019  
 By Paulette Dean

We began our contract in 1984 with the City of Danville to operate the public animal shelter. I served on the board of directors then and each month reviewed the animal count report with great interest. We were so happy when the adoptions started increasing.

By April of 1992, I had been hired to be the full-time director; I was to begin on June 1st. During April, I agreed to take an afternoon off from my job at that time and go to the shelter to help take pictures of some adoptable animals.

I have never forgotten what I witnessed. A couple with two young children were adopting a German shepherd, about a year old. The man carried the dog at arm's length, as the wife walked beside him saying, "Oh, don't let that dirty dog touch me." The children seemed very disinterested.

Until I saw that, I suppose I had assumed that every adoptive home was a good one.

On June 1st when I started working at the shelter, I found the adopter's telephone number and called him. He did not know the dog's name; he told me the dog was kept on a chain in their backyard.

A few months later, I called him again. He still did not know what the dog's name was, the dog was still on a chain, and he guessed that the children played with him some.

I called once a year for a couple of years, until the telephone number was disconnected. I have always felt bad for that dog and I believe the shelter failed that dog. Now, stories throughout the nation are told of failed adoptions. Just as there are some bad shelters, there are bad rescue groups. It really is true that hoarders and other ill-intentioned people adopt animals.

By definition in Virginia code, public animal shelters are operated "for the

purpose of impounding or sheltering seized, stray, homeless, abandoned, unwanted, or surrendered animals." Also by code, public animal shelters are considered releasing agencies, as are private shelters, humane societies, other animal welfare organizations, or similar entities or home-based rescues that release animals for adoption.

The law is not specific about adoption programs; that is left to each shelter or group. We choose to have adoption guidelines and to ask questions. We believe it is our responsibility to accept any animal brought to us and to find responsible, loving homes for as many as possible.

We base our adoption decisions on three questions. The first one is, "Is this home one that I would place one of my own pets in?" The second one is, "What kind of life will my decision provide for the animal?" The third question is, "Will this animal cause any threat to humans and other animals?"

It is neither comfortable nor easy to make adoption decisions, but we do it for the animals. After all, we humans make the decisions and the animals pay the consequences. I still wonder about the German shepherd that was placed in that home in 1992. Unless he was put in another home, I cannot imagine his life was a good one and I am so sorry about that.

# Give your money a raise

Make your money work harder by earning higher interest rates.

**Talk to a banker for more details. Offer expires March 22, 2019.**

## Platinum Savings Account

# 2.10%

Annual Percentage Yield for 12 months<sup>1</sup>

Enjoy a special interest rate for 12 months with new money deposits of at least \$25,000 and a minimum daily account balance of \$25,000 or more.

## Fixed Rate CD

# 2.60%

Annual Percentage Yield for 11 months<sup>2</sup>

Guaranteed fixed rate with new money deposits of at least \$25,000 for an 11-month term.

**Both accounts are FDIC-insured up to the maximum allowable limit. Platinum Savings offer available in CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA. Fixed Rate CD offer available in AL, AZ, CT, DC, DE, FL, GA, MD, NJ, NM, NV, NY, PA, SC and VA. Portfolio by Wells Fargo® customers are eligible to receive an additional interest rate bonus on these accounts.<sup>3</sup>**

1. To qualify for this offer, you must have a new or existing Platinum Savings account and enroll the account in this offer between 01/21/2019 and 03/22/2019. This offer is subject to change at any time, without notice. This offer is available only to Platinum Savings customers in the following states: CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA. In order to earn the Special Interest Rate of 2.08% (Special Rate), you must deposit \$25,000 in new money (from sources outside of Wells Fargo Bank, N.A., or its affiliates) to the enrolled savings account and maintain a minimum daily account balance of \$25,000 throughout the term of this offer. The corresponding Annual Percentage Yield (APY) for this offer is 2.10%. The Special Rate will be applied to the enrolled savings account for a period of 12 months, starting on the date the account is enrolled in the offer. However, for any day during that 12 month period that the daily account balance is less than the \$25,000 minimum, the Special Rate will not apply and the interest rate will revert to the standard interest rate applicable to your Platinum Savings account. As of 12/10/2018, the standard interest rate and APY for a Platinum Savings account in CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA with an account balance of \$0.01 to \$99,999.99 is 0.03% (0.03% APY) and with an account balance of \$100,000 and above is 0.05% (0.05% APY). Each tier shown reflects the current minimum daily collected balance required to obtain the applicable APY. Interest is compounded daily and paid monthly. The amount of interest earned is based on the daily collected balances in the account. Upon the expiration of the 12 month promotional period, standard interest rates apply. Minimum to open a Platinum Savings account is \$25. A monthly service fee of \$12 applies in any month the account falls below a \$3,500 minimum daily balance. Fees may reduce earnings. Interest rates are variable and subject to change without notice. Wells Fargo may limit the amount you deposit to a Platinum Savings account to an aggregate of \$1 million. Offer not available to Private Banking, Wealth, Business Banking or Wholesale customers. 2. Annual Percentage Yield (APY) is effective for accounts opened between 01/21/2019 and 03/22/2019. The 11-month New Dollar CD special requires a minimum of \$25,000 brought to Wells Fargo from sources outside of Wells Fargo Bank N.A., or its affiliates to earn the advertised APY. Public Funds and Wholesale accounts are not eligible for this offer. APY assumes interest remains on deposit until maturity. Interest is compounded daily. Payment of interest on CDs is based on term: For terms less than 12 months (365 days), interest may be paid monthly, quarterly, semi-annually, or at maturity (the end of the term). For terms of 12 months or more, interest may be paid monthly, quarterly, semi-annually, or annually. A fee for early withdrawal will be imposed and could reduce earnings on this account. Special Rates are applicable to the CD only. At maturity, the Special Rate CD will automatically renew for a term of 6 months, at the interest rate and APY in effect for CDs on renewal date not subject to a Special Rate, unless the Bank has notified you otherwise. Due to the new money requirement, accounts may only be opened at your local branch. Wells Fargo reserves the right to modify or discontinue the offer at any time without notice. Offer cannot be combined with any other consumer deposit offer. Minimum new money deposit requirement of at least \$25,000 is for this offer only and cannot be transferred to another account to qualify for any other consumer deposit offer. If you wish to take advantage of another consumer deposit offer requiring a minimum new money deposit, you will be required to do so with another new money deposit as stated in the offer requirements and qualifications. Offer cannot be reproduced, purchased, sold, transferred, or traded. 3. The Portfolio by Wells Fargo program has a \$30 monthly service fee, which can be avoided when you have one of the following qualifying balances: \$25,000 or more in qualifying linked bank deposit accounts (checking, savings, CDs, FDIC-insured IRAs) or \$50,000 or more in any combination of qualifying linked banking, brokerage (available through Wells Fargo Advisors, LLC) and credit balances (including 10% of mortgage balances, certain mortgages not eligible). If the Portfolio by Wells Fargo relationship is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services, will discontinue and revert to the Bank's then-current applicable rate or fee. For bonus interest rates on time accounts, this change will occur upon renewal. If the Portfolio by Wells Fargo relationship is terminated, the remaining unlinked Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account will be converted to another checking product or closed.

- Who wrote and released the No. 1 hit "Fallin' in Love"?
- Who originally released "Just Don't Want to Be Lonely"?
- Which Beatle wrote and recorded "Teardrops"?
- Who released the rock song "Pretending" in 1989?
- Name the song that contains this lyric: "Jeremiah was a bullfrog."

Answers

- Hamilton, Joe Frank & Reynolds, in 1975. In 2010 rapper Drake was sued for copyright infringement for sampling the song without permission in his "Best I Ever Had." Apparently, Drake has been sued a number of times for borrowing lyrics or, in one case, an artist's voice.
- Ronnie Dyson, in 1973. His recording peaked at No. 60. The Main Ingredient followed with a cover version in 1974 that charted in the top 10.
- George Harrison in 1981 on his "Somewhere in England" album. The record company initially rejected the album, insisting that four songs be rewritten due to lack of commercial potential.
- Eric Clapton.
- "Joy to the World," by Three Dog Night in 1971. Composer Hoyt Axton had his melody first and needed lyrics, any lyrics, to let his producer hear the music. He sang the first line as "Jeremiah was a prophet." That was ditched because no one liked it. With "bullfrog," the song went to No. 1.

## Virginia's SNAP Program Adjusts Release of March Benefits Change in issuance schedule means early access to benefits for some Virginians

Richmond, VA (February 19, 2019) - For the month of March only, all Virginia Supplemental Nutrition Assistance Program (SNAP) clients will receive benefits on Friday, March 1, 2019. SNAP will suspend its usual staggered issuance and release benefits to all recipients, including individuals who typically receive benefits between the 4th and 7th of each month, on this date. Benefits will be automatically loaded to recipients' SNAP Electronic Benefits Transfer (EBT) cards.

"This change is intended to help close the gap for clients who have been stretching benefits since mid-January as a result of the early release of February benefits during the partial federal government shutdown," said Virginia Department of Social Services Director of Benefit Programs Toni Blue Washington. "We understand the challenges individuals and families have been facing, and want to ensure Virginians who rely on SNAP benefits are provided some relief."

SNAP recipients with questions related to their benefits are encouraged to contact the Enterprise Customer Service Center at 1-855-635-4370 or their local department of social services. For additional resources, recipients may call 2-1-1 or visit [www.211virginia.org](http://www.211virginia.org).

**Strange BUT TRUE**  
 By Samantha Weaver

\* It was French-German physician, philosopher and humanitarian Albert Schweitzer who made the following sage observation: "In everyone's life, at some time, our inner fire goes out. It is then burst into flame by an encounter with another human being. We should all be thankful for those people who rekindle the inner spirit."

\* You might be surprised to learn that famed lover and heartbreaker Casanova eventually became a librarian.

\* In parts of Illinois, it was once illegal to put a cake in a cookie jar.

\* If you've ever yelled out a warning in panic -- "Stop!," "Run!," "Don't!" -- you've used a monepic sentence; that is, one that is complete with just a single word. Of course, at the time you probably weren't concerned about the grammatical nature of your utterance.

\* If you're like the hypothetical average person, your mouth will create 10,000 gallons of saliva over the course of your lifetime.

\* It's been reported that the country's first pizza parlor was in New York City -- naturally. It opened in 1885, but barely got by. In 1895, it was sold for a mere \$200 -- small change even in those times.

\* The bearded vulture is the only known animal whose diet is made up almost exclusively of bone.

\* It's a well-worn trope that men refuse to stop and ask for directions when they're lost. That point of view might seem to be supported by the results of a survey conducted by the American Automobile Association, which found that just 34 percent of male drivers admit to stopping to ask for directions. However, the same survey found that only 37 percent of women did the same. \*\*\*

**A Healthy Family Lifestyle Study**

Researchers at the University of Virginia invite all interested families of children ages 5 to 12 to join a healthy lifestyle study that is part of a team effort between Danville Parks and Recreation, Sovah Pediatrics, PATHS and the University of Virginia. With a flip of a coin, you will be randomized into one of these programs: Family Connections or iChoose. Programs will be offered at locations in Danville and Chatham.

The purpose of the study is to compare two healthy lifestyle programs to see which one is the best fit for your community. The study includes health screenings, small group healthy living classes and telephone support calls, all offered at no cost. Families will receive \$300 in gift cards for participating in the study.  
Primary Investigator: Dr. Jamie Zoellner (IRB #19748)

To learn more about the study and see if you qualify, please call Danielle Montague at 434.799.5150.
